PRESIDENT'S LETTER

Dear Member,

WITH ALL OF THE EXCITING EVENTS HAPPENING AROUND THE CLUB, IT'S HARD TO BELIEVE THE HOLIDAYS ARE RIGHT AROUND THE CORNER! Please be sure to submit your dining requests before the deadline dates to be included in all the assignments for our upcoming holiday dinners and celebrations. If you have any questions, contact our Food & Beverage Reservations department at 483-6300, and they'll be happy to assist you.

Our new **Spa Garden** opened last month, and it is spectacular! This new addition is a serene and relaxing garden with an outdoor wet area with relaxing water features, lounge chairs and cabanas for outdoor massage treatments and lunch seating to enjoy a spa inspired meal before or after the next treatment. Please be sure to read the Lifestyle and Wellness article for information on all the **Live Well programming** - Full Moon Yoga, meditative sound baths and ballroom dancing, to name a few. Also *New and Now* – **Blue Point Firepit Terrace** is a wonderful venue for Lite Bites and Libations. To enjoy, please check in with the Blue Point Hostess team. **The Studio**, our Art and Epicurean venue space, that is currently under construction, is on target for an end of January 2025 opening.

Last month we kicked off the peak season in true Boca West fashion. From our two-night Season Opener event, **Velvet Underground**, to our **Thanksgiving dinner**, this year we had record breaking reservations for each of these events. As always, thank you to our incredible Activities, Food and Beverage and Catering rock star teams for bringing these events to life and finding creative ways to accommodate as many of you as possible. Let's not forget about the much anticipated **Golf and Racquet Sports opening weekend events**, the energy and excitement was truly contagious! It is amazing to see our Club fully being used and enjoyed by Members, friends and families.

Don't forget it's all about the **kids this holiday season**. We'll have something for everyone with new activities added to the lineup. Be sure to pick up a **Holiday Calendar of Events** brochure, now available throughout the Club, as well as being posted on our Member app and website. Our golf and racquet sports events for the kids are sure to be a hit. And whatever you do, don't forget to stop by our Carnival and Street Fair on Sunday, December 29 from 4-9pm. Once again it is going to be the highlight for all the families.

SCAN ME

The month of December also means the opening of **Prime Cut**, and you are in for a real treat this year! Chef Paul along with his team have developed several sensational new menu items and we have incorporated some new concepts that I know are going to be a big hit! Many of you have already experienced lunch and dinner in **Blue Point**; and based on usage and the overwhelming positive comments, you are loving the menu and ambiance of the restaurant and has quickly become the hottest place in Boca Raton. Be sure to include **The Living Room** and **Aria Bar** + **Rooftop** for Lite Bites, very popular venues, in your upcoming evening plans, come and enjoy the nightly entertainment along with delicious food and drinks. Be sure to stop by **Market Square** for our new feature, *Wines by the Glass*, we'll also be hosting wine tastings throughout the season. I hope you are taking advantage of the **"Heat and Serve" offerings from the Market** with sushi to go, soup of the day, dinners to go and so much more. Its so easy to stop in and grab some items from the coolers. Need a hostess gift? For your convenience, the Market also has pre-made baskets and platters for you to pick up, or speak to the team for their assistance in creating your own.

If you have already stopped by the Lifestyle Center on a Tuesday, please do so soon! We have our weekly Farmers Market located under the Lifestyle Center Porte Cochere and outside the Market from 10am-2pm. Stop by and support local artisans and farmers while enjoying a delightful shopping experience. Shop fresh produce, handmade soaps, baked goods, flowers, healing crystals, jewelry, arts, and more from our amazing vendors.

I'm excited for our third annual **HOPE WEEK**, *scheduled for January 27 – February 2, 2025*. It's another great opportunity for our membership to learn about the various philanthropic organizations supported by our community. Our hope is that you'll engage with our valued community charities. The Literacy Coalition of Palm Beach County has been added as a charity to the line-up this year as well as our very own Boca West Children's Foundation. A brochure outlining all the opportunities is available in the Club Services office and at the reception desk in the Country Club. Watch your emails for all the details as well!

Get ready to experience the excitement of the **2025 Miami Open Tennis Tournament** like never before! The Activities department was able to secure a discount for all Boca West Country Club members at **20%-30% off** your online ticket purchases for this event at the Hard Rock Stadium. Don't miss your chance to see the world's best players compete in this premier tennis event!

