PRESIDENT'S LETTER

Dear Member,

WISHING YOU A VERY HAPPY AND HEALTHY NEW YEAR!

It was so wonderful to see you and your families around the Club over the holiday season. We hope you were inspired to create lasting memories with all of your loved ones. As we step into 2025, we are filled with optimism and excitement for another incredible year ahead.

By now, I hope most of you have seen and experienced the new **Spa Garden** that opened in November. A serene and relaxing garden for Members and guests to enjoy before, during, or after treatments at our Spa. The garden has an outdoor wet area with relaxing water features, lounge chairs and cabanas for outdoor massage treatments and lunch seating to enjoy a spa inspired meal, delivered from Market Square, before the next treatment.

The reviews are in for **Aria Rooftop Terrace** and they are overwhelmingly positive! The outdoor terrace with seating showcasing panoramic views of the Palmer Golf Course and Aquatics Complex. Members and Guests can enjoy delicious hand crafted cocktails and light-bites while enjoying the nightly entertainment around a firepit and under the stars.

Due to an overwhelming response, we are excited to add a second night for the **Rhythm & Brews, our Annual Cookou**t will be held over the course of two evenings (January 14 and 15) - giving members and their guests more opportunities to savor delicious food, tasty libations and experience the incredible sounds of Mike Delguidice under the beautiful Boca West sky. Mark your calendars for the highly anticipated **Tanglewood Event** on April 9, which promises to be a highlight of the season. Stay tuned for more details.

I hope you have all had a chance to see the Taste of the Season brochure for the season. Back again this year is our **Michelin Chef INSPIRED Prime Cut Dinner Series**. Each month we'll feature a renowned Michelin Chef inspired dinner accompanied by the perfect wine pairing per course. The feedback I received after the December dinner was overwhelmingly wonderful and proves that the Boca West Culinary team and the Service teams are in a league of their own. **Panache Wine Nights – Uncorked** has always been a member favorite of the season when we feature popular wine from wineries and regions all around the world.

We did it again! We are proud that Boca West has been honored with the prestigious **2025 AGM Platinum Award**. This recognition highlights our exceptional achievements in merchandising, promotions, and Member service. A heartfelt thank you goes to Emily Gifford, Director of Retail, and her amazing team for all they do! Being recognized among the top tier golf shops world wide- across public, private, resort and off-course facilities is a testament of our hard work, creativity and unwavering commitment to enhancing the golf merchandising industry.

Another great announcement to share with you... A huge congratulations to **Pam Elders**, *Director of Instruction*, on receiving the impressive **National PGA Player Development Award**. This distinguished honor recognizes Pam's extraordinary contributions to growing the game of golf and her profound impact on players at Boca West. Pam has been a driving force in advancing player development, earning accolades for her unwavering commitment at both the Section and National levels and for the meaningful impact she has made at our facility in the player development arena. We are extremely thankful for all that Pam does as well as all of our instructors whether in Golf, Racquets or even Fitness.

Join us for **Hope Week**, January 27 to February 2, now in its third year, as we come together to support diverse philanthropic organizations through meaningful volunteer opportunities. Volunteering during Hope Week is not only rewarding but is also a fantastic way to build connections while making a positive impact within our community. For all the details, turn to page xx of the newsletter, and don't forget to sign up through the Club app or website. Please take the time to watch the video testimonials and we hope to see you there!

We're already planning ahead for the summer and are recruiting individuals who are interested in joining our team. As part of our commitment to build a strong talent pipeline and to spread the word about careers in the Country Club industry, leaders from Boca West will be travelling to university career fairs across the United States to promote our Club and our Hospitality Management Internship for Summer 2025. In addition, Boca West has established a corporate partnership with the University of South Carolina College of Hospitality, Retail and Sports Management (HRSM), which has provided us with wonderful opportunities to engage with faculty and students, as well as receive college-wide recognition as a preferred employer.

