PRESIDENT'S LETTER

Dear Member,

LET THE SUMMER FUN BEGIN! With our winter season winding down, not only are some of our Members departing for the summer, our international staff have started to depart as well, although some will stay through the end of June for the first time doing the H2B program. We are so proud of how well our team has worked together to execute yet another fantastic season, and we can't wait to have them home with us again in October!

Our Human Resources department has been hard at work over the past few months on our summer staffing, traveling the state and country attending job fairs and career fairs at various universities sourcing the best of the best. On May 20, we will welcome 20 university students who have been selected to join our Hospitality Management Internship, a 12-week rotational career learning experience combined with leadership training. The interns will have the unique opportunity to learn and practice the skills that will help them to develop into well-rounded leaders versed in the exceptional hospitality for which Boca West is renowned.

In June we will also welcome more than 15 J1 international employees from Ireland, as well as continue to onboard our local domestic staff. Thank you in advance for your patience as our new hires go through their onboarding training. Please welcome these new faces when you see them around the Club!

As our tradition continues, we hope you'll join us for the horse races; **The Kentucky Derby** on May 4, **The Preakness** on May 18 and **The Belmont Stakes** on June 8. Stop by to watch the race and enjoy special-priced craft cocktails.

Our **Mother's Day Champagne Brunch** will occur on Sunday, May 12 in Panache. I am always so excited to see all of you there as we celebrate the beloved women in our lives. Reservations are available by calling Dining Reservations, 483-6300. However, whether you spend it here or elsewhere, I hope you enjoy your special day surrounded by family and friends. Also make sure to save the date for our **Father's Day Brunch** on Sunday, June 16 in Panache.

Our **Memorial Day Weekend Celebration** plans are complete and include our holiday weekend Clam Bake dinner dance on Saturday, May 25, for dining and dancing all night long. The Memorial Day Cookout in the Grand Ballroom will be held on Monday, May 27. And don't forget to stop by the Aquatics Center for the planned children's activities. Of course, this is in addition to the activities planned throughout the Club, including the golf, tennis and Pickleball tournaments and don't forget our annual sale in both the Golf and Racquet Shoppes from May 24-27.

Last month we were fortunate enough to open both the Pilates Studio and the Lifestyle Center Locker Rooms. We hope you're enjoying the newly opened areas. Stay tuned for more opening information! We can't wait for you to see everything that's new at the Lifestyle Center.

For those who aren't aware, our **Lost and Found** department is located in Administration in the Country Club. Have you lost something? Have you found something? Let us know by contacting us at 488-6990. You may also post on the Club's Message Board on the website. Items are kept for 90 days and then donated to a local charity.

Our **Summer Guest Policies** in the golf, racquet sports and fitness departments go into effect this month. For complete details, please check the Club's website, contact the individual department or speak with a staff member in the Membership department and they will be happy to review them with you.

I wanted to remind everyone that animals are not permitted on Boca West Country Club property unless they are a registered service animal. This includes walking in the front or the back of any clubhouse and the cart paths on all four golf courses. Your dogs are welcome at the Members Park in the dog park section and the walking paths around the Community. If you have additional questions or want to register your service animal, please contact the Membership department 488-6934 or membership@bocawestcc.org

I receive complimentary letters from members frequently, regarding our Golf and Racquet Sports tournaments, dining throughout all the restaurants, fabulous events by our Activities department, and so much more. The biggest theme in all of these letters is **our Staff** and how they go above and beyond the call of duty to make Boca West your home. It's not always about what we say or what we do....for the membership – it's all about how we make **YOU** the member feel because that **"feeling"** is everything!

Please always remember that I welcome and encourage your thoughts, comments and suggestions. I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Music Bingo Gameplay
Our Music Bingo game plays just like classic bingo, but instead of players having numbers on their music bingo cards, they have song titles. And our fun and engaging Great Big Trivia host plays a minute-long song clip and "calls" the song title. Our playlists are packed with well-known hit songs, but even if players don't know the song title (or just can't remember it) they won't ever miss out! Our format is designed to keep the energy high and the game moving along at a fun pace.

Request through the Activities Department.

ON THE COURSES

Bob Lerner,
Golf Committee Chairman

I am proud to once again accept the responsibilities of Chair of the Boca West Golf Committee. I look forward to working with Dan Schulman, Vice-Chair, and continuing my work with Travis Wehrs and Jeremiah Lockhart from Golf and Agronomy Operations. Our primary goal, as I have stated numerous times, is to enhance the golfing experience and enjoyment for our members and guests here at Boca West.

The role of the Golf Committee is to advise the Golf Professional Staff of new and existing concerns and work together to come up with possible solutions for management consideration and if required, Board approval. I want to thank the 30 individuals who recently submitted their resumes and requests to be considered for this committee. Every member was qualified to serve but, unfortunately, the number of Committee slots is limited. I am confident that the Members selected will fairly represent a cross-section of all our golfers.

