PRESIDENT'S LETTER

Dear Member,

Wow, what an incredible and bustling March at the Club! We had two unforgettable nights during our **Starlight Spring Soiree** celebration last month! Now, we look forward to more exciting moments ahead — beginning with **Tanglewood at Boca West on Wednesday, April 9**. Next, we'll come together for our **Passover Seder Dinners on April 12 and 13**, followed by our **Easter Champagne Brunch on Sunday, April 20**, and **Mother's Day Champagne Brunch on Sunday, May 11**. Be sure to make your Mother's Day reservations by April 13 to celebrate the incredible moms in your life, Boca West style.

I also want to express my sincere gratitude for your overwhelming support and approval of the Club Capital Improvement Program. The Member Information Meetings leading up to the Special Meeting and vote were well-attended, and I appreciate your participation, questions, concerns, and valuable ideas. Your approval enables us to move forward with the proposed projects and secure fixed, low-interest rates when timing is needed. This project will bring many enhancements to the Member experience, including new amenities and expansions throughout the Club that have been frequently requested. Some improvements will focus on safety, performance, efficiency, and employee benefits. The construction and renovation will be done in phases, with careful attention to minimizing any disruption to Members. Work will begin this month at the West Racquet Center, followed by the Pickleball Center, the Country Club Walkway Entrance, and the Loading Dock expansion. I promise to keep you informed with updates on the progress and schedules as the work continues.

Over the past couple of months, our Members have had the chance to showcase our wonderful Club to their guests at events like the **Ladies Member-Guest Card Party**, as well as the **Men's and Ladies Golf and Racquet Sports Member-Guest events**. We've been truly overwhelmed by the compliments on how exceptional and attentive our staff has been in organizing these events, along with the variety of programs and cuisine offered. The scale of these events is no small task, and I feel incredibly fortunate to have such a dedicated team. They work tirelessly around the clock, always with big smiles, setting up and breaking down the various venues. We couldn't do what we do without them.

Our annual **Golf and Racquet Sports Club Championships** were truly fantastic! It's always a highlight to see so many of you staying active and making the most of your Club. A big **CONGRATULATIONS** to all the winners and runner-ups from this year's competitions! The results from both championships will be featured in next month's issue.

I'm excited to announce that **Karima Lanfranco has joined us as the Director of Learning and Development.** Karima will be working within the Human Resources department to oversee employee recruiting, onboarding, and development, including the Hospitality Management Internship Program and college recruiting efforts. She will also focus on employee training and ongoing education. At Boca West, we know that our staff is our greatest asset, and training and development are key to the continued success of the Club, ensuring we maintain our high level of service and tradition of long-tenured employees. Karima is a dynamic and engaging leader with a diverse background in hospitality and education. She began her career in Hotel Operations and later transitioned into academia, most recently serving as the Director of the Hospitality Program at Lynn University.

The department heads and I greatly appreciate all the thoughtful feedback, including the comments and suggestions you've shared with us this season. Please know that every inquiry is carefully reviewed and discussed to ensure we continually improve each event, venue, and activity to its fullest potential. If you have any ideas, thoughts, or suggestions for the upcoming season, we encourage you to reach out to the Chairman or department head of the relevant area. They'll be happy to share your idea with our Management team and bring it up at their next committee meeting. We're excited for another productive and successful year, working alongside all of the newly appointed committees.

A friendly reminder that our online Member Directory is intended for the use and convenience of Boca West Country Club members only. This information should not be used for phone calls, written or email solicitations, or bulk mailings of any kind. Please respect the privacy of our members who have agreed to share their information online. Misuse of this directory may result in the loss of membership privileges. If you believe someone has misused the roster, please contact us immediately at communications@bocawestcc.org.

As we move into summer, I'm excited for all the great moments ahead. Your feedback is always appreciated, so please continue to share your thoughts and suggestions.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

6-9pm, Prime Cut
$125++ Per Person
Featured Michelin Chef: Daniel Humm
Star Rating: 3 Michelin Stars

As I mature as a chef, I no longer aim to pack multiple techniques and ingredients into a single dish. Realizing that restraint is more difficult. I find it often renders incredible beautiful results.

Daniel Humm is the chef and owner of Make It Nice, the New York City hospitality group behind Eleven Madison Park and Eleven Madison Home. Originally from Switzerland, he was introduced to food at a very young age and started working in the kitchen at the age of 14. It was quickly noticed and appreciated by an international group of critics. In 2003, Daniel moved to the United States to become a chef at Compton Place in San Francisco. Three years later, he moved to New York City to become a chef at Eleven Madison Park, which quickly became one of the most acclaimed restaurants in the world.

PANACHE UNCORKED WINE NIGHTS

featuring wines from the Pacific Northwest

Discover Pacific Northwest

Thursday, April 24
Serving from 5:30pm in Panache

Most wine enthusiasts and many professionals don't know much about wine regions of the Pacific Northwest. That part of the country isn't highly populated and the wine appellations are somewhat removed from the big cities. Tourism focuses on places such as Seattle and Portland, rather than the vineyards. And California captures not just most U.S. wine sales, but also most of the mindshare.

California represents about 85% of the U.S. wine production. But most of the rest comes from the Pacific Northwest. Washington State is the country's second-largest wine producing state. Oregon is fourth and crafts a disproportionately high number of top-scoring wines. Then there's British Columbia which, if it were a U.S. state rather than a Canadian province, would have the fifth-most wineries.

There are fabulous wines coming from the Pacific Northwest. The wine regions are distinct both scenically and in the personalities of their wines. The area provides wine lovers with compelling options for dozens of grape varietals and blends.