As a reminder, animals are not permitted on Boca West Country Club property, unless they are a registered service animal. This includes walking in the front or the back of any clubhouse and the cart paths on all four golf courses. Your dogs are welcome at the Members Park in the dog park section as well as the walking paths around the Community. If you have additional questions or would like to register your service animal, please contact the Membership department, 488-6934 or membership@bocawestcc.org.

My family, Yamile, Alexa, Sophia and I, along with your wonderful staff wish you all a happy and heartfelt **holiday season and a happy and healthy New Year**. As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club. See you around!

Sincerely,

When dining with us that evening, you will sample the wine selections being offered at your table. You will then receive your choice of a complimentary bottle of wine, per table, chosen from one of the evenings' tastings.

More than 80% of the wine made in the USA is made in California, making it the fourth largest producer of wine in the world, coming in behind Italy, France and Spain (who, combined, make more than half the wine produced in the world). California wine regions run the length of the state, and wine grapes are grown in 49 of California's 58 counties. Chardonnay is the most widely planted white grape and Cabernet Sauvignon is the most widely planted red grape.

Let's dig into California's AVA's: California wine country currently has 150 American Viticultural areas or AVAs. These are delimited, geographical grape-growing areas that have officially been given appellation status by the Bureau of Alcohol, Tobacco and Firearms. AVAs show off the diversity and quality of the wine region. Each American Viticulture Area has a distinct "persona" that divides it from the other AVAs. The distinct "persona" that divides it from the other AVAs. The distinct "persona" is mainly categorized by climate, geology and elevation. No surprise Napa Valley is the original California AVA. For a California wine label to display an appellation name, 85% pf the fruit in the wine must come from that appellation. We typically think about regions, which can include multiple AVAs, to help group wines by geography and terroir.

No need to introduce these wines, enjoy what California has to offer.

COMEDY NIGHT WITH JOE STARR

Thursday, January 30

The entertainment bug bit Joe early. By 15, he was in comedy clubs learning from legends like Pat Cooper, Robert Klein and Jay Leno, who quickly recognized Joe as a natural talent. Acting was a natural progression for Joe, which led to guest starring roles in many movies and television shows, catching the attention of both Oliver Stone and Steven Spielberg. Most recently, along-side comedy giant Kevin James, Joe starred as Enzo, a breakout character on the smash CBS sit-com "Kevin Can Wait." As passionate as he is about acting, stand-up will always remain Joe's first love. In between headlining comedy clubs and festivals across the United States, Canada & Europe, Joe set a record at the largest comedy fest in the world - The Montreal Comedy Festival - by returning five years in a row. He was labelled as "An old school Comedian with a modern-day sensibility". Joe Starr wears the title 'old soul' with pride as it was none other than Comedy legend, Jerry Lewis, who gave Joe the title of "The youngest old man in Show Business."

ACTIVITIES LECTURE

Resilience: More Than Just Bouncing Back
Presented by Dr. John Dyben, the Chief of Research and Innovation for Hanley Foundation

Tuesday, January 28 • 7pm, Golf & Activities Center
$15 per person

Request by: January 14; Cancel by: January 21

Resilience isn't just about snapping back to "normal" after a setback. It's about harnessing the human capacity to adapt to the ever-changing landscape of our lives. But not all adaptations are created equal. Sometimes, in the face of challenges, we develop coping mechanisms that, while providing temporary relief, ultimately hold us back. We might withdraw from social situations to avoid anxiety or turn to unhealthy distractions like overeating or substance use in the wake of trauma.

True resilience, however, is about more than just getting by—it's about adapting in ways that empower us to not just survive but to thrive. It's about transforming our challenges into opportunities for growth, finding strength in adversity, and aligning our actions with the person we aspire to be. Resilience is a dynamic state, a continuous journey of becoming truer to ourselves, even in the face of life's toughest trials.

Cold Crematorium: The "Lost" Holocaust Masterpieces presented by Alex Bruner

Tuesday, February 11 • 7pm, Golf & Activities Center
$15 per person

Request by: January 13/Cancel by: February 3

When veteran journalist, poet, and novelist József Debreczeni arrived in Auschwitz, he was "lucky" to be sent to a life of slave labor rather than directly to the gas chambers. He survived, and after the war wrote *Cold Crematorium*, which one reviewer called "the harshest, most merciless indictment of Nazism ever written."

The work was first published in Hungarian in 1950 but was never translated into a world language due to McCarthyism, Cold War hostilities, and antisemitism. Until now! In January 2024 it was published in English, and within a year it will be available in 16 languages around the world. The reviews have been outstanding.

