PRESIDENT'S LETTER

Dear Member,

LET'S CELEBRATE SUMMER AT BOCA WEST! As summer unfolds, we invite you to make the most of the sunny season with us here at the Club. There's a full lineup of events, activities, and experiences waiting for you—and something for everyone to enjoy! If you haven't already, take a moment to browse our *Summer Brochure* of packed with events and activities. You won't want to miss out.

This year, our Lifestyle and Wellness programming has flourished, expanding across our five **Live Well pillars: Nourish, Connect, Move, Focus, and Recover.** Please look out for details on **Wellness Week** beginning June 9, leading up to Global Wellness Day on June 14. Our perfectly curated **Wellness Journey Challenge** will allow you to explore different areas around the Club and you will discover how you are already living the Live Well pillars in your daily routine through your favorite activities. It's the perfect opportunity to explore the full spectrum of wellness offerings available at Boca West. Please visit our Live Well concierge desk for more details. Let's use the Summer to reset, body, mind, and spirit.

Last month, we celebrated our wonderful "Moms," and this June, it's time to honor all the special men in our lives—our amazing "Dads"! Join us for a **Father's Day Brunch** on Sunday, June 15 at Panache, featuring all of Dad's favorites, a delicious lunch and dinner special, and a complimentary Bloody Mary just for him!

Looking further ahead, we're gearing up for two holiday events of the season:

Our **Independence Day Celebration** on Friday, July 4 and our **Labor Day Celebration** on Monday, September 1. These weekends are all about family, friends, and fun. Whether it's a day on the golf course, a tennis or pickleball game, shopping, dancing, dining, or relaxing by the pool, there's plenty to keep you entertained and engaged.

It's also hard to believe that just a year ago we broke ground on ***CRAFTED: An Art and Epicurean Studio***. Since opening earlier this year, it's already become a member favorite, hosting everything from culinary demonstrations and wine and spirits tastings to painting, and even chunky blanket making! Trust me, we are just getting started and I love the creativity this amenity has inspired.

You may have noticed some new faces around the Club! As we transition from our seasonal international team members, we're welcoming a new group of staff, including Hospitality Management Interns from universities across the U.S. and J-1 visa students from Portugal and Ireland. Thank you for your warm welcome, patience, and kindness as they get oriented and trained.

Behind the scenes, preparations are well underway for the 2025/2026 budget. Our Budget Committee and Department Heads are working carefully to create a balanced, forward-thinking plan that supports the high level of service and programming you've come to expect from Boca West.

And as always during the quieter months, we're taking this time to complete important repair and maintenance work across the Club. From our restaurants to recreation facilities, these updates ensure everything stays in excellent condition. Keep an eye on your email for updated dining hours and the weekly This Week at Boca West newsletter for the latest news.

As always, I encourage you to share your thoughts and suggestions with us. It's your Club, and your feedback helps us continue to grow and improve. I look forward to seeing you around the Club this summer!

Wishing all the fathers in our community a joyful Father's Day and everyone a safe, festive Fourth of July.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

HELL’S KITCHEN

Thursday, March 12

Ali is a 17-year-old girl full of fire – searching for freedom, passion and her place in the world. How she finds them is a New York City coming-of-age story you've never felt before – Hell's Kitchen, a new musical from 16-time Grammy® Award winner Alicia Keys, whose new songs and greatest hits about growing up in NY inspire a story made for Broadway. Rebellious and stifled by an overprotective single mother, Ali is lost until she meets her mentor: a neighbor who opens her heart and mind to the power of the piano. Set to the rhythm of the 90s, Hell's Kitchen is a love story between a mother and daughter. It's about finding yourself, your purpose, and the community that lifts you. Come remember where dreams begin. Hailed as a New York Times Critic's Pick that is, “thrilling from beginning to end – a rare must-see!" Hell's Kitchen is directed by four-time Tony Award nominee Michael Greif, with choreography by four-time Tony Award nominee Camille A. Lifestyle and Wellness - Wellness, Water and a Whole Lot of Ahhhh

Summer at Boca West is a vibrant season filled with sunshine, activity, and social connection. But as temperatures rise, so does the importance of taking care of our bodies, especially when it comes to exercise, hydration, and heat safety. Whether you're enjoying the outdoors or staying cool inside, a few smart wellness habits can help you thrive all summer long.