I wanted to provide you with an update on the progress of the Spa Specialty showers. We are currently in the next phase of inspections and are hopeful to have the showers completed by early February. While work on the showers began last summer, we had initially aimed for a December completion, as previously communicated. I understand how frustrating this delay has been, and I sincerely apologize for the extended timeline. Please rest assured that we are doing everything we can to accelerate the process. I will continue to keep you informed with regular updates moving forward. Thank you for your patience and understanding.

On a bittersweet note, we recently bid farewell to **Chris O'Toole**, *Restaurant Manager*, who happily retired on Thanksgiving after more than 15 years of dedicated service. Chris was instrumental in training our food & beverage staff on our point-of-sale systems and truly exemplified the "Boca West Way." He will be deeply missed by both members and colleagues, and we wish him all the best in his retirement.

President's letter continued from page 3

In closing, and with heavy hearts, we mourn the loss of Arthur Adler, who passed away on November 24. I had the distinct privilege of working alongside Arthur during his tenure on the Board of Governors and through his dedicated involvement with the Boca West Children's Foundation as the Founding Chairman. Beyond his impressive career, Arthur was a deeply committed member of the Palm Beach County community and a passionate advocate for numerous philanthropic outreach programs. He was much more than that to myself, my family and our Staff. Arthur was a creative genius that we all admired as a mentor and someone that I personally relied on as a sounding Board for 20 years of my career here at Boca West. This is an especially difficult time for all of us, and particularly for his beloved wife Shelly and their family. As we extend our heartfelt condolences, we wish them the courage and strength to bear this profound loss.

As always, I welcome and encourage your thoughts, comments and suggestions as we continue striving to make your Club experience exceptional.

Yamile, Alexa, Sophia and I wish you all a joyful and prosperous New Year. We look forward to seeing all of you around the Club in 2025!

Sincerely,

Matthew Linderman, CCM

PANACHE UNCORKED WINE NIGHTS

featuring wines from Tuscany, Italy

Wednesday, February 5
Serving from 5:30 p.m. in Panache

There are two main problems: there are hundreds of native grape varieties that are still in production across Italy's regions which themselves span a long and distinctly regional country and Italians do no label and name their wines consistently from region to region or grape to grape. For example, wines can be named simply after the grape they were made from - such as The Society's Pinot Grigio. But wines can also be named after the regions or towns they come from – such as The Society's Chianti Rufina.

And even more confusingly, within Italy, some towns have the same name as grape varieties, but grow something else entirely! A good example is montepulciano: as well as being a grape variety widely grown on Italy's central eastern coast, and the grape behind our delicious, cherry-scented Society's Montepulciano d'Abruzzo, Montepulciano is also an ancient town in Tuscany, where a highly prized fine wine called Vino Nobile di Montepulciano is made using a completely different grape, sangiovese.

Tuscany is one of the most famous of all the Italian wine regions, home to a rich and notable winemaking history. The region is also full of stunning scenery, making it a favorite destination for wine-loving travelers. Here in the birthplace of the Italian Renaissance, you can visit Florence or the Tower of Pisa and sample some of the very best vino in the world. The area is especially known for its flavor-forward Super Tuscans.

MICHELIN

Featured Michelin Chef: Nadia Santini
Star Rating: 3 Michelin Stars

Nadia Santini is an Italian chef, best known for her restaurant Dal Pescatore, in Canneto sull'Oglio, Lombardy which has held three Michelin stars since 1996.

Santini was taught to cook at a young age by her future husband's great-grandmother, Teresa. She has a cooking philosophy around the idea of a small restaurant, saying "I think it is impossible for a woman to run a kitchen that serves 100 people. I can't give my heart to a dish if I am cooking for more than 30."

Her restaurant Dal Pescatore is located in the hamlet of Canneto sull'Oglio in Lombardy Italy. The restaurant is an extended trattoria, and was originally opened by Santini's husband's great-grandparents in the 1910s. Nadia took over the running of the restaurant alongside her husband in 1974. In 1996, the restaurant was awarded three Michelin stars, with Santini becoming the first female Italian chef to earn that level of accolade.