Alex Bruner, the author's nephew and a child of Holocaust survivors, will discuss the historical and family context for his uncle's deportation to Auschwitz and describe the author's hellish journey through multiple slave labor camps. Bruner will share pictures, documents, as well as audio recordings from the book. Bruner will review why his uncle wrote the book, how it was initially received, the reasons it was not translated into a world language until now, and the lessons one can draw from the work.

ON THE COURSES

Bob Lerner,
Golf Committee Chairman

Our 2024/2025 Golf Season opened with a spectacular day of golf and dinner. The tournament had 540 participants, and the evenings dinner was attended by 590 members.

Our Golf, Agronomy and Catering teams went to great lengths in the planning process and our committee has thanked them on everyone's behalf.

We are gearing up for a busy December with several exciting golf events so please be sure to reference the Golf Calendar for information and sign-up.

Championship Month (January) isn't far off either and will feature our Short Game, Putting, Governors Cup, Senior and Club Championships. As this continues to be an exciting time to showcase our Clubs best golfers, we've made some format changes we hope will enhance enjoyment and increase participation.

By now, each member has received our updated Golf Tournament /Instructional Book, which outlines many of the changes in format, which as expected, have increased participation.

Our competitive **Member/Member Golf Tournament** grew from 268 to 356 competitors this year. In addition, we sold out all three of last year's inaugural **Wine and Nine Events** and the first event this fall sold out within days. We have scheduled more of these events, and we are hopeful that all members will get to experience this fabulous event.

Our **Play for P.I.N.K.** sub-committee has been hard at work and has planned a wonderful one-day event on January 22 filled with many opportunities to take part and enjoy the day. Please reach out to your golfing groups in support of this wonderful cause and register.

As Matthew Linderman has mentioned in his articles, as well as the Special Projects Committee, The Capital Improvement Program will encompass the redesign and complete renovation of Palmer I and Palmer III. Senior Management has recognized that our driving range is inadequate for a facility with four golf courses and over 2,000 golfers. Members of Senior Management have been in weekly conversations with our golf Architects (Fry/Straka) discussing every detail around this project and we have received their latest drawings.

I have asked **Travis Wehrs,** Director of Golf Operations, to give us an overview. His comments are below:

"It has been great to work with Dana Fry and Jason Straka on expanding the driving range and short game area. This has been a priority for the golf operations team and will greatly enhance the golf experience for our members, their families, and guests. Larger driving range tees, including an expanded short game area, will allow more players to practice simultaneously, reducing waiting times and creating a more comfortable environment for warm up and instruction. This additional space will enable golfers to practice a wider range of shot types and distances, better simulating real course conditions. Increased separation between hitting bays will also enhance safety by spreading golfers across a larger North and South tee. Overall, a larger driving range will elevate the quality, safety, and capacity of the facility, ultimately enriching the member's golf experience".

Final Reminder: As of October 27, we have had 1,512 golfers attend or schedule their attendance at one of our Calling All Golfers Seminars. Additional dates for December have been communicated providing our remaining golfers with ample time to attend. Failure to attend this seminar will result in restricted tee time access beginning January 1, 2025.

With over 45 inches of rain since October 1, our Agronomy team was presented with significant challenges. There were periods when we were unable to cut the fairways for 4-5 consecutive days. This delayed fertilization and herbicide application spraying, scheduled maintenance and tree trimming. We also experienced another Fazio II sprinkler failure, and an emergency fix had to be designed and installed. We are all looking forward to having all courses opened and hopefully back to our normal maintenance schedule by the time you read this article.

From all of us in Golf Operations, we invite you to participate in our 2024/2025 Golf Programs and enjoy this holiday season with family and friends.

See you on the links!

SEASON OPENER GOLF AND DINNER

held November 9 & 10, 2024

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

Welcome Back, Members! As December dawns, we welcome the return of our members who have been away for the summer. Our November Racquet Sports Kickoff Dinner marked the start of the season with style, fantastic food, and great company. It's the perfect way to re-connect and celebrate our shared love for racquet sports.

This year, we are also thrilled to welcome back our international staff, who bring a wealth of experience and energy to our community. Their arrival signals the start of another exciting season filled with unforgettable moments. I would like to welcome Bryan Triana and Sam Weinstein, two new members of the Racquet Sports staff that will be doing both tennis and pickleball lessons and helping with events. Please welcome them when you see them.

Tennis and Pickleball Events

This month, we're shining a spotlight on both tennis and pickleball. Whether you're smashing aces on the tennis court or mastering your dinks in pickleball, we have something for everyone. Our courts are prepped and ready for the holiday season's bustling activity.

