PRESIDENT'S LETTER

Dear Member,

CAN YOU BELIEVE MARCH IS ALREADY HERE? This season is flying by, and it's been wonderful to see so many of you making the most of our facilities and creating lasting memories with family and friends. With plenty of exciting events and activities to come, be sure to check out this issue for everything you won't want to miss.

Our very own Director of Golf Instruction, Pam Elders was honored with the prestigious National PGA Player Development Award at the PGA Show in Orlando. This remarkable recognition highlights Pam's exceptional efforts in growing the game of golf and her profound impact on the players and Members at Boca West. For years, Pam has been key figure in advancing player development for many years, but most notably, she has fostered meaningful friendships among Members, enhancing their overall enjoyment of the game. Pam, we love you and are incredibly grateful to have you in our lives.

A special thank you goes out to the 316 Members who generously volunteered their time for Hope Week from January 27 to February 2; there were over 10,000 hours logged in support of our community. Your dedication to Boca West Cares is truly inspiring! Please turn to pages 24 and 25 to see the memorable moments shared by our Members from this incredible week.

I'm thrilled to announce some exciting news—**Boca West Country Club has once again been named one of the Top 10 golf retail operations in the world!** We have received the prestigious **"Best of the Best" Platinum Award** by the Association of Golf Merchandisers, honoring excellence in merchandising, promotions, customer service, and retail innovation. A big thank you to **Emily Gifford, Director of Retail, and her incredible team**, whose passion and creativity continue to set us apart in the golf retail industry.

Crafted Art and Epicurean Studio is now officially open! Members are already enjoying this vibrant space where creativity knows no bounds. Our calendar is packed with exciting art and culinary classes, please look at the calendar of events in this magazine for more details.

CRAFTED
AN ART AND EPICUREAN STUDIO

Our March theme night —**Starlight Spring Soiree** is taking place on **March 14 and 15**. We're excited for you to immerse yourself into an enchanting evening where the vibrant charm of spring blends seamlessly with the magic of the stars. The **Starlight Spring** Soiree promises a night filled with elegance, wonder and unforgettable celebration. For more details, turn to page 9.

Looking ahead, I'm delighted to announce the return of **Tanglewood at Boca West**, taking place **LIVE on the Driving Range on Wednesday, April 9**. This year's theme is *LOVE SONGS* showcasing a series of romantic love stories, musically brought to life by the Lynn University Philharmonia. It promises to be an enchanting evening that will captivate the Boca West Audience with a night of romance.

With spring just around the corner, our **Easter and Passover celebrations** are fast approaching. We invite you to join us for our **Easter Champagne Brunch** in Panache on **April 20**, as well as our **Seder Dinners** in the Grand Ballroom on **April 12 and 13**. Please be sure to submit your requests before the deadlines to ensure your spot.

By now you should have received the mailing on the **Club Capital Improvement Program** that is being presented to you for a vote in March. If you did not receive the mailing, please stop by the Executive Office in the Country Club building for a copy. We've made it very accessible by sharing it through the Club's micro website which features renderings, videos and interviews on the project (scan QR code to access the site). We also have several presentation meetings scheduled with myself, the Board of Governors as well as the Architects and Design Consultants: Wednesday, March 5 at 1pm; Friday, March 7 at 2pm; Friday, March 14 at 2pm and Tuesday, March 18 at 2pm. Please plan to attend one of these presentations to get all of your questions answered.

As part of our ongoing commitment to enhancing our golf facilities, we are pleased to announce a major improvement project for Dye IV this summer. We will be re-grassing the course, excluding the putting surfaces, with Bimini Bermuda grass to align with the turf on Fazio II. This comprehensive re-grassing initiative will be carried out in four phases, beginning with the initial spray-out on April 14. The golf course will remain fully open through the first week of May to minimize disruptions. We are excited to share this transformation with you and will provide regular updates, including photos and videos, as the project progresses. Thank you for your continued support as we work to enhance your golfing experience.

I'd like to extend my gratitude to all who attended the **Annual Meeting**, whether in person or via our live-streamed YouTube broadcast. As a reminder, if you're interested in **serving on a committee**, please submit your request along with any relevant experience to **Cathy Stergios at cstergios@bocawestcc.org** by **March 6**. We look forward to working with our newly elected **Board of Governors and committee members** throughout the 2025-26 season.