The Power of Age-Appropriate Exercise

Staying active is one of the most powerful tools we use to support healthy aging. But in the summer heat, it's essential to adjust our routines. Outdoor activities like golf or tennis are great, but only during the cooler hours and with proper sun protection and pacing. Our Aquatics Center offers adult and family pools. Our lap pool and children's pool now have "chillers" to enhance your experience.

When it's too hot outside, head to the Fitness Center or Pool House for a yoga or Pilates class, or try something new like Tai Chi, Zumba, or Cardio Drumming. These provide excellent movement without the risk of overheating. Another option would be to try one of our virtual offerings.

Hydration Is Key

As we age, our sense of thirst naturally diminishes, which means dehydration can sneak up on us, especially in hot weather. Even in cooler climates, air-conditioning and outdoor activities can increase your need for fluids. Mild dehydration can lead to fatigue, confusion, and muscle cramps, so it's important to stay ahead of it by drinking liquids regularly throughout the day.

Be sure to try a new beverage in Market Square or The Spa. We have great fruit-infused waters and teas to try in our Spa Lounges and Spa Garden when you book a treatment or attend an activity in those areas.

Tips to stay hydrated:

- **Start early:** Drink a glass of water first thing in the morning to jump-start your hydration.
- **Sip often:** Don't wait until you're thirsty. Carry a water bottle and take small sips throughout the day. Add slices of lemon, cucumber, or berries for flavor.
- **Balance with electrolytes:** If you're sweating from exercise or time in the sun, consider drinks that replenish electrolytes, like coconut water, sports drinks and electrolyte enhanced water.
- **Choose hydrating snacks:** Enjoy fruits and veggies with high water content like watermelon, cucumber, and oranges.
- **Limit caffeine and alcohol:** Both can be dehydrating. Alternate with water when enjoying your favorite beverages.

Understanding Heat Exhaustion

Heat exhaustion can come on quickly in Florida's summer sun, especially during midday activities. Symptoms like dizziness, excessive sweating, or nausea need immediate attention and care.

Fortunately, Boca West offers plenty of ways to stay active and connected, indoors. In addition to the many Fitness Center offerings, a relaxing visit to The Spa is a perfect way to enjoy a hot summer day. You can also join a dance or art class, attend an educational lecture, or spend the afternoon playing bridge, canasta, or mahjong in our cardrooms. There's always something to keep you engaged, active, and connected, all while staying cool and out of the sun.

Staying Connected from Afar

Whether you're at Boca West or spending summer in the mountains, by a lake, or in a city up north, we encourage you to stay connected. Wellness isn't just physical it's also emotional and social. Reach out to friends, join an online class, or follow Boca West updates through the app or email. We're always just a click away.

Enjoy the Season Wisely

Summer is a time to be active and connected, but it's also a time to listen to your body. Stay shaded, rest when needed, and opt for indoor alternatives when the heat becomes too intense. Wellness is a year-round journey, and Boca West offers countless opportunities to stay healthy, have fun and remain connected, even on the hottest days. Let's embrace the energy of the season with wisdom, wellness and water.

Stay safe, stay strong, and stay well. We look forward to being together in the Fall with everyone refreshed and revitalized after the summer.

Please know that we are always listening. Your suggestions are welcome and appreciated. If you have any questions or something you'd like to share, please reach out to our Live Well Concierge at 488-7813 or me directly at biroberts@outlook.com

LET'S CONNECT

By Robin Shulman, Communications & Marketing Committee Chair

Are you STILL carrying around your Boca West Membership Card????

Did you know that you can easily use the Boca West App instead of carrying around the membership card?

If you have the App on your cell phone but you have never used it before, you will need to log into the App with the same username and password that you have been using for the Website. If you do not have a username and password for the website, or you have forgotten your username and password, please contact Communications at 561-488-6975 to get a username and password or to have your username and password reset.

If you have not yet downloaded the **FREE** Boca West App on your cell phone, take some time out **RIGHT NOW** to do so and you will no longer need to keep your membership card with you at all times. If you have an **iPhone**, make sure that you know your Apple ID and Password. If you have an **Android Phone**, make sure that you know your Google Play ID and Password.