Dear Boca West Residents,

At this time of the year with many guests visiting here, we want to emphasize the importance of safety and security for all. Please be aware of the **Rules of the Road** and registering guests.

On behalf of the Masters board and administration, I wish everyone good holidays.

The chair of the Master's Safety and Security Committee is Jeff Greenfield, 1st Vice-President to the Master Association. Jeff is a 49-year active volunteer Firefighter and first responder.

MESSAGE FROM JEFF GREENFIELD

Your personal security and safety are of paramount importance. Each day, hundreds of delivery persons, vendors and contractors pass through our gates while thousands of residents are active in the community.

Our highly trained security officers screen your guests and patrol the grounds while Sheriff's deputies enforce the law.

Recently AI cameras were upgraded all around the property. They offer advanced surveillance capabilities and increased security.

At this time, we kindly ask all residents to update their vehicle license plate information. This update will help us maintain accurate records and improve access control for our gated entrances. Please take a moment to verify and submit any changes to your vehicle registration details to Security at 488-1598, ext. 301 or stop by in person. Your cooperation is greatly appreciated.

RULES OF THE ROAD

To ensure the safety and security of all residents, their families and invited guests, the Board of Directors has established reasonable restrictions and rules that must be observed by everyone who enters the property. Traffic signs and pavement markings help to prevent vehicle and pedestrian accidents.

- The speed limit is 30 miles per hour. Tickets are issued to all speeders.
- Stop signs require a **FULL STOP** for all cars, golf carts and bicycles.
- Please do not allow anyone without a driver's license to operate a golf cart and do not allow children on your lap when driving.

Wishing everyone a safe and healthy holiday season!

Danny Bejarano,
BWMA President

LET'S CONNECT

By Barry Roberts,
Communications & Marketing Committee Chairman

Is it really December already? How did that happen? I'm sure most of you have already started to make plans for the end of the month as we welcome our families and guests. We have so much going on and so many new experiences to share. I thought it would be a great time for a few reminders to help that busy time go more smoothly:

Guest Cards are available and must be **activated** if you'd like your guests to be able to use any of the club's facilities without having to be accompanied by a member. Just open the Club's APP on your phone, on the home page, press "Guest Card". If your guests have been here before, and are already registered, you'll see their name listed. Press the name and then you can press "Add Visit" to activate their guest card. You can also do this on the Club's website by clicking on the last icon on the right side of the home page that says "Request Guest Card". **Please remember guests' cards need to be activated if you don't plan on being with them when enjoying any of our activities.** If you plan on being with your guests all the time, they do not need a guest card. Please review the full guest policy by pressing the "Guest Card" box on the app and then press "Guest Policy" on the bottom of the next page. You can find the same information on the "Guest Card" page of the website". If your guests do not currently have guest cards, the easiest and most efficient way to get them registered and activated is by pressing the ⊕ on the upper right-hand corner of the Guest Card page on the app or "Add & Request" on the website. Once you have entered all of the information, stop by the Membership department, located on the lower level of the Golf & Activities Center, to pick up the actual guest card.

By now, you have received the digital flipbook with descriptions of all the activities and events we have planned for the end of the year. There are also printed versions available throughout the club and additional information on Hotwire Channel 9000 and the video screens in each of our buildings. Most events are also listed in this magazine. It's likely you and your guests will need a vacation after participating in all of the fun being offered during their visit with you. Please remember the most efficient way to request dining reservations is on the APP. Just press the "Dining" box on the homepage, then "Dining Request" in the upper left corner, choose the dining location and scroll down to choose the restaurant, date, time and party size. You can also use the APP to register for other activities by pressing on "Calendar of Events" on the homepage and scrolling through to find the specific event and pressing "Request". Be sure to check it out! Don't forget to use the APP to make your tee time reservations and book tennis courts as well.

We wish you a very happy holiday season, a wonderful new year, and a memorable time with your family and friends sharing the ***Life you Love at Boca West.***

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

In recent months the Grievance Committee has seen an increase in Grievance complaints with Members who have engaged in improper conduct affecting the welfare, safety, harmony and good reputation of the Club. Specifically, these Grievance complaints are based on inappropriate physical and/or verbal interactions with fellow Club Members and Employees. The Board of Governors has asked me as Grievance Chair to remind the Membership that all inappropriate contact with Staff by Members or their guests will immediately be reported to the Grievance Committee for investigation. The recommended penalty for these types of Grievance complaints is up to a two-year suspension from all venues and activities at Boca West.

