PRESIDENT'S LETTER

Dear Member,

WHAT AN INCREDIBLE THREE NIGHTS WERE HAD FOR OUR ST. BARTHS PARTY! In addition to all the emails and calls, no matter where I go within Boca West, I have been stopped by hundreds of Members with rave reviews. The magnitude and scale of this event was no small task. I am so incredibly lucky to have such an amazingly dedicated team who worked tirelessly around the clock each day, with big smiles on their faces, setting up and breaking down the pool deck so that you and your families could still enjoy the Aquatics center without having to close it entirely. I am so proud of how well they worked together to execute yet another fantastic event and we really cannot do what we do without them.

It was so wonderful seeing you and your families at our beautiful annual **Easter Champagne Brunch**. I am always so excited to see all your smiling faces celebrate and being together. We're anticipating another great April with our **Tanglewood at Boca West** right around the corner on Wednesday, April 10! Next, we are looking forward to celebrating **Passover** with you and your families at our two night **Seder Dinners** on Monday, April 22 and Tuesday, April 23 in the Grand Ballroom and throughout the Club. Gather all of your special ladies at the Club for our **Mother's Day Champagne Brunch** on Sunday, May 12, as we celebrate our special Moms and Moms to be in Boca West fashion... please don't forget to make reservations by the deadline on Sunday, April 14.

Our annual **Golf and Racquet Sports Club Championships** were incredible! It is always a highlight to see how many of you enjoy being active and utilizing your Club. **CONGRATULATIONS** to all of the winners and runner-ups from this year's competitions! Results from both championships will appear in next month's issue.

As part of our commitment to build a strong talent pipeline and to spread the word about careers in the Country Club industry, leaders from Boca West have traveled to nine university career fairs across the United States to promote our Club and our Hospitality Management Internship for Summer 2024. In addition, Boca West has established a corporate partnership with the University of South Carolina College of Hospitality, Retail and Sports Management (HRSM), which has provided us with wonderful opportunities to engage with faculty and students, as well as receive college-wide recognition as a preferred employer.

One such opportunity was for our Leadership team to participate in the Marnie Pearce Professionalism Seminar on Emotional Intelligence, a course that approximately 300 students from HRSM are required take in order to prepare them for successful entry into the workforce. John Collings, Leslie Kennedy, Travis Wehrs, Emily Gifford and Elizabeth Espinosa traveled to USC to talk about "Country Club lifestyle reimagined" and led roundtable discussions for three class sessions on how emotional intelligence is at the core of our industry. Our commitment to supporting hospitality education in our leadership presence was strongly received by both the College and the many students who were eager to learn more about Boca West and to be considered for future internship opportunities!

Emily Gifford, Director of Retail; Darron Kirkley, Hospitality and Tourism Management Instructor; Ashley Richardson, Internship Director and Clinical Instructor; ***Travis Wehrs, Director of Golf; John Collings, Assistant General Manager;*** Erica Lake, Ph.D. Interim Assistant Dean for Opportunity & Engagement and Director of Corporate Engagement; ***Elizabeth Espinoza, Director of Quality, Development and Engagement; Leslie Kennedy, Director of Membership & Marketing;*** Jessica Chavis, MHRTM, Sr. Instructor of Club Management; Krystal Qi, Program Coordinator, Corporate Engagement

In my recent email communications, I shared an update on the construction at the Lifestyle and Wellness building. We continue to work towards the furniture installation in the next couple of weeks. I promise to continue to share updates and the opening schedule as soon as we receive our TCO's from the County.

ON THE COURSES

TEE TIMES & COURSE CARE

Throughout this golf season, we hosted eight Calling All Golfers seminars focused on promoting course care initiatives and sharing details about how our golf tee time lottery system works. For those of you who could not join us, a brief summary is below.

The lottery is a point-based system that runs across a dynamic 21-day period (14 days historic and seven days already assigned). Member restraints are what influence the lottery; factors such as membership type, exclusion of a golf course, linking groups together and selecting a "not before" time. Tee time requests may be submitted through the Boca West website, app or tee time request card up to 60 days in advance and seven days prior to the day of play. Requests are held until the day the lottery is run - putting in a request early does not influence your tee time assignment.

Without diving into the weeds as to the point assignments; we do want to share that high demand days are Tuesday, Wednesday and Friday, lower demand days are Monday, Thursday and Saturday. Playing on a lower demand day should be considered an option if you experience difficulty in receiving an ideal time on high demand days.

We're happy to report that beginning this Spring through the end of the year, we are hosting mandatory Calling All Golfers seminars for all golf members. Failure to attend a class prior to December 31, 2024 will result in not being able to play before 11:30am.

The importance of playing ready golf is critical to the overall enjoyment for all golf played at Boca West.

Here are some helpful reminders:

» Arrive to the 1st tee no later than five minutes prior to your tee time.

» Groups late to the tee will be asked to start their round from the 150 yard marker.

» Groups in excess of more than a five minute slate will be asked to reschedule their time.

» Get ready to hit your shot before it is your turn.

» Do not put the club back into the bag each time you hit a golf shot, put it back when you get to your next shot.

» Do not wait to line up your putt, do it while others are lining up theirs.

An 18-hole round is expected to be played in four hours or less; whereas a 9-hole round is expected to be played in two hours or less.