Then go to the App Store or Google Play Store, click the search icon and enter Boca West Country Club in the search bar at the top of the page. The icon for the App will look like this . Click to download the App and then the App will appear.

Log in with your username and password.

Once you have the App on your phone, when you open the App, you get a page that looks like this:

Click on the bottom right-hand corner of the page where it says Member ID and you can present your phone instead of your physical membership card.

Please note that offspring must keep their gold cards with them at all times, and it must be activated if they are using the Club's facilities without you.

I hope everyone has a great summer and will be taking advantage of all the new summer activities planned for those of us who are staying around "campus" this summer. For those of you who will be away for the summer, enjoy yourselves and we will see you in the fall.

THE SHOPPES AT BOCA WEST

Linda Singer, Retail Committee Chair

While I can't promise that every retail article this year will feature a catchy 70's jingle, it's hard to discuss this month's topic without mentioning the iconic car commercial featuring the phrase, "You asked for it, You got it." Boca West is your club, and the six (soon to be seven) shoppes at Boca West are YOUR shoppes! A lot of time and thought goes into finding the upscale lines to meet your equipment and apparel needs while ensuring a memorable and enjoyable shopping experience. Our Retail staff diligently scouts for apparel, equipment, accessories, and gifts at over a dozen trade shows each year to keep the shoppes' inventory fresh for all the major buying seasons: Fall, Holiday, Resort, Spring, and Summer.

While we leave the buying to the professionals (a huge shout out to Emily Gifford and her amazing team), this year's Retail Committee kicked off with fantastic suggestions regarding clothing styles, lengths, patterns, and ideas for additional types of apparel, including resort wear and athleisure, as well as Boca West branded gift merchandise and specific vendors they'd love to see in the shoppes. Think of the committee members—Camille Bauer, Jennifer Lustrin, Ira Malin, Cindy Salik, Jodi Siegel, Howard Tanenbaum, Lisa Yarnell, Vice-Chair Mark Haberman, and me—as your personal ambassadors. Our committee wants to know what you're looking for in a Boca West retail experience.

In a perfect world, the buying cycle would align with our committee calendar, but since it doesn't, we want to extend our gratitude to prior Retail Committee members for their valuable suggestions, which led to the addition of the following items and categories into our Shoppes: more pickleball apparel and giftware, athleisure wear that can be worn across all of Boca West's wonderful amenities, private label apparel & headwear, novelty sweaters, more men's and ladies' slacks, dress shirts, blouses, sport coats, and dresses for card room and evening wear. Also look for the playing cards, bridge, Mah-Jong and Canasta giftware and accessories which have started to arrive.

We can't wait to see what this year's Retail Committee and our current staff will achieve during Boca West's upcoming 40th anniversary year!

ON THE COURSES

Danny Schulman,
Golf Committee Chair

As our golf season winds down, I want to extend my warmest wishes to those heading off on summer adventures, and to those staying local, get ready for an exciting summer ahead at Boca West.

We're fortunate to have assembled a remarkably talented and diverse Golf Committee, dedicated to advancing our ambitious goals for the upcoming season. I'm thrilled to be partnering with our new Vice Chair, Artie Schwartzman, whose expertise and enthusiasm will be invaluable to our golf community.

Currently, we are progressing through the first two phases of the Dye IV re-grassing project, and I'm pleased to report that everything is on schedule. We look forward to the course reopening in November. Once completed, similar to the Fazio II Re-grass, golfers will be permitted to drive on the fairways, a welcome benefit for our members.

To keep everyone informed about ongoing golf projects, we will continue producing informative videos now featuring drone footage to serve as an efficient and engaging way to communicate updates throughout the summer.

Our goals for the season include improving course conditions, optimizing tee time availability, enhancing tournament scheduling, reinforcing our commitment to course maintenance, and ensuring golf cart safety. With the collaboration of our committee, we're excited to roll out several new initiatives that will elevate the member experience.

We also want to recognize Travis Wehrs and Mike Bove, who recently competed in the Fourth Annual South Florida PGA Play Yellow Birdie Bash. Their performance was outstanding, making 39 birdies over 81 holes at PGA National. More importantly, they helped raise over $16,000 for the Nicklaus Children's Health Care Foundation and the South Florida PGA Foundation, contributing to the event's total of over $300,000 raised. We're proud of their efforts and the impact they've made.