The entertainment bug bit Joe early. By 15, he was in comedy clubs learning from legends like Pat Cooper, Robert Klein and Jay Leno, who quickly recognized Joe as a natural talent. Acting was a natural progression for Joe, which led to guest starring roles in many movies and television shows, catching the attention of both Oliver Stone and Steven Spielberg. Most recently, along-side comedy giant Kevin James, Joe starred as Enzo, a breakout character on the smash CBS sit-com "Kevin Can Wait." As passionate as he is about acting, stand-up will always remain Joe's first love. In between headlining comedy clubs and festivals across the United States, Canada & Europe, Joe set a record at the largest comedy fest in the world - The Montreal Comedy Festival - by returning five years in a row. He was labelled as "An old school Comedian with a modern-day sensibility". Joe Starr wears the title 'old soul' with pride as it was none other than Comedy legend, Jerry Lewis, who gave Joe the title of "The youngest old man in Show Business."

Resilience: More Than Just Bouncing Back
Presented by Dr. John Dyben, the Chief of Research and Innovation for Hanley Foundation

Tuesday, January 28 • 7pm, Golf & Activities Center
$15 per person

Request by: January 14; Cancel by: January 21

Resilience isn't just about snapping back to "normal" after a setback. It's about harnessing the human capacity to adapt to the ever-changing landscape of our lives. But not all adaptations are created equal. Sometimes, in the face of challenges, we develop coping mechanisms that, while providing temporary relief, ultimately hold us back. We might withdraw from social situations to avoid anxiety or turn to unhealthy distractions like overeating or substance use in the wake of trauma.

True resilience, however, is about more than just getting by—it's about adapting in ways that empower us to not just survive but to thrive. It's about transforming our challenges into opportunities for growth, finding strength in adversity, and aligning our actions with the person we aspire to be. Resilience is a dynamic state, a continuous journey of becoming truer to ourselves, even in the face of life's toughest trials.

Cold Crematorium: The "Lost" Holocaust Masterpieces presented by Alex Bruner

Tuesday, February 11 • 7pm, Golf & Activities Center
$15 per person

Request by: January 13/Cancel by: February 3

When veteran journalist, poet, and novelist József Debreczeni arrived in Auschwitz, he was "lucky" to be sent to a life of slave labor rather than directly to the gas chambers. He survived, and after the war wrote *Cold Crematorium*, which one reviewer called "the harshest, most merciless indictment of Nazism ever written."

The work was first published in Hungarian in 1950 but was never translated into a world language due to McCarthyism, Cold War hostilities, and antisemitism. Until now! In January 2024 it was published in English, and within a year it will be available in 16 languages around the world. The reviews have been outstanding.

Alex Bruner, the author's nephew and a child of Holocaust survivors, will discuss the historical and family context for his uncle's deportation to Auschwitz and describe the author's hellish journey through multiple slave labor camps. Bruner will share pictures, documents, as well as audio recordings from the book. Bruner will review why his uncle wrote the book, how it was initially received, the reasons it was not translated into a world language until now, and the lessons one can draw from the work.

A MEMORIAL

Remember Arthur Adler, A Colleague and Friend

Arthur Adler, a man of honor, integrity, and deep dedication, passed away on November 24, 2024, at the age of 81. A long-time resident of Boca Raton for 28 years, Arthur is survived by his loving wife of 55 years, Shelly, their daughter, son, daughter-in-law, and two grandsons.

A proud alumnus of Boston University and Brooklyn Law School, Arthur had a distinguished career in broadcasting and held senior leadership roles in prominent sports organizations such as the New York Yankees and New York Islanders. He was also a dedicated philanthropist, volunteering his time and resources to many charitable organizations, touching many lives over the years.

Arthur's commitment to the community was unwavering. He served on the Board of Governors of Boca West Country Club for nearly nine years, and in 2010, he became the Founding Chairman of the Boca West Children's Foundation. His passion for helping children and families continued as he remained an active board member since its inception. Arthur will be honored for his exceptional contributions to the Foundation during its 15th Anniversary Gala on January 18, 2025.