TOURNAMENTS

The Ladies 18-Hole and 9-Hole Member Guest Tournaments had wonderful participation and was enjoyed by all. Meg Botting and Daniella De Sousa from Golf Operations, and their entire teams are again to be congratulated on these wonderful events.

Governor's Cup Men's Division: We had 41 teams compete. Golf Operations congratulates our champions, Mo Wazir and Stuart Wish, who defeated Leon Solomon and Stephen Shloss 3 and 2. Stuart had a natural birdie on the 16th hole to secure the win.

Governor's Cup Women's Division: We had seven teams compete. Golf Operations congratulates our champions, Patti Roberts and Margie Tannenbaum, who defeated Susan Poryles and Myra Slepoy.

Presidents Cup: We had 36 men compete. Golf Operations congratulates Edward Zelnick who defeated Fred Kalk 3 and 2. What a coincidence that Ed Zelnick secured his win with a natural birdie on the 16th hole. All of our finalists mentioned to me that the final matches were exciting and well played. Next year the qualifying matches for the Presidents Cup and Club Championships will be held on the weekend so that those members who work during the week can have an opportunity to qualify.

We have a very busy and fun filled golf schedule for the summer months. Watch out for announcements pertaining to our interclub offerings, which are South County and the Emerald League. If you are not contacted directly by the members organizing these programs, please reach out directly to Golf Operations and we will make the introduction for you. Details pertaining to the Memorial Day (May 26) and the Independence Day (July 3) tournaments have been highlighted in our magazine and can be found on the club's app and website.

Here is a partial list of some topics that were discussed at our first Golf Committee meeting in April.

1. Course Condition: Bob acknowledged that as a result of our Agronomy Team's analysis of the Jan -March weather reality, they went on the defense earlier than planned, upped their fungicide program and raised mowing heights to improve turf health and quality. By doing this, we realized that there would be a short period of time where our courses would look stressed however, with the arrival of the warmer weather, we are now able to apply our growth regulators applications to increase green speed. With the commencement of the growing season, our courses are improving daily and as a result of Golf Operations forward thinking on our Agronomy issues, Boca West is not experiencing some of the issues that other courses are currently dealing with.

2. Video Presentations: In addition to our mandatory "Calling All Golfers Seminars," we will be producing several short videos on golf course etiquette, pace of play, and driving range safety protocols.

3. Golf Course Ratings Update: The "FSGA" (Florida State Golf Association) has completed the re-rating of Courses One, Two and Three and we expect to order our new scorecards shortly.

4. Tee Times: Continuing work is being done by Cobalt, our software provider, to rework and enhance our tee time system. We hope to begin testing the updates this summer and have it functioning by the beginning of next season.

Many of our fellow members have already or are preparing to return to their summer homes. Your Golf Committee and Golf and Agronomy Operations Team Members wish all our friends a safe, healthy and enjoyable few months away from Boca West. Be assured that work has already begun in creating another great golf program for the 2024/2025 season.

Thank you and see you on the links!

A NIGHT IN ST. BARTH'S

March 17, 2024

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

It is springtime here at Boca West and things are winding down for the season. This is my first article, and I am glad to have been chosen as Chairman along with my Vice Chair, Joan Attermann, of the Racquet Sports Committee has been my pleasure working with David Shifrin over the last few years and he will be missed. I am looking forward to meeting with Shifrin those of you I haven't already met and hearing about what we can do to make your experience at Racquet Sports even better. To that point, I want to thank John Joyce and his team for the hard work they put in to make the season here memorable and fun. This has been a banner year for all the Racquet Sports events where we introduced the Men's Singles Boca Cup with the winner being Roger Zenn. We also introduced an Intraclub Pickleball league (Kitchen Dinks League) which was well received with over 240 participants. This year's winning team was the blue team under the Captainship of Rob Zenn and Co-Captain Sandy Freedman.

It has been an eventful season with both Tennis and Pickleball championships ending last month. We had our 3rd annual Tennis Battle of the Sexes match in which Keith Neff and Joe Maguire, winners of the men's doubles club championship played Aimee Bieber and Jodi Becker the winners of women's doubles club championship on March 14 in front of a sellout crowd. It was a hard-fought battle with the ladies putting up a tough match but in the end the men prevailed (6-2, 6-3). Our congratulations to the winning team and we look forward to next year's battle.

Pickleball continues to grow, and I can't tell you how many times this season the 14 courts were filled with a long line of people waiting to play. We all look forward to when the Racquet Sports area gets updated with the addition of tennis and pickleball courts. The Pickleball Club Championships, played the weekend of March 23, were as exciting as they were last year with over 100 players participating.