A special highlight from our team, Pam Elders, who has been with Boca West for 22 years, continues to leave a lasting legacy. Pam recently gave a lesson to the fourth generation of a family she's taught over the decades. It began with Harry and Ann Korman at Westview Country Club in Miami, and continued at Boca West with their daughter Eunice Ring, her children, and now, her great-grandson, Graham. It's a remarkable testament to the deep relationships built through the golf program at Boca West.

Looking ahead, we remain committed to staff training and communication, with a strong emphasis on clearly conveying our rules and regulations to all members. This year, we will also be implementing new standards for golf carts approved for course access another step toward ensuring a safe and enjoyable experience for all.

In closing, I wish everyone a fantastic summer. For those traveling, enjoy your time away. For those staying, we look forward to sharing an exciting summer with you. And to everyone we can't wait to welcome you back this fall.

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

We had one of the best Racquet Sports Awards dinners of recent memory with over 300 people and took over the main ballroom. Awards were given to the tennis and pickleball club and league champions. A good time was had by all with again great music and food. Next year for planning purposes we are going to have just two dinners instead of three by eliminating the January dinner and only having the Opening and Closing (Awards) dinner. We are going to keep both at the levels Boca West members have grown to expect.

At the awards dinner I talked about the growth of Racquet Sports and wanted to share my findings with the rest of the membership: From October 1, 2024 to March 31, 2025 (this season), we had an impressive 36,500 check-ins for tennis and pickleball—up 30% compared to last season's 29,000. Breaking it down, 30% (11,100) were tennis check-ins, and the remaining 70% (25,400) were for pickleball. Fun fact: almost half of our pickleball check-ins are golf members too! These figures show how many members have been using both tennis and pickleball courts over the past year. The growth numbers are substantial, and it looks like they are only going to continue to grow. The phenomenon that once was Pickleball is clearly coming into its own and is here to stay.

After looking at the updated numbers we have done more check-ins in the first six months of 2025 than we did all last year, this shows that we are still growing at a rapid pace in Racquet Sports. On the individual check in front, Glen Friedman led the way for tennis, while Barry Goldman claimed the pickleball crown for the second year running. Congrats to both!

We also continue to have a tremendous number of crossovers between tennis and pickleball, which is showing a major resurgence in this area. We are very excited about the growth of our sports and that people are choosing to come to Boca West because of our facilities. I want to thank the membership for their vote of confidence in approving the refurbishment of our Racquet Sports facilities, it will help us keep up with the growth and keep us at the forefront of Racquet Sports facilities in the country.

A special shoutout and congratulations to John Joyce, our Director of Racquet Sports, on being the first recipient of The Directors Club of America Lifetime Achievement Award at their recent conference held here at the Club. John has been here at Boca West for over 31 years, and this is a well-deserved award for what he has meant to the Racquet Sports community and here at Boca West.

After thanking last year's racquet sport committee last month, I want to welcome the new one. We had our first committee meeting, and I am very excited to be working with such a varied and accomplished tennis and pickleball group. We have some new additions and some returning members. They will all be a welcome addition to the committee.

As for summer activities on the courts, Memorial Day events are scheduled for May 23 and 24 (pickleball and tennis respectively), Independence Day on June 27 and June 28, and August 29 and August 30 for Labor Day. Pickleball tournaments this summer will be held on Fridays to avoid conflict with Golf events. Don't forget the Boca West Children's Foundation clinics that will be held June 16-27. It's both great fun and gratifying to interact with these delightful, enthusiastic kids.

If you have any questions or suggestions, please feel free to reach out to me Steve Roth, Chairman or Alan Lustrin, Vice-Chair. Thanks, and if you are leaving us this spring/summer for parts unknown, please have a safe and fun summer.

Remember, stay active, stay connected, and enjoy playing! Let's make the most of this wonderful time of year.

BOCA WEST
MASTER ASSOCIATION
Keeping Boca West Safe and Beautiful

Danny Bejarano,
BWMA President

Dear Boca West Residents,

As "the season" winds down, we are also aware that the annual hurricane season is beginning. Officially, the Atlantic hurricane season starts on June 1 and will last through the end of November.

