PRESIDENT'S LETTER

Dear Member,

LET'S CELEBRATE SUMMER TOGETHER! I hope you're able to participate in all, if not many of our activities and events we have planned this Summer. We look forward to keeping you busy all year long! And that means this issue includes a lot of what you need to know.

We kick-off June with the golden age of Rock and Roll: Shake Baby Shake Dinner and a Show. This Fourth of July weekend, join us for a "Hoedown" Dinner Dance and our Fourth of July Smoker Cookout with live music from Jill Hickey. Plan to join us for the **156th running of The Belmont Stakes** on Saturday, June 8 at 5pm in Grand Central. We'll be playing the race on the big screens and serving delicious specialty cocktails created just for this occasion! And let's not forget Golf has a full schedule of tournaments planned and Racquet Sports will put on their annual tournaments as well. There are lots of new programs to participate in this Summer.

In our March magazine we introduced **LIVE WELL at Boca West**. Embark on your journey to **Nourish Well** with healthy fuel for peak performance, **Connect Well** with your community for a greater sense of belonging, **Move Well** to sustain mobility, **Focus Well** for mental clarity and inner peace, and **Recover Well** for optimum rest and renewal to promote a virtuous cycle. As we open the Lobby of the Lifestyle Center, you will be introduced to our new Live Well Concierge desk which is located in the hallway between the Fitness Center and the Locker Rooms. This will be your go-to spot for you to better understand what's going on around the Club and our programs to help you on your journey to Live Well. I hope you have been participating in some of the new **LIVE WELL programming: from the Lunch and Learn Series to Full Moon Yoga on the Oasis Lawn and Ballroom Dance Lessons** to name a few.

New this Summer we are excited to launch our first **Wellness Retreat** from June 20 -23. We will have a Summer Solstice Sound Bath with burning bowl ritual for letting go, additional yoga activities to celebrate International Yoga Day (including our popular Full Moon Yoga), Spa treatments and daily access to the spa facilities, a Cardio Drumming Class, a trip to Morikami Japanese Gardens, and many more wellness inspired activities! Members will have the option of joining these activities and events for the entire retreat or a-la-cart. Please look out for emails for more information on the retreat and the LIVE WELL programs. We hope to see you there!

Last month, it was all about our "Moms", and this month, **we celebrate all the special men in our lives, our "Dads", with a Sunday Brunch on June 16 in Panache**. Brunch will include all of Dad's favorites, a lunch and dinner special, and a complimentary bloody mary just for him!

This month we begin construction of **The Studio (our Art and Epicurean inspired Venue)** located with access through the Golf and Activities Center. The majority of the construction will be behind the scenes in our Engineering building where there is no Member usage today so there will be limited to no disruptions to Member activities. The first phase of this project will be the conversion of the golf simulator area within the Ladies Golf locker room, that will be converted to storage and walls will be constructed to close it off. This new storage area will be used to relocate items that need to be moved from the location of the new studio. The noise during this first phase will be minimal with the concrete cutting and breaking through the walls will be done in the evening hours. As a reminder, our plans for **The Studio** will accommodate classes for virtual as well as hands-on education, arts and crafts, culinary instruction as well as tastings for wine, scotch whiskies and everything in between. In addition to so many other ideas we have in the works, we look forward to using this area as a place to reintroduce our Grapevine Wine Club and our ever-growing Culinary programs featuring visiting chefs and winemakers. This area will be completed by early 2025 with the goal of using this space before the end of this upcoming season.

By now you will be seeing many new faces around the Club. As I've mentioned before, we have Hospitality Management Interns from Universities around the Country as well as J1 students from around the globe. Thank you in advance for your patience with our Staff as we transition with our International Staff departing and our new hires as they are getting trained.

The budgeting process for 2024/2025 has been in full swing for several weeks. This has been yet another challenging year, but I assure you that your Budget Committee and Department Heads have been working hard to present the Board with the best budget possible, all without sacrificing the exceptional quality of service you've come to know here at Boca West.

Our behind the scenes work has begun this month with our annual repair and maintenance in all of the restaurants and areas throughout the Club. Every year, we close each building for a period of time during the summer months for upkeep while business is slower so not to disrupt your daily schedule. We are also finalizing pricing for painting of the Country Club building and the Golf and Activities Center exteriors, with a goal of completing the work this Summer. Once we have more information we will share the details of timing and impact to the Membership. We will continue our work in all areas of the Club to make sure we look our best and are always in tip top shape! Watch your emails for updated dining schedules and our weekly email of "This Week at Boca West".