During his distinguished limited journey of 28 years in residency in Boca West, Arthur devoted himself to making a meaningful impact on the community he loved. His presence will be greatly missed by the many people whose lives he touched as a friend, mentor, and a pillar of strength. His legacy of service, kindness, and integrity will live on in the hearts of all who knew him.

ON THE COURSES

Bob Lerner,
Golf Committee Chairman

HAPPY NEW YEAR!

The Boca West Golf/Agronomy Operations and Golf Committee extend our heartfelt wishes to you and your family for a healthy, joyful, and peaceful year ahead.

The current golf season is in full swing, and we remain steadfast in our mission to deliver an unparalleled golfing experience for our members and guests. December was packed with memorable events, including the Member-Member Tournament, 9-Hole Twi-Nite, President's Cup, and Wine & Nine. Additionally, Boca West successfully hosted a vibrant Holiday Schedule, providing entertainment synonymous with our community. It was particularly rewarding to see so many families enjoying the golf facilities during the holiday season.

Tee Time Updates

As we step into the new year, we understand that securing tee times remains a concern for many. Here's a refresher on our system:

- The **Golf Lottery** is a points-based system spanning a dynamic 21-day period (14 days historical and seven days assigned).
- Points are determined by past play times and averaged across players in a group, influencing their rank in the lottery.
- Tee time requests may be submitted 7-60 days in advance and are held until the lottery runs. Early submissions do not affect assignment priority.
- High-demand days: **Tuesday, Wednesday and Friday.**
- Lower-demand days: **Monday, Thursday and Saturday.**

To accommodate increased demand, Golf Operations may implement **daily morning/afternoon shotguns** and a **split tee configuration** (starting from holes #1 and #10) on three of our four courses. These adjustments aim to maximize available tee times for all members.

Facebook Live Success

In November, our first **Facebook Live Playing Lesson** garnered over 2,000 views in just five days! Pam Elders, Director of Instruction, and Jacob Huizinga, Club Fitting Specialist, played two holes on Fazio II, sharing insights on course management and strategy. Look out for future live lessons featuring other Golf Professionals on different championship holes.

Highlights with Nanna Koerstz Madsen

Our LPGA Touring Professional, Nanna Koerstz Madsen, shared an inside look at her practice sessions and career updates during an engaging event. Stay tuned for more opportunities to connect with Nanna and our professional golf staff in the coming months.

January Golf Events

This month features a variety of tournaments and instructional opportunities:

- **Short Game Championship:** January 8–9
- **Putting Championship:** January 10–11
- **Governor's Cup Seeding:** January 10
- **Senior Championship:** January 18–19
- **Club Championship:** January 25–26

Additionally, don't miss the **Play for P.I.N.K**. event on January 22 where 100% of proceeds benefit breast cancer research through the Breast Cancer Foundation. Gather your golfing groups and register for this impactful cause.

Member Etiquette Reminder

Please remember to refrain from engaging directly with other groups on the course unless in an emergency. For assistance, contact a ranger or the golf desk.

Gratitude

Finally, we extend our sincere thanks to our dedicated staff for their tireless efforts in making our golf program a success.

Here's to a fantastic year of golf and camaraderie at Boca West!

Racquet Sports January Edition: A Year of Achievements and New Beginnings

Happy New Year to all our Racquet Sports enthusiasts! As we welcome 2025, we are filled with excitement and anticipation for another fantastic year of camaraderie, competition, and community spirit.

Kicking Off the New Year with the Kitchen Dinks League

The second year of our internal Pickleball league, the Kitchen Dinks League, will be nothing short of spectacular. Our four spirited teams, led by the incomparable Karen Sussman, Rob Zenn, Sherry Zimet, and Ted Wollruch, will bring their A-game to every single team. Their leadership and dedication have been pivotal in making the Kitchen Dinks League a cornerstone of Pickleball offerings in Racquet Sports. This year, we are thrilled to announce that these same dynamic captains will be leading their teams once again. Get ready for another season of thrilling rallies, strategic play, and, most importantly, fun!