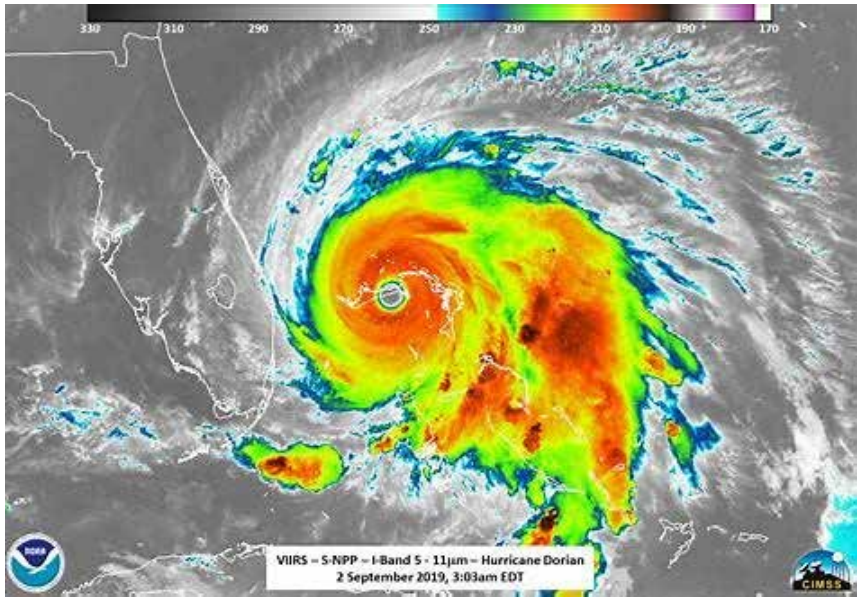

The Master Association's primary concern in the event of a hurricane is the health and safety of our residents. We have compiled a comprehensive guide that covers a wide variety of information and resources. This information can be found on our website at: https://bocawestmaster.com/emergency-preparedness/

This information is also available in a hard copy booklet that you can pick up at the Boca West Security office just outside the gate at the Glades Road entrance.

Whether you're a longtime resident or a newcomer to Boca West, the website and booklet will help you prepare for hurricanes. A checklist is provided to make sure you are taking the adequate steps to protect your home and valuables and remain safe – before, during and after these storms. Having a plan in place prior to any storm, reduces the amount of stress in dealing with the actual situation and emergencies.

The Master Association's security team monitors the weather conditions and will determine and then broadcast through emails and its website what precautionary measures need to be taken at appropriate times. If at any time you need further assistance before or after the storm, please reach out to our Security Office Emergency Line at 483-9229.

Danny Bejarano,
BWMA President

SUNSHINE COMMITTEE

Your friends and neighbors at Boca West would appreciate knowing important happenings. Please call 459-2419 with a detailed message about illness, death, milestone birthdays or anniversaries. This line is open 24 hours a day. Be sure to check the Member Announcements page on the Club's website for more information.

MEMBERSHIP COMMITTEE

by Mark Haberman, Membership Committee Chair

All prospective nominees for membership at Boca West interact with the Membership Department and the Membership Committee. This process includes a credit check, a civil check, and a criminal background check. This check is reviewed by the membership department and the membership committee. After this review, the prospect will have an in depth 30 minute in person interview with a member of the membership committee. If out of town, then the interview may be conducted via Zoom.

During the interview process, the financial obligations of living at Boca West are discussed in detail. This includes our dues package for the Club, as well as quarterly maintenance assessments by their new village. Additionally, they are made aware of add on activities like golf or racquet sports. Then the interviewer will review our culture and how we treat our staff with respect and our expectations of conduct befitting a private club. Lastly, we stress our culture of giving and the many opportunities to contribute and/or join some of our many charities. A good way to get started is to learn about Hope Week. We also encourage you to think about our charities, if you would like.

Once this process is complete, the nominee's request for membership is presented to the Board of Governors for approval. It is only after Board approval that the nominee can become a member at Boca West. This vetting process helps to preserve the integrity and quality of our membership at the club. Last year, our committee interviewed over 200 new members either in person or by Zoom.