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club, and look forward to seeing you around the Club.

Wishing all Fathers a very Happy Father's Day, and all of you a spectacular Fourth of July holiday.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

GOLF UPDATES

We have concluded our 2023-2024 end of golf season evaluation and would like to share some initial thoughts around some of the potential changes on the horizon for the upcoming season.

TOURNAMENTS

If a qualifying round is required, it will be scheduled for a Saturday or Sunday to ensure the ability of our working members to participate and will look to schedule no more than one tournament round on a weekday. In addition, we are evaluating different tournament formats in the hopes of increasing participation. Any and all changes would be outlined clearly in our Tournament Book.

EVENTS

We are considering the following new events as part of our upcoming season:

Mixed Member/Guest

Due to dwindling participation, this event was dropped from the schedule several years ago, but we are discussing adding it back in. Based on both member requests and the current demographics of our membership, we feel strongly this could be a successful tentpole event in the upcoming year.

Member/Staff Tournament

Many of our golf operations team members are skilled golfers from all over the world which provides an exciting event opportunity. Potentially, we may ask members to arrange a threesome to which a member of the golf operations team (chosen at random) would join to complete the foursome. Although the field would be limited based on staff availability, we've received numerous requests from our membership to try to make this a reality.

Tournament of Champions

We are considering curating an event in which all our champions & runners-up would be invited to participate in an exclusive event.

Play-for-Pink

Our Play-for-Pink subcommittee is already hard at work making some very exciting changes as we look to expand this meaningful event.

Guest Days

Recognizing that many of our members want to host multiple guests on a given day, and we have been unable to accommodate them at a reasonable tee off time, we are moving in the direction of designating a few weekend days during the season as "guest days."

On such a day, one entire course would be reserved for golf members who are hosting more than one guest. We will communicate the guest day dates as soon as we finalize our calendar, so members have ample time to plan.

AGRONOMY

The re-grassing of course two and short game practice area is moving forward as planned. The entire course two facility will be closed late June and is scheduled to reopen early November. We anticipate that when completed, golfers will immediately be able to drive on the fairways.

Re-grassing of Dye IV is being planned for 2025.

SUMMER GOLF RECIPROCAL

Due to the Fazio II re-grassing project, summer maintenance schedule, and an increase in member play during the off-season we've made the difficult decision to not enter into any reciprocals with neighboring Clubs. Rest assured that if and when you would like to play a nearby Club in Palm Beach County, do not hesitate to call the Professional Golf Staff. We will do our best to accommodate.

GOLFERS SEMINARS

As of May 1, over 600 members have attended these seminars. The seminar schedule has been distributed to our members and will continue to be sent out for the balance of this calendar year. Travis is holding training sessions with his team members on how best to handle rule incidences if they occur on the course. These rules went into effect April 10, and we've already seen much improvement. We ask that everyone remain diligent when it comes to pace of play, raking traps, filling divots, repairing ball marks and appropriate cart distance of at least 15 feet from traps and lakes.

On behalf of the Board of Governors and Golf/Agronomy operations teams, I want to welcome each member of the 2024/2025 golf committee and thank them in advance for their time and dedication to continuing to create a best-in-class experience for our membership at large.

They are Dan Schulman (Board Member and Vice Chairman), Carla Schraub, Irving Jainchill, Jack Roth, Jeff Baltimore, Jeffrey Getelman, Larry Gulko, Lela Cannon, Marc Blitstein, Mark Gold, Morris Maybruch, Rosetta Melchior and Susan Osten.

In closing, I wish everyone a lovely summer and for those members not at Boca West, we look forward to your return in the Fall.

Thank you and see you on the Links!

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

We had one of the best Racquet Sports Awards dinners of recent memory with over 300 people and took over most of the main ballroom. Next year we are planning on taking over the entire ballroom with a much larger dance floor. Awards were given out to the tennis and pickleball club and league champions. A good time was had by all with again great music and food.

