

TENNIS

FACT SHEET

Tennis courts are open every day starting at 7:30am

The status of the courts (wet or dry) is posted each morning by 7:15am on the Boca West App/Website and the Boca West Community channel. To check the status on the App, go to "Today at a Glance" on the homepage and go to the tab labeled "Racquet Sports." This is the easiest and fastest way to check. Make sure to refresh the page by going back to the homepage and back into "Today at a Glance."

TENNIS GAME ARRANGING

Tennis Game Arranging is one of the greatest features of our program. All Racquet Sports/Golf members are allowed to participate once they have had a complimentary evaluation with one of our teaching professionals. Once we have gotten to know you, we will set you up in a doubles game with people of your ability level. This is an easy and great way to get to know your fellow members and get out on the court without the hassle of scheduling your own game. Registration opens two days prior at 8am and play is every day but Sunday from 9am-10:30am.

LESSONS

Lessons are available to be booked online via phone, or in person with the pro shoppe staff up to 60 days in advance. You may book a lesson by yourself or share with other members. The price is per hour regardless of how many people are in the lesson (1-4 people).

1.5 Hours	$145
1 Hour	$95
30 Minutes	$50

OTHER EVENTS

The club hosts tournaments year round for members of all levels to participate in and they are typically in a round robin type format. Aside from tournaments, there are complimentary professional exhibition matches, social dinners, ball machine clinics, and more! Please refer to our master calendar of events for a detailed view at all that goes on here at Boca West Tennis.

LEAGUES

We have inter-club leagues for both men and women of all skill levels. These are traveling teams that compete against other clubs in the area. Men's teams usually play on Tuesdays or Thursdays and women's teams on Mondays and Fridays. We also have a singles intra-club league for both men and women of advanced playing ability. Please contact the pro shoppe to learn more about our leagues. You must hold a Racquet Sports/Golf membership in order to participate.

BALL MACHINES

There are two tennis ball machines available for members. These are a great tool for perfecting your game or even just getting a good workout. Machines may be reserved like any other court but for a maximum of one hour. We host two ball machine clinics a year to demonstrate the uses of the machine. For more information or to reserve, reach out to the pro shoppe staff.

SERVICES

The pro shoppe offers stringing services for all, typically with a one to two day turnaround time. If you bring your own string, stringing is $12 plus tax, but if you purchase the string at the shop, it is complimentary. If you are unsure about what's best for you, speak to one of our professional staff members and they will make a recommendation tailored to your game.