Back in Action Again: Boca Cup Singles

Another fantastic addition to our program that we're excited to bring back this year is our Boca Cup Singles for those who wish to play tennis singles at a high level. The league matches are on Sunday mornings at 9am and the season runs through mid-March. This year we've got more players participating and we hope to continue growing year to year. We'd like to thank Glen Friedman once again for helping us organize this league.

Celebrating Success: The 2nd Annual Racquet Sports Play for Pink

One of our proudest moments of 2024 was the 2nd Annual Racquet Sports Play for P.I.N.K. event. Thanks to the generosity and enthusiastic participation of our members, we raised approximately $30,000—more than doubling our efforts from the previous year. This tremendous achievement would not have been possible without the tireless efforts of our event leaders, Lisa Glassner, Camille Bauer, Joan Attermann, Vice-Chair and from the Racquet Sports Operations Manager, Maria Tato. Their dedication to the cause and outstanding organizational skills ensured the event was a resounding success. Congratulations to Lisa, Camille and Maria, and a heartfelt thank you to everyone who contributed!

Looking Forward

As we step into this new year, let's continue to build on our successes, support each other, and create even more memorable moments. Here's to an exciting 2025 filled with fantastic matches, stronger bonds, and unending fun.

Thank you for being a part of our vibrant Racquet Sports community. Let's make this year the best one yet!

Stay active, stay connected, and happy playing!

Danny Bejarano, BWMA President

Dear Boca West Residents,

This is a busy year for the master association, and I am pleased to share information about our many projects and programs every month.

The Master's board began the season by creating a new tag line to amplify who we are and what we do. *We keep Boca West Safe and Beautiful.*

This month I have exciting news about how your Master Association will augment and expand our support of both residents and villages. Two major projects are nearing completion. We are very pleased to announce the official launch of our new website. bocawestmaster.com

You can log in using your email address. However, your password is the code for guest registration.

Our homepage features the latest edition of our Welcome Book which includes all the information about the Master's programs and services. The website publishes information about governance including minutes of all Master's board meetings. In the Safety & Security section, besides rules of the road, you will find our newest Hurricane Awareness Book. The section for Villages includes board members for all villages, management companies as well as programs offered from the Village Leadership Center.

We are even more excited to announce the upcoming opening of our Village Learning Center in the newly enlarged and renovated Master's headquarters. It includes a large meeting room that can easily accommodate at least 30 people; small rooms for private meetings; a library of information to assist villages understanding state requirements and guides to other services.

At this time we are sharing a rendering of our large meeting room. Please watch for our grand opening and stop by to see the new location, and now villages can use it for variety of activities.

BWMA President

HAPPY NEW YEAR! May 2025 be a great year that brings you and your family health, prosperity and an abundance of happy memorable occasions.

By Robin Shulman, Lifestyle & Wellness Committee Chairman

I'd like to wish a Happy New Year to the members of the Lifestyle & Wellness Committee, as well as all the wonderful Lifestyle & Wellness staff.

Now that most of our seasonal visitors have gone back up north or back to school, I hope that you will take advantage of all the new additions to our programming. After entertaining all of your company and running around with your kids, grandkids, nieces and nephews, do something for YOU!

Coming up for the second half of this season, we continue our ***Full Moon Yoga events, Meditative Journaling, Sound Baths, Candle Making, Mandala Bracelet Classes and various Lunch & Learns.*** Our Ballroom Dance Lessons and Socials have been so popular that we will be introducing other types of dance events that allow you to try something new while having fun and getting a great workout!

Take advantage of our ***Spa and Salon Specials*** for January. We are featuring our new Spa Garden in January, with specials to enjoy it together with friends or family during your spa visit. This is such a beautiful and relaxing space, you definitely want to make time to enjoy it when you visit the spa! You can take a dip in the heated pools and enjoy a spa lunch in the garden before or after a treatment. Coming soon... you can even have a private massage or couples massage outside!!