I talked about the growth of Racquet Sports at the awards dinner and wanted to share my findings with the rest of the membership:

2021 – 2022 Season:
Total Members that used the courts: 1,006

2022 – 2023 Season:
Total Members that used the courts: 1,712 (160% increase over 22)

2023 – 2024 Season:
Total Members that used the courts: 2,566 (166% increase over 23)

These numbers show how many members have been using both tennis and pickleball courts over the last three years. The growth numbers are substantial, and it looks like it is only going to continue to grow. The phenomenon that once was Pickleball is clearly coming into its own and is here to stay. We also continue to have a tremendous number of crossovers between tennis and pickleball, which is showing a major resurgence in this area. We are very excited about the growth of our sports and that people are choosing to come to Boca West because of our facilities. We are looking forward to the refurbishment of our Racquet Sports facilities in the coming years to keep up with the growth.

After thanking last year's racquet sport committee last month, I want to welcome the new one. We had our first committee meeting, and I am very excited to be working with such a varied and accomplished tennis and pickleball group. We have some new additions and some returning members. They all will be a welcome addition to the committee.

As for summer activities on the courts, Memorial Day events are scheduled for May 25 and 26 (tennis and pickleball respectively), Independence Day on July 6 and July 7, and August 1 and September 1 for Labor Day. Don't forget the Boca West Children's Foundation clinics that will be held in June. It's both great fun and gratifying to interact with these delightful, enthusiastic kids.

If you have any questions or suggestions, please feel free to reach out to Steve Roth, Chairman or Joan Attermann Vice-Chair. Thanks, and if you are leaving us this spring for other parts of the country, please have a safe and fun summer.

Welcome to Summer at the Lifestyle & Wellness Center!

Robin Shulman, Lifestyle & Wellness Committee Chair

We had a great month last May with the new Core Studio opening and the start of TRX Classes, as well as celebrating National Walking month.

Don't worry – there will be plenty of activities for those of you sticking around this summer!

Full Moon Yoga, Ballroom Dance Classes and Socials, and classes in the Movement Studio, Cycling Studio and Aquatics Center will all continue throughout the summer.

In June, look for Boca West's first Lifestyle & Wellness Retreat from June 20-23. The Retreat will offer something for everyone, from Sound Baths, celebrating International Yoga Day with Full Moon Yoga, and much more – both on and off campus. You will be able to participate on an a la carte basis, or by choosing the full package which will include access to our Spa Facilities.

Our renovations are moving along, and we will soon see the opening of the Spa Garden, which will be available to users of the Spa Facilities, when you book one or more of our wonderful Spa Treatments. Think about spending the day at the Spa – you will be able to relax in the Spa Garden, and even have lunch delivered to you from Market Square! There will be a Treatment Cabana, Thermal Pools, and plenty of space to relax and lounge.

We will be launching the Spa Garden with an opening event this summer, so keep your eyes open for our announcements!

We look forward to seeing you this summer – Lifestyle & Wellness Center will be THE place to be – cool off in Aquatics, work out at the Gym, or relax at our Spa.

LET'S CONNECT

By Barry Roberts,
Communications & Marketing Committee Chairman

HAPPY SUMMER! Whether you're with us in Boca or have travelled to your summer home up north, I hope your summer season is off to a great start. This issue of the Boca West magazine is a great way to stay connected with what's going on during the summer months and an important informational tool to learn about all the activities available for our year-round residents. I'd like to thank everyone that responded to my article in the May magazine requesting input from our members on how we can communicate with you more efficiently and productively. Please keep sharing your ideas as your input is invaluable for us to reach our goal of keeping you informed. As I'm sure you've realized, as members, we have so many activities to choose from and so much to do that it's difficult to keep track or even make a decision on what to choose.

Email Preferences: Are you getting everything you need? Do you feel as though you're getting too many email messages from BWCC? Perhaps you should check your email preferences on the app or website. On the app, tap your profile photo on the upper left corner, then tap "Edit" in the box on the right side under your name. Scroll all the way down to "Targeted Marketing Opt-in Email Groups:" and be sure there's a check mark in the box next to each of the email groups to which you'd like to subscribe by tapping directly on the box. The process is similar on the website.

Update your Profile: Now that you've updated your email preferences, scroll back up the page and make any additional changes you deem necessary. Are you getting your statements and printed magazine at your summer address? Look for "Statement Preferences" and choose if you want to receive your monthly statements by mail, email, or both. If by mail, be sure you've chosen the correct address where it says "Address on Statement". Also check below that to be sure the magazine is being sent to your correct address during the appropriate time of year. While you're there, it's a good time to check and update other components of your profile. There are certain fields you will not be able to change yourself, such as your name, BWCC address, birthday and home phone number. If those are incorrect, please notify the communications department at communications@bocawestcc.org and your requested changes will be made.