Interclub League play was also very strong this year and many of our teams won their divisions. We want to thank all the captains for all their hard work and making the teams fun and exciting. If you are interested in playing or becoming a captain for either tennis or pickleball please call our staff at 488-6996. These are very rewarding experiences, and we would like you to consider joining and/or volunteering.

On a serious note, we have had more than what I feel are necessary behavioral issues this season. Remember, when you join a team, there is an expectation that you will participate, show up ready to play, and behave in a manner that represents Boca West positively. Teams are meant to be competitive, fun outlets for all involved. We love the spirit of competition that you all exhibit, but things are sometimes taken too far in these environments and end up getting out of hand. Please take time to think about this before the start of the new Season so we can all have a positive experience.

For those of you traveling away during the summer, we hope you enjoy it and for those of you staying we look forward to seeing you out on the courts. We are hard at work on next season's schedule of events so please look out for it over the summer. I would also like to take this opportunity to thank the 2023/2024 Racquet Sports Committee members that won't be returning this year for all their hard work. We look forward to next Season and the continuing momentum of this great Racquet Sports program!

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty-five (45) days in which to appeal the decision to the Board. Two Grievances will be presented.

Grievance 02-2024

This Grievance was submitted by the Chair of the Membership Committee against members for repeated violations of Club Rules and Regulations. Specifically, Rules and Regulations, IV, B,10, states that a non-equity homeowner, i.e., a nonmember guest, may not be day guest and may not use any activity or venue at Boca West. The Members offspring is a non-equity owner at Boca West and has repeatedly been asked to abide by Boca West Rules and Regulations. This Grievance was precipitated by the Member's offspring again using a Boca West venue.

The discussion at the Grievance Committee meeting was continuously directed to the fact that a non-equity homeowner does not have Member privileges, may not be a day guest, and is not permitted to use Club facilities for any purpose.

The Grievance Committee Recommendations to the Board of Governors:

1. One (1) year suspension of the Members from all venues, restaurants and activities at Boca West.
2. In the event the non-equity unit is sold the suspension will be terminated.
3. Letters of Apology to the Board of Governors and Mathew Linderman, COO, President, and General Manager.
4. Appropriate letter to be placed in the member file.

The Board of Governors agreed with the recommendations of the Grievance Committee.

The Members appealed and the suspension was lifted based and in reliance on the following:

1. The written commitment of the equity Members to abide by all Rules and Regulations of the club and specifically for the non-equity Member offspring to cease totally all presence or activity on Club premises.
2. The receipt of apology for violation of Club rules.

Grievance 03-2024

This Grievance was submitted by the Chair of the House and Activities Committee. The Member was alleged to have violated Bylaw Article X, Section 10.02 with repeated rude and disrespectful behavior towards Boca West Staff. Hostile, rude and gratuitous behavior has been documented by Management on several occasions. At the Grievance Committee meeting the member described herself as extremely knowledgeable about Boca West Rules and was taken aback that anyone would describe her behavior as less than exemplary.

The Grievance Committee recommendation to the Board of Governors:

1. Three-month Suspension, while in residence, from all Boca West venues and activities.
2. Letters of Apology to the Board of Governors; Matthew Linderman, President, COO, and General Manager; and to Felipe Murcia, Clubhouse Manager.
3. Appropriate letter to be place in the member file.

The Board of Governors agreed with the Grievance Committee.

The Member appealed and the terms of the suspension were reduced to six weeks, while in residence, followed by a two year probation period. Any further violation of Bylaws will necessitate a return to the Grievance Committee with the recommendation of the maximum penalty suspension of two years, while in residence.

LET'S CONNECT

By Barry Roberts,
Communications & Marketing Committee Chairman

I am pleased to be serving our members as Chair of the Communications and Marketing Committee for the 2024-2025 season. I look forward to working with Vice Chair Robin Shulman, Kathy Kohlhepp, our Director of Communications and Marketing and the members of the Committee. We will work together to ensure members get the information they need in the most efficient and effective way possible. Our responsibilities include oversight of the Club's App and Website, email messaging, the Boca West magazine, our presence on social media platforms such as Facebook and Instagram, the digital signage displays throughout the club and our closed-circuit television station, Channel 9000 on Hotwire as well as any other internal communications and marketing that reaches our members for all areas of the Club.

Over the past few years, the App has become an invaluable tool for our members to learn what options they have on any given day for participating in the myriad activities and dining options available. Registering for activities, requesting tee times, court times, fitness appointments, salon appointments or dinner reservations can all be done through the App which is constantly being updated based on your feedback. Information from last month as well as current charges are available under Member Statement. I encourage you to spend some time exploring the App and I can assure you that you'll find something useful you didn't know was there! Scroll across if there's a header on the top of a page, tap your photo in the upper left corner of the home page, tap the bell on the upper right corner of the home page.