Lastly, a friendly reminder that **membership cards or MEMBER IDs on the Club app** are required when checking into all Club facilities. Family members must also present their **Gold Card**, and we kindly ask that everyone cooperates with our staff when verifying access. Additionally, please note that the Boca West **App and Website are for Members only**—Gold Card holders, as offspring guests, do not have login access.

As always, I encourage your thoughts, comments, and suggestions regarding your Club. Enjoy everything spring has to offer at Boca West—I look forward to seeing you around!

Sincerely,

Matthew Linderman, CCM

PANACHE UNCORKED WINE NIGHTS

featuring wines from the Pacific Northwest

Discover Pacific Northwest

Thursday, April 24
Serving from 5:30pm in Panache

Most wine enthusiasts and many professionals don't know much about wine regions of the Pacific Northwest. That part of the country isn't highly populated and the wine appellations are somewhat removed from the big cities. Tourism focuses on places such as Seattle and Portland, rather than the vineyards. And California captures not just most U.S. wine sales, but also most of the mindshare.

California represents about 85% of the U.S. wine production. But most of the rest comes from the Pacific Northwest. Washington State is the country's second-largest wine producing state. Oregon is fourth and crafts a disproportionately high number of top-scoring wines. Then there's British Columbia which, if it were a U.S. state rather than a Canadian province, would have the fifth-most wineries.

There are fabulous wines coming from the Pacific Northwest. The wine regions are distinct both scenically and in the personalities of their wines. The area provides wine lovers with compelling options for dozens of grape varietals and blends.

It was quickly noticed and appreciated by an international group of critics. COMEDY NIGHT

Maryellen HOOPER

Thursday, March 20
8:30pm, Golf & Activities Center
$45 per person

A veteran in the world of stand-up, Maryellen Hooper's comedy has taken her from clubs and colleges to theaters and television. She's appeared on many late-night talk shows including several appearances on "The Tonight Show" with Jay Leno. Her half-hour special on Comedy Central called "Lounge Lizards" received rave reviews and was played on heavy rotation. In 1998, the comedy industry awarded Maryellen "Funniest Female Stand-Up Comic" at the American Comedy Awards. Recently, the Walt Disney Company has asked Maryellen to perform on all four of its beautiful cruise ships; making her one of a very few comics who have.
A physical storyteller, Maryellen's act is an ever-evolving saga about her life as a woman, wife and mother. Never crude or offensive, her accounts of life's little annoyances leave audiences exhausted from laughter. From home repairs on her family's "Fixer Upper" to raising two odoriferous boys, no story is too sacred to share with her audiences.

Danny Bejarano, BWMA President

Dear Boca West Residents,

In our continuing work to provide value to the leadership of the Boca West Villages, the Master Association has begun to organize relevant content-rich seminars. The need for these seminars has become even more important given the numerous new laws for Condos and HOAs that took effect on July 1, 2024, partly in response to the Surfside Condo collapse in 2021. These new Florida laws, intended to provide transparency, accountability and resident protection, include mandatory training sessions, new actions for communities and following new protocols for running board meetings.

By the end of February of this year, the Master Association will have conducted four educational seminars, each one attended by over sixty Village leaders. Presenters at these seminars have included attorneys from local law firms, Palm Beach County Sheriff's Office, BWMA Directors and key managers from various BWMA departments, including our head of landscaping, Lawson Turner. Information about these past programs can be found on the www.bocamaster.com website under the Village Leadership tab.

Looking forward, there will be future leadership meetings covering topics including insurance, reserve funding requirements for villages, creating Village websites and other topics to help Village leaders comply with the new state rules and enhance their abilities to successfully lead their Villages and manage issues.

The Master Association has plans to supplement these seminars with smaller size Village Leadership Roundtables where best practices and discussions of solutions to current issues can be shared among the Village leaders.

In addition to Village Leadership Education Seminars, BWMA will also be organizing presentations by industry experts on topics of interest to all BW residents – with an emphasis on safety. The first one was an interactive session to educate residents on how to prevent scam victimization.

Initial feedback from these new programs has been very favorable. We invite all residents to provide us with suggestions for future programs.

Danny Bejarano,
BWMA President

HOPE WEEK

January 27- February 2, 2025

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty-five (45) days in which to appeal the decision to the Board.

Three Grievances will be presented.