Interested? When scrolling through your profile, please also notice the "My Interests" section as this is unrelated to the email preferences but can help you find members with similar interests. Be sure to place a check next to all of the subjects in which you are interested. Be sure to SAVE the changes. To filter the membership list by "interests", tap the "Member Directory" box on the home page of the app and then tap the three lines in the upper right-hand corner of the page to filter the membership directory by interest. If you use the website to do this, rather than the app, you would click on "filter by interest" on the right side of the page, scroll down to click on "apply" and you will get a more complete listing of each individual member's interests in their directory listing. Check it out!

Buddies: Are you using the Buddy List feature effectively? When searching for your friends in the membership directory, you can add them to your "Buddy List" so they're more easily accessible next time you want to contact them or include them in a reservation. When using the app, you can also add them to your phone's contact list by tapping "Add to Phone". Just be sure your app settings allow you to Add Contacts to Phone. You can also call members listed in the directory directly from the app by tapping the phone icon next to their phone number.

Important Club Numbers and email addresses can be found on the app by tapping that box on the lower left side of the homepage. You can then call or send an email right from the app by tapping the appropriate icon on the right side.

Want to learn more? Did you know there's a robust section of the website that contains answers to our most Frequently Asked Questions and How To videos? We are continuously adding new content, features and functionality to the website and the app. On the website (not the app), click on your profile photo and then scroll down and click on FAQ's/Videos for the most up to date information.

Let's stay connected. Communicating is a two-way endeavor and we would like to hear from you. Please let us know what questions or suggestions you may have. What would you like to know more about? What would you like to see included in future updates of our app and website? How can we communicate better? Your ideas are always welcome as we are always striving to reach the next level. Email us at communications@bocawestcc.org or reach out to me directly at biroberts@outlook.com.

Enjoy the Summer!

Danny Bejarano, BRMA President

Dear fellow Boca West residents,

Following my election in March as President of the Master's Board, I'm delighted to present you with my first *Message from the President.*

Firstly, I'd like to express on behalf of the BWMA board and our dedicated staff our thanks and appreciation to Elaine Wittlin for her truly exceptional service over the past six years, the last two of which, as president of BWMA. Elaine has instilled a culture of openness, collegiality and focus on the important issues that will guide us all over the coming years. In recognition of her extraordinary service Elaine was honored with the title of Chairman Emeritus.

Secondly, I'd like to introduce our three newly elected directors: Marc Grumet, Treasurer and chair of the Finance committee, Ruth Molina, chair of the Strategic Planning committee and Liz Rome, chair the Communications committee as well as the initiation of a Village Presidents' Roundtable. Welcome back to Jeff Greenfield 1st VP and chair of the Safety and Security committee and the Insurance committee, Steve Jonas, 2nd VP and chair of the Architectural Control and Special Projects committees and last but not least, Ronnie Pollard our Secretary, who continues to lead the Landscape and Maintenance committee. I'm truly fortunate to have such a great team sharing the responsibility of leading the BWMA.

Thirdly, I'm pleased to report that following the approval by the Village representatives of our two special projects. The new LED street lighting, and the remodeling of suites 101 & 102 in the Master's building are both now being implemented, under Michael Eustace and Steve Jonas' supervision. The lighting project will greatly improve nighttime visibility. The remodeling of our building will allow more room for safety and security personnel. This will include a larger more comfortable space for new members to receive their transponders and orientation. One of the features in the newly renovated space will be a much larger village conference room which will accommodate large group meetings for villages.

As we move forward with these projects, I will be reporting on the progress made, including cost and timeline for completion for each of them.

Lastly, I'd like to convey our best wishes to Jeanine Banks, Chairman and CEO and the newly elected board of the Boca West Country Club, we stand ready to cooperate and support the BWCC in every way we can for the benefit of all residents of Boca West.

HOUSE & ACTIVITIES COMMITTEE

By Arthur Adler, House & Activities Committee Chair

EVERYTHING YOU ALWAYS WANTED TO KNOW ABOUT DINING, ACTIVITIES AND EVENTS BUT DIDN'T KNOW WHO TO ASK!

Q: How are tables assigned for Events?

A: Tables are randomly assigned by our computer system.

Q: I have an idea for a new event or I have seen an excellent entertainer perform. Who do I send the information to?

A: All ideas and entertainers are always welcomed by the Activities Director. You may email activities@bocawestcc.org or drop off the information to the Club Services office.