When we ask new members what made them move here, the number one answer is our activities and amenity package. Many times, we are told that their family or friends told them to come to Boca West. We thank you, our current members for continuing to recommend Boca West.

Best wishes to all for a Happy and Healthy Summer Season.

OMBUDSMAN

Contact Philip Edwards at ombudsman@bocawestcc.org and include "Ombudsman" in the subject line.

Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

Building on the Success of Hope Week

Together, we aim to build upon the tremendous success we achieved in 2025.

This year's Hope Week served as a powerful reminder of the generosity and spirit within our Boca West community. We witnessed over 1,000 volunteer hours contributed by more than 300 members, making a meaningful impact on ten incredible charities:

- Boca Helping Hands
- Boca West Children's Foundation
- Boca West Chapter of the Pap Corps
- Fuller Center
- Gilda Mallin Boca West Hadassah
- Habitat For Humanity Greater Palm Beach County
- Literacy Coalition
- Lynn Cancer Institute/Boca Regional Hospital
- Place of Hope
- Tri-County Animal Rescue

As summer approaches and life begins to calm down, we invite everyone spending the season here to maintain their momentum. Think about reaching out to one of these organizations and offering your time. Every hour makes a difference, and your ongoing participation helps keep our community lively and connected year-round. BOCA WEST CHILDREN'S FOUNDATION

VOLUNTEERSPOTLIGHT

Ken and Ellen Schwebel:
Advocates for Children and Champions of Community Impact

Ken Schwebel and his wife, Ellen, are proud supporters of the Boca West Children's Foundation (BWCF) and its mission to serve less fortunate children throughout Palm Beach County. Reflecting on their involvement, Ken shares, "We've been blessed in life—with a loving family, professional success, and good health. But many in our community haven't had the same opportunities. Some children have grown up in foster care, moving from home to home. Others face the challenges of broken families, mental health issues, or a lack of basic resources like food. Through the Foundation, we're able to bring joy and stability to children who have endured so much hardship."

A dedicated volunteer and advocate, Ken has supported BWCF for several years. He recently co-chaired the Arthur Adler Memorial Golf Challenge, which raised over $700,000 in support of local children in need. He also spearheaded the Foundation's new Learn to Skate Night, an inspiring evening for children served by BWCF's partner charities. As a former ice hockey player and coach, Ken was thrilled to share his love of skating with children who rarely have access to such opportunities.

> *"Now it's time for a new generation to carry the torch and help shape the next 15.*

Recently appointed to the BWCF Board of Directors, Ken is focused on broadening community engagement and attracting new supporters. "This organization was built by remarkable individuals over the past 15 years," he notes. "Now it's time for a new generation to carry the torch and help shape the next 15."

Ken is particularly enthusiastic about developing interest-based events that appeal to a wide range of supporters. "When people attend a fun, meaningful event, they enjoy themselves while also learning about the children we serve and the impact we make. Once they see that, they naturally want to be a part of it."

With Ken and Ellen's continued leadership, BWCF is poised to deepen its impact and reach even more children in need.

THE PEOPLE BEHIND THE SMILES

by Teri Cox, Human Resources Committee Chair

Honoring the Heart of Our Club — Near and Far

Every day at the Club, members are greeted with warm smiles, seamless service, and a team that feels more like family. But behind those smiles are stories — powerful, personal, and deeply moving. Whether they've traveled across the world or come from just around the corner, our staff make sacrifices, build connections, and bring life to everything we do.

Our International Family

Each season, we welcome staff from across the globe — South Africa, Ireland, Portugal....and many others. These individuals leave behind more than just their hometowns. They leave parents, children, loved ones, and the comforts of home, all in pursuit of opportunity and a better future.

It takes extraordinary courage to step into a new country and a new culture, but they do it with optimism, professionalism, and heart. Their presence enriches our club's culture and reminds us that dedication and service transcend borders.

Our Local Legacy

Alongside them stand the team members who call South Florida — or other parts of the U.S. — home. Many have grown with the Club, becoming familiar faces and trusted employees over years and even decades of service.

Balancing families, education, and community commitments, these individuals bring stability, institutional knowledge, and a deep sense of pride in their work. They are the constant thread in the fabric of daily life at the club — the ones who know your name, your story, and your preferences.