The Grievance Committee is comprised of Members - our peers; and conducts its investigation and submits a report to the Board of Governors. During the investigation process, the Member being grieved is invited to a hearing with the Grievance Committee and is given the opportunity to share their "side of the story". The report submitted includes recommendations for actions taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The Member is notified and has forty-five days in which to appeal the decision of the Board.

Our Staff work long and often exhausting hours to serve you, the Members, and they do so with hospitality and a smile. Many of these people are young and the same ages as your children and grandchildren. We ask that our Members treat Staff with **RESPECT**, understanding and compassion. Treat the staff as you would want strangers to treat your children and grandchildren. Management and the Board of Governors have made it very clear that abuse of Boca West Staff, whether physical or verbal, will not be tolerated under any circumstances.

We thank you for your assistance and attention to this matter and wish you a Happy Holiday Season with friends and family.

CHAIRMAN'S LETTER

As we begin the month of December, there is excitement among our membership as we reunite with friends, welcome our families, connect with new and returning staff and partake in the incredible amenities of Boca West. It's a time chock full of activities, tournaments and a host of events as outlined in the magazine, as well as gatherings celebrating the holiday season.

With so much talent and experience within our membership, I'd like to thank those Members who have stepped up and submitted their resumes for consideration to our Nominating Committee this year. Board service is a highly regarded and respected opportunity to serve your Club. While it is a true commitment, I can attest that your skills and experience will be leveraged for the the betterment of our Club and that your time among our ranks will be one of fulfillment and purpose. The Nominating Committee, a separate and confidential committee from the Board of Governors, is comprised of three Board Members and six Members at large. They are conducting member candidate interviews this month. Membership will be advised of their work in the coming weeks.

Year End Results - As the fiscal year came to a close on September 30, I am pleased to report that Boca West remains in excellent financial health. We experienced strong home sales and collected 98% of the due's revenue billed. Final financial details will be provided in December, post audit.

Special Projects - As outlined in the Special Projects articles featured in the October and November Magazine, we continue to evaluate the scope, timing and costs related to the proposed project phases. We look forward to meeting with you at the upcoming Membership Presentations in January.

Membership Briefing - This month, we look forward to seeing you at the **Membership Briefing** being held on **December 19 at 3pm in the Cypress Room**. The purpose is to provide a high-level overview of fiscal, operational and committee updates, as well as acknowledging the work and impact of our Board of Governors, Management, Department Heads and Committee Members. Over the past four years, we have welcomed 892 new members. For those who may not have attended this gathering in the past, this is a wonderful opportunity to attend a forum either in person or virtually with your Board and Management. We hope to see you there.

Many years ago, as an Associate Trustee of Northwell Health, I volunteered my time to help raise awareness of a capital campaign for the construction of two women's hospitals dedicated to proactive, preventative healthcare for the lifespan of women. These efforts, along with the time and donations of countless others, achieved what is known today as the **Katz Women's Hospital & the Katz Institute for Women's Health**.

I am most honored to share that I have been selected to provide Welcome Remarks and introduce Iris Katz, the Co-Founder of the Katz Institute for Women's Health at the ***10th Annual Katz Institute for Women's Health Lunch and Learn*** being held on **Thursday, January 30, 2025**, here at Boca West. The Katz Institute for Women's Health is part of Northwell Health, New York's largest healthcare provider which treats over two million people annually. Attendees will share in an interactive and unique opportunity to learn how the Katz Institute sees women's health differently and hear insights from experts on the advances in women's health from Northwell Health's leading cardiology, breast and ocular physicians, as well as a *"cosmetic and confidence"* presentation. The focus is not only on advancements in clinical care, but on prevention, wellness and personalized care delivery. Northwell's Katz Institute for Women's Health is bringing about change and they are being recognized for their work at the local, regional and national level. For *more information or to register for the luncheon, please contact Morgan Doxey at 516-321-6334 or mdoxey@northwell.edu.*

Our **Third Annual Hope Week** event, scheduled for **January 27, though February 2, 2025**, is currently seeking Member Volunteers. I encourage you to read the Hope Week article on page 23 for all of the details on the charities, locations, volunteer engagement projects and information on how to register via the APP or website for this heartfelt and worthy event. All that is required is your smile, your time and your love.

In closing, I'd like to thank our Board Members, Management, Committee Members and Staff at the Club and Master's Association for all you do to make Boca West the very special community and family it is.

May love, peace, light and joy fill your heart and home this Holiday Season. On behalf of my husband Merrill, myself and our family, we extend our best wishes to you and your families for a very Happy, Healthy, Blessed and a fun-filled New Year.