Q: I know the Broadway Show program is very popular. Why can't we get tickets for everyone that wishes to go?

A: We do our best to secure as many tickets as possible due to high demand, however as a group, we are limited to how many we are able to purchase in desirable seating locations. We evaluate our ticket requests through August, then reach out to the Theater to see which shows we can acquire additional tickets. Our lotteries on our shows take place prior to tickets going on sale to the general public, so if you get wait listed for something you want to see, you still have a chance to get tickets yourself when they go on sale to the public.

Q: How does the reservation system to book a table to play cards work? What is the guest policy?

A: Reservations for card rooms may be made through email, the app/website or by dropping off a form in the Club Services office. Requests may be made up to one day prior of the day you wish to play by 8am and you will be notified of your status the day prior. Your status will also appear under My Calendar on the app/website. A lottery may be warranted if the number of requests exceed the number of seats available. Members must check in by 1pm for a reserved table during the day or by 7pm for a reserved table at night. Otherwise the tables will be released to walk ins. Men's and Ladies' locker room card rooms are available on a first come first serve basis with no reservations.

The guest policy varies depending on the days/times of the week. We do not permit guests during the day on Mondays or Thursdays as well as for Open Card play on Wednesdays evenings.

The Guest Policy will not apply to the Lifestyle Center when it first opens. Those card rooms will be reserved for Members Only.

Q: I will be here all Summer, which restaurants will be open?

A: For breakfast, Grand Central and Market Square. For lunch, Grand Central, Market Square and the Cabana. For dinner, Blue Point and Aria (when the facility opens) or Panache and The Living Room. Additionally, on Sundays only, Panache will be open for Breakfast, Brunch and Deli Night.

Q: I attended the Michelin Chef Inspired dinners in Prime Cut this year. Are we developing a new series for next season?

A: We are currently working on a new line-up for both these dinners and our tremendously popular Wine dinners.

BOCA WEST CHILDREN'S FOUNDATION

Through activities including the Camp Call at our Annual Golf Challenge, we raise funds to provide transformative camp experiences to "our" kids. These summer experiences directly enrich children's lives and make dreams come true for children in our community.

Your Foundation will fund seven summer camps this year:

- We will send children from the Boys & Girls Club to a two-week overnight camp. This experience is not just about fun; it's about fostering independence and teamwork. With sleeping bags and duffle bags in tow, these children are well equipped for a summer of growth.
- The one-week basketball day camp at the Boys and Girls Club, hosted by Ballstars and founded by retired NBA All-Stars Otis Birdsong and Micheal Ray Richardson, opens doors for up to 100 children. Here, children improve their basketball skills while learning valuable life lessons from the pros.
- FAU Band Camp gives 200 kids the chance to discover the magic of music under expert guidance. From learning instruments to performing in a grand concert, this camp is a symphony of learning and fun for everyone involved.
- Nat King Cole Generation Hope's Summer Strings orchestra day camp offers professional musical instruction to 100 children over two weeks. The camp concludes with a public performance, allowing these budding musicians to showcase their newfound talents.
- Our Boca West Pickleball Camp, a favorite of children and charity partners alike, continues to thrive. Over 100 children from Fuller Center and PROPEL receive coaching from our dedicated racquet sports team, led by John, Matt, Rob, Art, and Maria. With essential gear and lunch provided by the Foundation, this camp serves up a winning combination of skill-building and camaraderie.
- The YMCA swim program for children with special needs provides a safe and supportive environment for kids to learn and enjoy swimming. With specialized instruction and adaptive techniques, this program promotes water safety and confidence among participants.
- The JCC summer camp for children with special needs offers a diverse range of activities tailored to meet the unique needs and interests of every child. From arts and crafts to outdoor adventures, this camp focuses on inclusion, fun, and personal growth for all of its campers.

We look forward to sharing our full slate of activities for the 2024-2025 season as soon as they are finalized. For now, note that our 15th anniversary gala is on January 18, 2025 and our 13th Annual Golf Challenge is on March 24, 2025.

We thank all our donors and supporters for your continuous care and generosity!

Finance Report

Six Months Ended March 31, 2024

As I begin my second year serving on the Boca West Board of Governors, I want to express what an honor and privilege it is to represent the membership of Boca West. I have found my initial year on the Board to be challenging, but rewarding, understanding and navigating the financial and budgetary aspects of our Club. I want to personally compliment Kathy Campbell, our Club's CFO, and Kris Nielson our Club's Controller for their knowledge and deep commitment to the best interests of Boca West.