Creating the Future

Junior Achievement - We are proud to partner with Junior Achievement to support future leaders. This spring, local high school students developed and presented ideas for a creative theme night. This upcoming summer, we're also offering 10 six-week summer internships, giving students hands-on experience across Club departments to build real-world skills.

Florida Atlantic University - In conjunction with a Club Management course at FAU, university students participated in a day of networking and speed interviews with regional private club leaders. Matthew Linderman, our Presidents welcomed the students and spoke about his career and the Club industry. We were also honored to welcome Kelly Grabowsky, CCM, Managing Director of FLCMAA to the event. With over 60 students and 40 industry professionals in attendance, the day was a celebration of hospitality career pathways and meaningful mentorship.

One Team, One Purpose

Though their paths may be different, our international and local staff are united by a shared mission: to create an exceptional, welcoming experience for every member, every day. It's their humanity, dedication, and quiet sacrifices that form the true soul of this community.

To each team member: thank you. We see you. We value you. And we are better because of you.

CHAIRMAN'S LETTER

The month of June is a very busy time at Boca West for your Board of Governors and Management. We meet to discuss the various departmental proposed budgets and work together to carefully analyze usage and needs to determine our 2025-2026 Operating Budget which will commence on October 1, 2025. Upon Board approval at the June 26 Board Meeting, the Dues Renewal will be mailed to membership in early July. We commit to a prudent review, while ensuring its scope encompasses an ever-growing trend of post season members in residence, various economic impacts, projected forecasts while meeting member expectations and needs of the new Season.

As our "Season" has grown from a six to ten month plus cycle over the past several years, we see an all-time high of member usage across every venue, amenity, and consumption outlet. We are pleased that our members are enjoying all of the new facilities, dining options, events, spa treatments, expanded wellness & fitness classes, aquatics complex, sports, activities, and programs. Management looks forward to unveiling more offerings in the months ahead given trends, member suggestions and the growth and evolvement of our demographic. It truly is an exciting time in Boca West's history and for each of us to be part of it.

It is important to note that Boca West is a not-for-profit organization, and that the building blocks of our budget encompass the costs to support and deliver all of the amenities, food, beverages, and services we as members enjoy. The Budget also covers the expenses of current and projected economic increases of cost drivers such as insurance premiums, property taxes, regulatory wage increases, international housing and transportation, recruitment, benefits, supply chain and tariff fluctuations, the Club's allocation to BWMA, and a contingency allotment in the event of business or emergency need. Despite variable national and regional market economic factors, Boca West continues to be the most sought-after Country Club with an ever-growing list of prospective future buyers. As further underscored in Arthur Schwartzman's article on page 34, we remain in excellent financial health with strong revenues, real estate values, a zero-loan balance, cash on hand and year-to-date home sales.

I would like to take this opportunity to update you on the status of the TAA review request that was sent to the Tax Department of the State of Florida for a decision regarding the proposed tax exemption on dues. While we had hoped for a timelier decision to have been rendered, our hired consultants at Price Waterhouse Coopers have assured us that they are keenly monitoring our request and that it is in the processing and review queue. We eagerly await confirmation of a decision and will advise membership as soon as we are informed.

We are delighted to have embarked on the first phase of the membership approved Capital Improvement Plan which commenced last month in the West Racquets area, as well as looking forward to beginning the expansion of the Country Club Walkway Entrance and the Kitchen & Loading Dock improvements in the coming months. As of this writing, construction contracts have been carefully reviewed and signed, and project costs are in line with projections. Matthew Linderman and I will continue to keep you apprised with updates of construction progress and timelines.

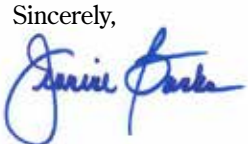

My gratitude to the Board, Management and especially the Staff who have worked extremely hard and have consistently dedicated their efforts to create an outstanding member experience beyond expectations. Hospitality, delivery of exceptional service and quality amenities are defined here at Boca West. As members we can also do our part in supporting and nurturing Boca West's culture. Let's take the time each day to appreciate; to remember not only the privilege of being a member enjoying this life but also the responsibility as members to do our part to maintain an environment of mutual respect, harmony, kindness and patience with one another and our valued Staff. This culture has been the foundation of Boca West, and it is the key that will continue to truly set us apart.