Our **Core Studio** in the Fitness Center has just the thing to ease those aching muscles - from an assortment of Theraguns and Wave Rollers that you can use for free - or schedule a stretching session with one of our massage therapists. You can also use the Power Plate machine to help your muscles recover - the vibration helps to speed healing.

Watch for the additional recovery options coming soon to Fun Runs and The Spa. These are great tools to help you recover quicker and get you back doing all the great activities that you love to do.

If you need a more robust workout after all those holiday meals, you can head over to the **Performance Corner** - here you will find an upgraded experience for the die-hard fitness buff. As we review the newest equipment on the market each year, as well as member requests, for a more advanced workout option we have added the latest and greatest equipment from **Technogym**. If you don't know Technogym, it is THE leading company in gym equipment and is known all over the world as "The Wellness Company". According to Technogym, their goal is to help develop the philosophy of fitness and well-being and turn it into a true lifestyle. It is the official supplier to nine Olympic and Paralympic Games meaning that the equipment in the Performance Corner meets the needs of not only professional athletes, however is designed for all types of users - from beginners to professionals.

Our new **Outdoor Fitness Studio** will open in the beginning of the new year, with additional TRX stations, and a variety of other great fitness equipment for you to enjoy your workout in the beautiful fresh air.

But please don't be intimidated by all the new Fitness Center offerings - there are QR codes that you can view to learn more about how to use all of these new areas of the Fitness Center, and many of them have apps that will enhance your experience here at Boca West.

If you prefer group classes, we are always offering new classes - when you click on the group exercise schedules on the app or the website, don't forget to look at the second page which explains each and every class. Lastly, the Aquatics Center, outdoor yoga, water toning and fitness and Aqua Board classes are becoming as popular as ever – do give them a try!!

We look forward to seeing you enjoy our wellness and fitness venues. Our Lifestyle and Wellness Staff is always here to help you find what you are looking for and happy to provide you with more information.

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty-five (45) days in which to appeal the decision to the Board.

Two Grievances will be presented.

Grievance 11-2024

This Grievance was filed by a Member ("Member 1") against another Member ("Member 2") for alleged physical assault by Member 2 against Member 1. This reported behavior is in violation of the Club's Bylaws, Article X, Section 10.02. Member 1 states that they felt Member 2 made insulting comments, an exchange of words ensued and Member 2 retaliated with a slap across the face.

Grievance Committee investigation revealed both members are long time members of Boca West. In review of the Member files there were no previous reports of inappropriate behavior by Member 1; Member 2's Member file had multiple reports of inappropriate behavior, both verbal and physical. There are two reports of documented verbal abuse directed at Boca West staff and a previous grievance filed for physically abusive behavior with a police report in 2017. The previous grievance against Member 2 resulted in a three (3) month suspension and is the second of two documented reports of physical abuse.

At the Grievance Committee hearing Member 2 adamantly denied having any memory of any of the incidents documented in her Member File.

The Grievance Committee Recommendations to the Board of Governors for Member 2:

1. One (1) year suspension, while in residence, from all Boca West venues and activities.
2. Successful completion of an Anger Management Course.
3. Appropriate Letters of Apology to the Board of Governors and Matthew Linderman, President, COO, and General Manager.
4. Appropriate letters and incident to be placed in the member's Member File.

The Board of Governors agreed with the Grievance Committee recommendations.

The Member appealed the Board ruling and appeared before the Board. The terms of the suspension were not amended or reduced.

Grievance 13-2024

This Grievance was submitted by the Vice Chair of the House and Activities Committee against a Member for multiple reports of alleged inappropriate behavior and disregard for the Card Room Rules, which is in violation of the Club's Bylaws: Article X, Section 10.02.

Grievance Committee investigation revealed multiple documented reports of inappropriate conduct since 2019. The reports describe a reluctance to check-in, arriving close to the card room closing time, avoiding guest check-in and bringing guests to the Card Rooms on "no guest" days. Each of these instances include reports of disrespectful and demeaning behavior to the Card Room staff.

