PRESIDENT'S LETTER

Dear Member,

AS OUR WINTER SEASON WINDS DOWN, WE'RE BEGINNING TO BID FAREWELL TO SOME OF OUR MEMBERS AS WELL AS OUR INTERNATIONAL STAFF WILL SOON BEGIN TO DEPART FOR THE SUMMER. We couldn't be prouder of how our entire team came together to deliver yet another exceptional season. We already can't wait to welcome everyone back home in October!

I am proud to share that Boca West Country Club has once again been recognized as a Top Workplace USA, earning special distinction in the Culture Excellence Awards for Leadership, and Purpose & Values. This marks the SIXTH consecutive year the Club has received this prestigious honor! What makes this recognition especially meaningful is that it is based entirely on feedback from a research-backed employee engagement survey conducted by Energage, an independent survey company. Receiving this award six years in a row is a true testament to the strength of our culture and the dedication of our incredible team. **I am truly blessed to lead such passionate and committed individuals, and I am deeply grateful for everything they do for all of us.**

Our Human Resources department has been diligently preparing for the summer season, traveling across the state and country to attend job and career fairs at various universities sourcing the best of the best. On May 19, we're excited to welcome 24 university students selected for our **Hospitality Management Internship**, a 12-week rotational career learning experience that blends hands-on training with leadership development. These interns will gain valuable insight into the skills and standards that define exceptional hospitality for which Boca West is known.

In June, we'll also be welcoming our 33 J1 international team members from Ireland and Portugal, alongside the continued onboarding of our local domestic staff. We appreciate your patience as these new hires go through their onboarding and training. Please offer them a warm welcome when you see them around the Club!

As tradition continues, we hope you'll join us for excitement of the upcoming horse races; **The Kentucky Derby** on May 3, **The Preakness** on May 17 and **The Belmont Stakes** on June 7. Stop by Grand Central to watch the races and enjoy specially priced craft cocktails.

We're also looking forward to our **Mother's Day Champagne Brunch** on Sunday, May 11 in Panache. It's always a joy to see so many of you as we celebrate the beloved women in our lives. Reservations can be made by calling Dining Reservations at 483-6300. Whether you spend the day with us or elsewhere, I hope it's filled with love, laughter, and time with family and friends. And don't forget to **save the date** for our **Father's Day Brunch on Sunday, June 15**, in Panache.

Our **Memorial Day Weekend Celebration** is just around the corner! Join us for the festive Clam Bake dinner dance on Saturday, May 24, with dining and dancing all night long. Then celebrate the holiday at our Memorial Day Cookout in the Grand Ballroom on Monday, May 26. Enjoy a weekend full of activities throughout the Club, including the Golf, Tennis and Pickleball tournaments, and don't miss our annual retail sale in The Shoppes at Boca West, happening May 23-26. **Please be on the lookout for our Summer Brochure featuring all the events and activities scheduled around the Club.**

A special shout out and congratulations to **John Joyce**, Director of Racquet Sports, on being the first recipient of ***The Directors Club of America Lifetime Achievement Award*** at their recent conference held here at the Club. As stated by Jarrett Chirico, Founder and President of The Director's Club of America, "We want to celebrate a man whose story is not just one of achievement but of heart, of sacrifice, of an unbreakable will. A man whose journey has been carved out of perseverance, resilience, and an unshakable belief in himself. It is my deepest honor to stand before you and present The Directors Club's first Lifetime Achievement Award to an icon, a mentor, and a warrior of the game." We are all so very proud of John and his accomplishments!

As mentioned in my article last month, work is underway at the West Racquet Center, with demolition and construction set to begin in the coming weeks, pending permit approval. Additionally, in early summer, the Country Club Walkway Entrance will be closed for approximately three months. During this time, our contractors will be expanding the roof structure to cover the currently open portion of the walkway between the Porte Cochere and the Country Club entrance. While the exact dates have not yet been confirmed, I promise to keep you informed and updated as the project progresses. Thank you in advance for your patience and support as we continue to enhance our beautiful Club.

Our **Summer Guest Policies** in the golf, racquet sports and fitness departments are going into effect this month. For complete details, please see page 27, check the Club's website, contact the individual department or speak with a staff member in the Membership department and they will be happy to review them with you.

Please always remember that I welcome and encourage your thoughts, comments and suggestions. I look forward to seeing you around the Club!

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

Of Andy's appearance, Penn Jillette said, "Nice... clean... beautiful... friendly ... and you FOOLED us!"

According to Jillette, since the show premiered in 2011, only 10% of the magicians appearing on the show have managed to fool the legendary duo. *During season 9 he became part of that elite crowd of about 40 magicians worldwide.* Digg.com recently named Andy's performance as one of "The Ten Best Tricks in the History of Penn and Teller: Fool Us." I look forward to working with our Vice-Chair, Teri Cox, our Director, Misty Stewart, and our dedicated committee members as we continue to enhance the exceptional lifestyle experience that makes Boca West so unique. Our goal is to keep you informed, engaged, and inspired by the wide range of offerings designed to help you feel your best and truly live life to the fullest.

At Boca West, Spring isn't just a season, it's a celebration of vitality, connection, and fresh possibilities. And there's no better place to embrace this vibrant time of year than the Lifestyle Center where luxury and wellbeing come together in perfect harmony.