We do hope that you have thoroughly enjoyed this past Season and that you will take time this Summer to refresh, renew, travel, and enjoy precious time with family and friends. I am looking forward to a long-awaited Summer getaway with my husband Merrill and then to returning home, right here at Boca West. I also look forward to seeing Members who will enjoy "**all things Boca West**" this Summer, and welcome back those who may decide to return to us to enjoy our exciting Summer schedule and beautiful amenities.

Lastly, a Happy Father's Day to all who are lucky enough to be called Dad, Grandfather, Stepdad and especially to so many who give of their time, guidance, and hearts as "fatherly mentors." We may never know the impact of the investment we make in others but what we do know is that it makes a difference. Dr. Seuss said it best - **"To the world you may be one person, but to one person you may be the world."**

Wishing everyone a Happy Summer full of everything bright and beautiful.

Sincerely,

Jeanine Banks
Chairman of the Board & CEO

FINANCE COMMITTEE REPORT

By Arthur Schwartzman, Finance Committee Chair

Six Months Ended March 31, 2025

As we close out another successful season at Boca West, it's clear that the heartbeat of the Club is stronger than ever. From packed restaurants and extremely well attended events to evolving golf and racquet sports programs, member engagement continues to hit new highs.

Before diving into the numbers, I'd like to extend a heartfelt thank you to our outstanding finance and accounting team led by our CFO Kathy Campbell and Controller Kris Nielson who continually provide the insight and information that allows our Board and Management to operate proactively and efficiently. Furthermore, I am fortunate to be supported by my Vice Chair of Finance, Joan Attermann.

A Snapshot of the Numbers

Our Club remains in excellent financial position. Through the first half of our fiscal year, the Club reports a year-to-date surplus of $530,000, but more notably at this time, we are actually $1.6 million better than budget, thanks to stronger-than-expected performance across nearly every department.

Here are a few highlights:

- Our Food & Beverage Departments (including catering) are having an exceptional year, with gross profit $976,000 over budget, relating to increased revenues and a gross profit cost of 60% vs a budget of 62%.
- Golf revenues are up $182,000, fueled by nearly 300 new golf members over the past three years.
- Member activities have exceeded budget expectations by $178,000 with newly introduced comedy nights and multi-evening events.
- International staff-related costs, including housing, transportation and visa costs are $112,000 under budget. The majority of the savings is due to housing as the rental market has stabilized and we were able to secure more 3-bedroom apartments for our international staff.
- Other income, including interest income and guest card fees, has contributed in excess of $200,000 above budget.

Of course there are items adversely impacting our budget, most notably:

- Golf course maintenance expenses are close to $300,000 over budget primarily related to golf course 4 re-grassing, including costs of plant materials in addition to continuing irrigation and maintenance costs throughout our courses.
- Engineering and maintenance expenses are $260,000 over budget, a direct result of increased member usage triggering wear and tear along with general repairs and maintenance around the Club.

As of March 31, cash balances on hand this year are $9.7M compared to $6.5M last year. **In addition, there is no outstanding balance on our bank line of credit this year compared to $15M last year.**

Capital Improvements & Looking Ahead

Construction work has officially begun in the West Racquet area, part of our Capital Improvement Plan recently approved by our membership. These projects reflect the Club's commitment to ensuring Boca West remains not only the best today, but also well-positioned for tomorrow.

While we continue to explore new or supplemental financing options for this Project, the Club remains in a very strong financial position, supported by our current $45 million line of credit secured through 2030. This affords the Club a unique opportunity to negotiate from a position of strength to obtain the best financing terms possible.

Membership Momentum

Real estate activity remains brisk. We welcomed 100 new members in the first six months of our fiscal year, just short of last year's pace of 107. Joining fees through March 31 totaled $6.1 million, compared to $4.3 million at this time last year.

This year at the end of March there are 13 members who have not paid their dues, (same as last year) against a budget of 25.

In closing, it's been an exciting and dynamic first half of the year. On behalf of the Board of Governors, we thank you for your continued support and enthusiasm for all things Boca West.