Danny Bejarano, BWMA President

Dear Boca West Residents,

One of the key responsibilities of the Boca West Master Association (BWMA) is safety and security of our Boca West residents. In addition to our Boca West Security staff who man our security gates 24/7 and work in our security offices, our community has a long standing contract with the Palm Beach County Sheriff's department. The Deputies from the Sheriff's department work in close harmony with our Security department to enforce the law while protecting lives and property.

The deputies are highly visible in the community in their patrol cars as they preserve order, oversee safe traffic flow and respond to on-site emergencies. Some of these officers have worked here for many years and have developed friendships with many residents.

Bill Brigham is one of those people. After 15 years of service here, he will be retiring in May. Because many people know him, we are sharing his story as we wish him well in the future.

Bill's family came to Miami in the 1920s. His grandfather, father and two uncles established the Brigham Law Office in Miami. Bill always wanted to work in law enforcement. He graduated from the Police Academy in 1990 starting out as a motorcycle officer in Palm Beach.

That work was followed by road patrol. Then in 2010 he learned of an opening at Boca West and came here. Over the years Bill has made many friendships. When asked about that, Bill replied: "a good police officer learns how to talk to all kinds of people and to have empathy for everyone".

One of the more exciting incidents Bill recalls was chasing a car thief who abandoned a stolen car at Jog and Glades Road, ran through Boca West and ran out onto the Turnpike. Several residents sighted the person, reported his location to the sheriff and he was apprehended. Bill adds that this community has always been supportive to law enforcement.

In the past 15 years, the internet and other technology has made the job easier. Now all officers are connected to both Boca West Security and the Palm Beach County Sheriff's department. Backup is always available to respond quickly. All officers now wear body cams for accurate reporting of all incidents.

When asked what he likes about working in Boca West, he answered with an easy smile, that the community is so active and does so much impressive charitable work.

Looking towards his retirement, Bill plans to spend more time with his five grown children and three grandchildren. He loves to travel and hopes to do more of that as well.

As we thank him for all of his years of taking care of us, we wish him a happy retirement.

Danny Bejarano,
BWMA President

CHAIRMAN'S LETTER

Spring is in the air, along with new beginnings and a promising agenda filled year ahead for your Board of Governors. As I begin my second term as your Chairman, I am energized, focused and enthusiastic for the year ahead. I'd like to thank the Board of Governors, Management and our Members for their friendship, trust and support this past year as we embark on a fast-paced year ahead. We will continue to maintain a foundation of strength, mutual understanding, communication and growth across our global Boca West community. Together we will continue to uphold our long-standing commitment to excellence, top rankings and the very best place to live and enjoy the paradise we call Boca West.

I am pleased to share that the **2025-2026 Board of Governors** has already been set into motion with committee assignments, Board Orientation, meetings and initiatives. I'd like to welcome our newest Board Members, Teri Cox, Alan Lustrin and Linda Singer, and congratulate Steve Roth and Jonathan Schraub on their second term. I would also like to extend our sincere gratitude to the election nominees Jack Roth and Diane Zager, for their dedication to Boca West and for professionally and admirably stepping forward for consideration going through the entire nomination process. We greatly value and appreciate their interest, volunteerism and contributions to the Club.

Our Annual Meeting was well attended. Nearly 400 members attended virtually via YouTube with several hundred more members in attendance. This year, for the first time, we welcomed **the Fuller Center's *"Snoopy Class"***, comprised of engaging four-year-old children from the Boca Raton Community, who sang and danced for us. They were delightful and presented us with a beautiful card of thanks signed by the performers. In addition, **The Boca West Chorus** led the members in a beautiful and inspiring rendition of *God Bless America*. Our sincere thanks to all of our talented singers for giving of your time and talent. It truly made the start of this year's Annual Meeting extra special.

During each week in March, the Special Projects Committee, Management and our well-respected and experienced Industry Professionals, presented the proposed 2025 Boca West Capital Improvement Plan at four well attended in-person informational gatherings at the Club. The full scope of the proposed project, financing and vision were shared in these highly interactive and engaging forums, along with questions from membership to a panel comprised of project team members. In advance of the March meetings, on February 26th all members received a Frequently Asked Questions (FAQ's) follow-up email from the Special Projects Committee. The FAQ's thoroughly addressed all of the questions and suggestions received as a result of reviewing the Capital Improvement Plan brochures which were mailed to our membership in February. As of this writing, we are not yet informed of the Vote or quorum result, which is to be finalized at the Special Meeting of the Members with VOTE on March 27. Communication to the entire membership will also be generated upon the CPA firm of Goodman & Goodman, Inc. officially tallying the voting result and confirming a quorum.

As I mentioned at the start of this article, we look forward to fresh and exciting new beginnings, continued growth and unity for Boca West and one another. It's been a wonderful experience this past year partnering closely with Matthew Linderman, the Board, our Master's Association Leadership and community at large. By continuing this momentum and building upon our collaboration, we will meet any possible challenges and continue to achieve our goals. Henry Ford said it best, **"Coming together is a beginning, staying together is progress and working together is success."**

As the holidays of Passover and Easter bring us closer to family and friends, my husband Merrill and I wish our Members and Staff the gifts of renewal, peace, family, friendship, hope and joy. **The Best is Yet to Come.**

Sincerely,

Jeanine Banks

OMBUDSMAN

Contact Philip Edwards at ombudsman@bocawestcc.org and include "Ombudsman" in the subject line.

Philip Edwards

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

SUNSHINE COMMITTEE

Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.