A pre-grievance meeting took place in September 2022 with the Member, Committee Chair and Club Management to discuss the Member's reluctance to honor card room hours of operation and disrespectful behavior towards Card Room staff and was advised that guests are not permitted to vape inside the Card Rooms. The Member was asked to write a letter of apology, it was received and placed in the Member's file. There are additional reports of inappropriate behavior following the pre-grievance meeting with the most recent report on September 20, 2024.

The Grievance Committee Recommendations to the Board of Governors:

1. Three (3) month suspension from all Boca West venues and activities, followed by three (3) months probation. Both while in residence.
2. Appropriate Letters of apology to the Board of Governors, Matthew Linderman, President, COO, General Manager and Christina Guilianti, Director of Activities.
3. Appropriate letters to be placed in the members, Member File.
4. The Board of Governors agreed with the Grievance Committee recommendations.
5. There was no appeal.

CHAIRMAN'S LETTER

In late November, your Board of Governors suddenly lost one of its own, Mr. Arthur Adler. On behalf of the entire Board and Management, we express our sincere condolences to his loving wife, Shelly, and to the Adler family.

In 2024, Arthur served on my Executive Committee and was Chairman of House & Activities and Long-Range Planning. He also served as a historian; someone who had many years of Board experience at Boca West, an incredible career and someone who, through engaging stories, would bring keen insights, understanding and perspective of our vast history, milestones and evolution. I shall personally miss his steadfast support, creativity and love for all things Boca West. But most of all, Arthur was always thinking forward and thinking of the next "big thing" that would differentiate Boca West. Things like Tanglewood, The Boca West Children's Foundation and Hope Week, to name a few. May you rest in splendor Arthur… for I know you are already onto the next "big thing".

2025 marks our 35th year - a most exciting milestone in our rich history – and just when you think our Boca West lifestyle can't get any better – there's more. 2025 will bring celebrations and gatherings, the lifestyle you desire and an opportunity for continued development of our amenities for current and future generations to savor as outlined in the Special Projects articles featured in the October and November magazine articles. I am pleased to share that your Board of Governors unanimously approved the scope of the Special Projects Plan in November.

Together with Management, we are looking forward to welcoming you to attend any of our four Special Projects presentations scheduled to commence in late February through mid-March 2025. These forums will provide all of the details pertaining to further development and amenity expansion, we see as trends to meet member expectations, plan forward and lead the industry. Through in-person and interactive presentations, viewing renderings and a new micro website we have been developing, you will be able to **not only imagine but see the plans and scope**. Our timeline of communication includes packets mailed to Membership later this month, Member presentations and a Membership vote which will take place in March.

I would like to commend the entire 2024-2025 Nominating Committee – Philip Edwards, Chair, Enid Hoffman Vice Chair, Arthur Schwartzman Board Member at Large and our six Member Committee Representatives, Howard Boilen, Kris Etter, Steve Forman, Myrna Lippman, Peter Ruben and Roz Wolpov on their exemplary work over the past several months. Their careful review, discussion and selection of seven candidates who are running for the 2025-2026 Board of Governors are evident of their commitment and dedication. Candidate video presentations will be available January 24 to enable you to get to know the candidates. Voting packets will be mailed to all members and selections by secret ballot must be received by 5pm on February 27. Results will be announced at our Annual Meeting being held on February 28.

Our Third Annual Hope Week is quickly approaching, and registration is underway! Please take a moment to review the Hope Week article on page 34 for information on our charity partners and how to make your reservation to volunteer during the week of January 27 through February 2. We greatly appreciate your support of this incredible community outreach initiative and making even more of an impact this year.

In closing, I'd like to thank our Members for an incredible 2024. As we embark on a New Year and make our resolutions, it is my hope that we all strive to live life to the fullest enjoying our Boca West paradise with family and friends, helping others through community outreach and truly cherishing each and every day.

Together, let's make 2025 the most spectacular year!

Sincerely,

Jeanine Banks
Chairman of the Board & CEO