Grievance 14-2024

This Grievance was submitted by the Chairman of the Membership Committee against a Member for falsifying information on Boca West Membership Application Documents in 2022 and 2024, which is in violation of the Club's Bylaws: Article X, Section 10.02.

The Member purchased a home in Boca West in 2022. On the Confidential Questionnaire of the Membership Application, the Member stated that they were "married". The Member sold the property and purchased another property within Boca West in January of 2024. Again, multiple documents were falsified by signing as "married". These documents included a "Request for Equity membership", "Boca West Membership Documents", "Boca West Internal Transfer Policy Form", and the specific village "Application for Approval of Purchase" form.

In August of 2024 the Member called membership to add a Special Designee to the Membership. When questioned about his marital status it was stated that they were never married. At the Grievance Committee hearing, the Member stated that the "marriage" was a "matter of interpretation".

The Grievance Committee Recommendations to the Board of Governors:

1. Two (2) year Suspension from all Boca West venues and activities.
2. Appropriate letter documenting this Grievance to be placed in the member's Member File.

The Board of Governors agreed with Grievance Committee recommendations.

The Member appealed the Board ruling and appeared before the Board. The terms of the suspension were amended and reduced to: One (1) year suspension from all Boca West venues and activities, while in residence followed by One (1) year probation, while in residence.

Grievance 15-2024

This Grievance was submitted by a group of Members who were playing in a golf foursome against a Member for inappropriate behavior and conduct which is in violation of Bylaw Article X, Section 10.02 and the Club's Rules and Regulations. The alleged inappropriate behavior and conduct includes cutting in front of and hitting over the golf foursome. Review of Member files disclosed no prior disciplinary incidents for any party involved in this Grievance.

Investigation of the Grievance Committee confirmed the Member had played through the foursome after being told that it was not permitted. At the Grievance hearing, the Member apologized for the inappropriate behavior and conduct and was previously unaware of the Rules and Regulations.

Grievance Committee Recommendations to the Board:

1. Three (3) month suspension from all Boca West Golf venues and activities, followed by a three (3) month probation for all Boca West venues and activities. Both while in residence.
2. Letters of apology to the Board of Governors, Matthew Linderman, COO, President, and General Manager, Travis Wehrs, Director of Golf, and one letter to the golf foursome.
3. An Appropriate Letter to be placed in the member's Member File.

The Board of Governors agreed with the Grievance Committee.

There was no appeal.

The Grievance Committee reminds membership that Member-Member confrontation is discouraged at the Club and is against the Rules and Regulations: If situations involving member behavior at any venue or activity arise, please notify the managers of that venue to resolve the issue. Additionally, Golf General Rules state: "Cutting-in" and "jumping over" are not permitted at any time; Anger, frustration, or confusion on the Golf Course, Call the Golf Shop for a Ranger: 561-488-6924

Grievance 16-2024

This Grievance was submitted by the Chairman of the House and Activities Committee against a Member for behavior which violated Bylaw Article X, Section 10.02. This Member allegedly made disrespectful remarks, with inappropriate physical contact towards Staff in the Aria Lounge.

The Grievance Committee heard testimony from Member and witnesses that were seated with the Member at the time of the alleged incident. They were very credible and sincere and emphatically denied the allegations. The employee involved in this incident had resigned from Boca West prior to the Grievance Committee hearing for unrelated reasons and was not available to testify. Staff supervisors testified but only could provide secondhand information as they were not eyewitnesses to the alleged incidents. They shared that reports of Member rudeness and abusive behavior to staff persists and is upsetting to our staff.

The Grievance Committee Recommendations to the Board of Governors:

1. No suspension and this incident, along with the Grievance report is to be documented in the Members membership file.

The Board of Governors agreed with the Grievance Committee.

There was no appeal.

CHARITY AND ORGANIZATIONS SPOTLIGHT

SPECIAL INTEREST CLUB

The Special Interest Club (SIC) is an organization whose mission is to educate, enlighten and entertain our club members. Although we are not officially affiliated with the Club, Boca West supports us by providing space in the Golf and Activities Center and audiovisual resources, to enhance our meetings. Our current program director, Michele Cangiano, recruits talented musicians, gifted speakers, Professors and Historians from local universities who discuss both current and historical events and individuals. Our musical programs, both instrumental and vocal, cover all genres including classical, folk and "great American songbook". Films are shown and discussed by filmmakers and acknowledged movie critics. There is an annual membership fee per person which covers all scheduled events. For the current season we have 32 events scheduled, making membership in the Special Interest Club the biggest bargain in Boca. Our "season" runs from November through March. In the 25 years of our existence membership has grown to the hundreds and we look forward to greeting new members to share the experience of learning and listening in a warm and friendly environment, right here in Boca West.