With over 700 home sales the past three years, our new members have contributed to an extremely active season. Revenues for Golf Operations, Racquet Sports, Fitness, Food and Beverage have all exceeded both budget and prior year numbers. Increased catering events have also contributed significantly to our bottom line.

Operating Results:

As recently reported by my predecessor Frank Richard at our Annual Meeting in February and reiterated by our Chairman Jeanine Banks in the April magazine, our Club remains in excellent financial condition and that continues to hold true through the first six months of this fiscal year. Results of operations for the six-month period ended March 31, 2024 are significantly ahead of budget as a result of the aforementioned revenue increases, as well as, large positive variances in wages and fringe benefits due to unfilled positions in various departments throughout the Club. The late opening of Market Square and the Aquatics facility in December, as well as, the continued delay in opening the remaining areas of the Lifestyle Center has facilitated some of these savings.

Cash Balances:

As of March 31, cash on hand this year was $6.5M compared to $9.2M last year, however, the outstanding balance on our line of credit this year was $15M compared to $31M last year. Expressed another way, our bank debt in excess of cash was $8.5M vs $21.8M last year or an improvement of over $13M.

Other Matters:

Home sales continue on pace similar to last year. Net joining fees from new members were $4.2M this year through March compared to $3.2M last year.

During the first six months of this fiscal year, 15 members have not paid their dues compared to 23 last year and a budget of 25. In addition, during this period we have had a net increase of 3 equity memberships, resulting from the conversion of non-equity and non-performing units. These positive results can be attributed to the efforts of our Joint Venture with the Boca West Master Association.

CHAIRMAN'S LETTER

As I look back on the past several months and a close to Season, I must admit time has gone by rather quickly; yet with such positive momentum. This calls for a moment of reflection, gratitude and a glance at what's to come.

I'd like to thank our members for your kind wishes and expressions of support. Many of you have reached out to me personally to share your thoughts. I truly welcomed our conversation and have enjoyed meeting with you; listening carefully to your concerns, experiences, as well as the love you have for Boca West. While we strive for perfection, there is always room to grow and situations to learn from. Sitting together over coffee and interacting with you throughout the Club has been a wonderful experience. Your candor and your support equals trust and for that we thank you. I have felt the ***"heartbeat of Boca West"*** from you, our members, at a very different level; it is an incredible energy source which inspires me and enables us all to grow upon.

As we enhance and foster communication among membership, my focus is on furthering the support of our global community, goals and mutual interests. On April 30, leadership from the Club and the Boca West Masters Association met to review progress and reaffirm our commitment to work collaboratively, through what has been more commonly referred to as the "Joint Venture" or ***Boca West Community Advisors***. Matthew Linderman, Michael Eustace, Danny Bejarano and I look forward to actively working together with our Boards to strengthen the partnership and its positive outcomes over the coming year.

Our Board of Governors have steadfastly worked alongside me and Management. They have demonstrated their dedication, engagement and passion to work together, define goals, support the Club and represent our Members. I am very proud to work with each of them and look forward to bringing our annual goals to fruition. June will be an especially busy time working together on various initiatives, including the review and approval of the 2024-2025 Operating Budget. Upon Board approval, the Dues Renewal will be mailed to the membership in early July. We commit to a prudent review, while ensuring its scope encompasses an ever-growing trend of full-time members in residence, various economic impacts, projected forecasts and meeting member expectations throughout the upcoming fiscal year and for the new Season. In addition, I'd like to take this opportunity to update you on the status of the TAA review request that our accounting firm sent to the Florida Department of Revenue regarding the proposed tax exemption on dues. At the time of this writing, we are awaiting certain clarifications. We will notify the membership via email communication once we receive a clear and final ruling.

I do hope you have enjoyed this past Season and that you will take time this Summer to refresh, renew, travel and enjoy precious time with family and friends. We look forward to seeing members who will stay this Summer, and welcome back Members who may decide to return to us to enjoy our exciting Summer schedule and beautiful amenities.

Lastly, a very Happy Father's Day to all those who are blessed to be called Dad, Grandfather, Step-Dad and especially to so many who give of their time, guidance and hearts as *Fatherly Mentors*. As a strong proponent of mentoring and community outreach, we may never know the impact of the investment we make in others — but what we do know is that it makes a difference. Dr. Seuss said it best - *"To the world you may be one person, but to one person you may be the world."*

Enjoy Summer!