Keep an eye out for our monthly email reminder about the FAQ/Videos section on the Club's website. Please take a few moments if you're new to the Club and/or need a refresher on how to navigate our App and Website. The short step-by-step **How-To Videos** were created to assist you to navigate both the App and Website. This feature is available on the mobile and desktop website.

Let's stay connected! Communicating is a two way endeavor and we would like to hear from you. Please let us know what questions or suggestions you may have. What would you like to know more about? What would you like to see included in future updates of our App and Website? How can we communicate better? Your ideas are always welcome as we are always striving to reach the next level. CHAIRMAN'S LETTER

On behalf of the Board of Governors and Management, let me begin by congratulating Danny Bejarano on his recent election as President of the Boca West Masters Association (BWMA) and Liz Rome, Marc Grumet and Ruth Molina to the BWMA Board. We look forward to furthering the mission and success of the Joint Venture, approaching its fifth year, and to continuing to enhance our mutual dedication and collaboration for the benefit of our Boca West community.

What a busy and exciting start to Spring it has been. Our Annual *"Tanglewood at Boca West"* event featured a Symphonic Jazz performance of the Lynn University Philharmonia and was attended by 1,750 members. As is tradition, the event was held under the stars with nearly 60 talented music conservatory students providing symphonic arrangements, a Jazz Quartet and spectacular fireworks! What was once a "close to the Season" is now the entrée to many more months of enjoyment for countless members who reside here year-round, and still many more who spend part of the Summer away only to return to enjoy all that Boca West has to offer. I had the pleasure of interacting with so many members at Tanglewood, including Dorothy Bucksbaum, Past Chairman of the Board. Dorothy served Boca West from 2005-2007 and was the first woman elected as Chairman & CEO. She contributed her time and talents with a special flair. Thank you, Dorothy!

Tanglewood 2024 with Dorothy Bucksbaum

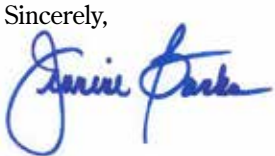

With regard to the coming year, the Board is committed to fulfilling its governance and oversight responsibilities, serving on the Audit, Budget, Finance, Human Resources, Legal, Long Range Planning, Joint Venture and IT committees. Our Standing Committees, of which membership participates, include Communications & Marketing, House & Activities, Lifestyle & Wellness, Golf, Membership, Racquet Sports and Retail. Board of Governors serve as Committee Chairs and along with Department Managers, have commenced their collaborative work establishing committee goals and planning monthly meetings with their respective committees.

We welcomed 14 members to the Leadership Program, now in its sixth year. My thanks to this year's Co-Chairs, Phil Edwards and Bill Berkowitz and our gratitude to Howard Liebman, Jerry Glassman, Lane Klein, Bob Locke, Frank Richard and Matthew Linderman for developing these sessions. As a "graduate" of its first year and a former Leadership Co-Chair, I can attest to the Leadership Program being a true differentiator of Boca West. Its purpose is to provide an educational forum that encompasses key topic components such as governance, the Club's business model, organizational structure, budgeting process, financial reporting, Joint Venture collaboration, real estate, marketing and planning initiatives, philanthropy outreach and human resources among others. Our hope is that through this Program, members will become Ambassadors and may also consider serving on committees or pursue board involvement at the Village, Masters or Club level. Congratulations to all of the past graduates and a warm welcome to the 2024-2025 member participants. We look forward to getting to know you, sharing the curriculum and to your contributions and ambassadorship in the coming years.

I am pleased to share that several members who participated in Hope Week are continuing to volunteer in a multitude of charities. We are quite thankful for all you do. One such example are the efforts recently put forward to further assist the growing needs of Boca Helping Hands. I'd like to thank Enid Hoffman, Board of Governor for giving her time to this charity over the last several years. In the past few weeks, eight additional members have volunteered on Thursday and Friday afternoons prepping meals. In addition to meal prep, food is packed in containers which are then distributed to individuals throughout the Boca Raton community - over 500 meals daily on these two weekdays alone. If you are interested in volunteering for this opportunity or for any of our deserving *Boca West Children's Foundation or Hope Week* charity partners, please email me at jbanks@bocawestcc.org and I will route your request.

In closing, I'd like to wish our members and their families a very Happy Mother's Day. Whether you're a Mom, Grandmother, Stepmom, Foster Mom, Spiritual Mom, Mentoring Mom or Furbaby Mom, the love "Mom's" unconditionally give is to be cherished and so needed in our world today. As Helen Keller said, "The best and most beautiful things in the world cannot be seen or even touched…they must be felt with the heart."

Sincerely,

Jeanine Banks
Chairman of the Board & CEO