The iPar GPS is programmed as such and will alert your cart when you are behind pace.

When you are five mintues behind pace, it will not only alert you but also the ranger on your course.

Always observe the 90-degree cart rule except on par 3's as all carts must always remain on the cart path. Cart traffic must always be at least 15 feet from all hazards (water & bunkers). Make sure to observe the red and blue posts short of the putting green as red posts indicate that no carts are to go beyond, whereas a blue post only golfers with a disability flag can drive beyond this point. Course Care Initiatives: repair ball marks on greens, fill your divots in the fairway and rough, and rake all bunkers and place the handles outside of the bunker.

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty-five days in which to appeal the decision to the Board. One Grievance will be presented

Grievance 14-2023

This Grievance was filed by the Chairman of the Fitness, Aquatics, and Spa Committee for behavior which violated Bylaw Article 10, Section 10.02. This Member exhibited verbally abusive behavior towards Staff in the Fitness Center. This was the second documented incident of such behavior toward Staff by this Member.

At the Grievance meeting the Member was very remorseful and emotional. Both Member and their spouse acknowledged the behavior and explained the corrective actions they have begun.

The Grievance Committee recommendation to the Board of Governors:

1. Three-month suspension from Fitness, Aquatic, Salon and Spa.
2. Successful completion of an Anger Management Course.
3. Acceptable letters of apology to the Board of Governors, Matthew Linderman, President, COO and General Manager, and to Misty Stewart, Director of Lifestyle and Wellness,
4. This incident is made part of the members Membership file.

The Board of Governors ruled that the Member be suspended for a period of three-months from all venues and activities in Boca West, while in residence. Any further violations of Bylaws will necessitate return to the Grievance Committee.

The member appealed the Board ruling and appeared before the Board. At the appeal hearing the Member provided evidence that they are participating in an individual Anger Management Therapy Counseling Program. A letter from the Members psychiatrist attesting to the continuing therapy was also provided.

The Board of Governors considered the self-improvement work this member is pursuing. And the Member's suspension was amended as follows:

1. One month suspension from the Fitness Center.
2. The suspension is to be followed by a Six-month probation from all activities and venues in Boca West.

CHAIRMAN'S LETTER

This being my initial article in the *Boca West* magazine as Chairman of the Board, first and foremost, I would like to thank the immediate past and present Board of Governors for their confidence and support in electing me as your Chairman. As I step into this role, I wish to recognize each of our esteemed past Chairman and all Board of Governors who have dedicated their time, leadership and talents over the past 34 years.

As I stated to your Board of Governors at the Election of Officers and Appointment of Committee Chairs meeting held on March 12, we have now embarked on our work together. Congratulations to the newly elected Officers and Board Members as they begin their roles on standing and ad hoc committees for the coming year. We have an especially talented and committed Board. Each will put their experience and enthusiasm into the roles they are entrusted with. One of the many common denominators among us is our commitment to the Club and a passion to dedicate our time to it. The year ahead will be one of hard work, dedication, objectivity and collaboration to meet the many goals before us and those that lie ahead. Together it is my sincere desire to unite in our common goals and build upon the history and foundation we are privileged to stand upon.

Your 2024-2025 Board and I, shall continue to maintain our total commitment to fulfilling both governance and oversight responsibilities. I am pleased to report that Boca West remains in excellent financial condition. For the Five Months ended February 2024, Net Operating profit was nearly $1.5M ahead of Budget. Strong Revenues in Food & Beverage, Catering, Golf, Racquet Sports and Fitness/Spa, as well as savings in Salaries and Wages due to delays in opening the Lifestyle Center and the effects of filling positions in this challenging labor market, have also contributed. As addressed at the Annual Meeting by past Audit Chair, Arthur Schwartzman and Legal Chair Jonathan Schraub, and in recent communications to our membership, the Board of Governors and Management will continue to keep the emphasis of our focus with the retained auditors, consultants and legal representatives in pursuit of continued analysis, compliance, validation of costs and ultimately to remedy and fairly conclude the completion of the Lifestyle & Wellness construction project.

While no one could have foreseen the onset of nor the repercussions of a worldwide pandemic that we endured and traveled through, we have not only analyzed quantitative and qualitative metrics and corresponding results, but have put forward additional procedures, protocols and engaged industry experts to further support management on current and future large-scale initiatives. The world has continued to change, expand and pivot and so must Boca West. We have also advanced communication as it will always be vital to keep the rumor mill at bay and our members informed with accurate information. We shall continue to keep you apprised through our various channels of communication.

Within our membership there continues to be a demographic full of experienced industry knowledgeable professionals. I encourage you to step up and consider joining the ranks of your Club, Village and Masters Association Boards, as well as, on committees. Management's vision and plans for future generations and our membership will continue to offer the very finest amenities and lifestyle. The future of Boca West is bright.

Together, your Board of Governors and Management will focus on the challenges at hand and work collaboratively to continue the vision of excellence Boca West is known for…providing the very best amenities, services and quality to our Boca West community, with an emphasis on exceeding expectations and accelerating member engagement, community outreach and in ensuring the enjoyment of the paradise we call *home*.

As Zig Zigler said, "Difficult roads lead to beautiful destinations." The best is yet to come.

Onward!

Jeanine Banks
Chairman of the Board & CEO