Boca West Chapter of The Pap Corps

Mission Statement: To raise crucial funds for cancer research at Sylvester Comprehensive Cancer Center, University of Miami, Miller School of Medicine. It is the ONLY NCI (National Cancer Institute) designated Cancer Center in South Florida.

What is The Pap Corps: The Pap Corps is one of the largest all-volunteer fundraising organizations in South Florida and is solely dedicated to supporting the crucial research done at Sylvester Comprehensive Cancer Center which was opened in 1992 at the University of Miami Medical School. The organization was named for Dr. George Papaniclaou, who more than 70 years ago lost his wife to cervical cancer and vowed to find an early diagnostic test. The Pap Smear is the result of that promise and has saved countless women's lives. The charity now has chapters in almost 50 gated communities throughout South Florida with over 20,000 members and has donated over $100,000,000 to support Sylvester.

What is The Boca West Chapter of The Pap Corps: The Boca West Chapter is the largest of all the chapters with almost 1,500 members. Our members are engaged in numerous activities and offer myriad opportunities for involvement. The rewards of membership are many but the Physician Referral Program which makes it possible for a member (or their family members) who has been diagnosed with cancer to see a specialist at Sylvester within 48 hours has saved countless lives here at Boca West and is clearly our most important benefit to members.

Boca West Gilda Mallin Chapter of Hadassah

Mission Statement: Hadassah the Women's Zionist Organization of America, is a volunteer organization that inspires a passion for and commitment to the people and future of Israel. It does this through advocacy, youth development, medical care and research at the Hadassah Medical Organization and therefore enhances the health and lives of people in Israel, the US and worldwide.

What is Hadassah: Today, we're 300,000 strong, across the country and across the generations, proof of just how big an impact we can have when we bring philanthropy and women's leadership together. For 100+ years, Hadassah has worked proactively to find and implement solutions to some of the most pressing challenges facing each generation. Together, we're advancing women's health, supporting a strong Israel and instilling Jewish values in future generations. We're helping women find their voices to advance health equity, and fighting hate and antisemitism in the US, and modeling shared society in Israel. Thanks to the medical system in Israel we helped create, new treatments and scientific breakthroughs are saving lives around the world. Hadassah empowers women to find innovative ways to connect, advocate and become powerful leaders. Our members make our mission possible, and help make miracles happen for people who need it the most.

March Madness is in full swing in the Shoppes at Boca West. Three HUGE events are planned for the month beginning with the **NEW FootJoy Foot Wear FitLAB** on Saturday, March 8 from 10am-4pm on the lawn outside The Golf Shoppe. FootJoy has gathered, collected and analyzed data on thousands of golf swings and determined there's not one shoe for every player. Based on a player's interaction with the ground, we can determine the best shoe to fit their swing. With the FJ Performance Fitting System, we only need three swings with your driver and five minutes to determine the right shoe for your swing. Call The Golf Shoppe today 488-6960 to sign up for your personalized fitting appointment to help you find the right golf shoe for your game!

March 17 is our annual and most requested sale event of the season: **The Pot of Gold Spin the Wheel Sale** in the Golf Shoppe, The Racquet Shoppe, The Boutique, and the Cabana Shop. Spin the Wheel for discounts ranging from 20-50% off in-stock apparel, jewelry, giftware, and accessories. In-stock footwear will be discounted 15% off this day only! This is your chance to give your wardrobe a spring re-fresh!

March 21 is a double-header event: **NEW Spring Shopping Open House** on the lawn outside The Golf Shoppe AND **Super Demo Day** on the driving range. Shop your favorite apparel, jewelry, and giftware vendors AND shop the latest and greatest in golf equipment from 10am-3pm

Finally, March 27 is our **Let your Logo Shine Sal**e. Wear the Boca West logo into The Golf Shoppe, The Boutique or Cabana Shop and receive 20% off a purchase of in-stock apparel.