As the days grow warmer and the flowers bloom across our beautifully landscaped grounds, the Lifestyle Center transforms into a sanctuary for rejuvenation. Step inside and discover our state-of-the-art fitness studios, serene treatment rooms in our award-winning spa, and a full calendar of spring programs designed to refresh both body and mind.

New this season: morning yoga and "yogalates" sessions on the event lawn and in the pool house, floating meditations in the pool, new TRX class combos and aqua barre classes, and additional zoom options for those that are traveling more. Our expert wellness staff has developed new offerings in the Spa Garden, at our Aquatics Center, and more fully utilizing our fitness studios because Spring is the perfect time to reset and refocus.

After your Spa treatment, relax in the beautiful Spa Garden with a cold-pressed juice or a smoothie from our spa menu; or join fellow members that are also receiving spa treatments for a spa lunch.

by Alan Lustrin, House & Activities Committee Chairman

Alan Lustrin

John Collings

Felipe Murcia

With another peak "Season" at Boca West winding down and with my first as the Chairman of the House and Activities Committee beginning, we are so pleased to bring you our Q & A session with Assistant General Manager, John Collings, and Clubhouse Manager, Felipe Murcia. Answering a handful of questions, John and Felipe provided their retrospective on the first full season in our new and breathtaking Lifestyle Center.

Q. With our members having enjoyed the entire Lifestyle Center campus to its full potential, what are your general takeaways from the season?

We gave countless tours over the past years to other country club General Managers, key staff and their board members as they come here looking to benchmark us. We are proud to say that they leave realizing they simply can't duplicate what we have done. During and after construction we walked every inch of the property, made sure everything was perfect, took pictures and made videos. We weren't able to measure the success of this project and the value that it added until we saw, and continue to see, the smiles on our members' and their families' faces, the astonishment of our neighbors and the actual volume the results are showing.

Q. With a full season in the books, can you point to some of the most successful aspects of the new project.

Based on our members' feedback, it has all been an overwhelming success. From the pool facility, to the additional fitness spaces, to Blue Point and Aria, to the new Game Lounge and to CRAFTED, our new Art and Epicurean studio, to name a few, our members have marveled at everything. However, and this is something that was actually surprising, our members' reaction to Market Square has been uniquely enthusiastic and thankful. The Market has been open for over a year and our members are still reacting to it as if we just opened, as if it were brand new.

Q. Why do you think that is?

It lies in the unexpected, in delivering a product that was sorely needed but off of our members' radar screens. The strong trend these days is towards an unstructured dining experience and we feel that our members were unknowingly desperate for such a venue. Until the Market, members needed to sign up/make reservations weeks in advance. With the Market, members can come and go and gather on their own schedule, or no schedule at all. There is something serendipitous and liberating about not being confined to a time or a meal period. It is the same reason the bars and communal tables are so popular. Members love the flexibility and the Market and other aspects of this project have provided this. We continuously hear comments, "How did we survive without Market Square?"

Q. What has been the biggest challenge running the new facilities?

We were looking forward to the new facilities easing the capacity issues that we have experienced over the past couple of years, which is has greatly. However, due to the appeal of the new facilities, club usage has increased so much that, at peak times, we are experiencing even greater demand. For example, we compiled a very aggressive food and beverage budget last year taking into account all of the new facilities only to find that, in food and beverage alone, our volume of usage and covers have exceeded that budget by 20%. Also, we built a pool where we never thought we would see all 1,200 chairs occupied at the same time. Well, then came the holidays and boy were we wrong. It is all proof positive of Matt's mantra that "if we build it, they will come," and shows us that we hit the nail on the head.

Q. What are you most looking forward to in the upcoming year?

We have learned so much about our members and their preferences this year, and the team has executed at such a high level, that we look forward to further refining and tailoring our amenities so that our members' experience reaches the next level. Much of this season was focused on keeping up with this new and exciting membership dynamic. Now, with the experience and knowledge that the season has provided, and with the products and offerings that we have in our portfolio that can be tweaked and reimagined, we have the opportunity to act proactively with the goal of providing an even more personalized and anticipatory level of luxury products and services.

We want to thank John and Felipe for sitting down with us and sharing their insight! For those of you who "Summer" elsewhere, enjoy your time away and we look forward to your return. And for those of you who will be here, we look forward to seeing you around our amazing campus as the team showcases new events and dining options throughout the Club this summer.

Linda Singer,
Retail Chairman

The phrase "Special Orders don't upset us" is more than just a catchy slogan from a burger chain I worked at during high school; it truly embodies a core principle for the wonderful staff at The Shoppes at Boca West. Did you know that by placing a special order through our shops, you can still enjoy the discounted member price and avoid those bothersome delivery fees?

If you love an item in the store but find your size is out of stock, don't worry! We can order it directly from the vendor for you. And if the item doesn't fit or isn't quite what you expected, you can return it for store credit within seven days of order pick-up.

If you're looking for a different color or style from one of our current vendors, our friendly staff will be more than happy to place an order for you at the member price. Just a heads up, though—this will be considered a "final sale."

We're also committed to helping you find items from vendors who are not currently featured. While we can't guarantee availability, we've had great success in the past and just keep in mind that these items will also be "final sale."

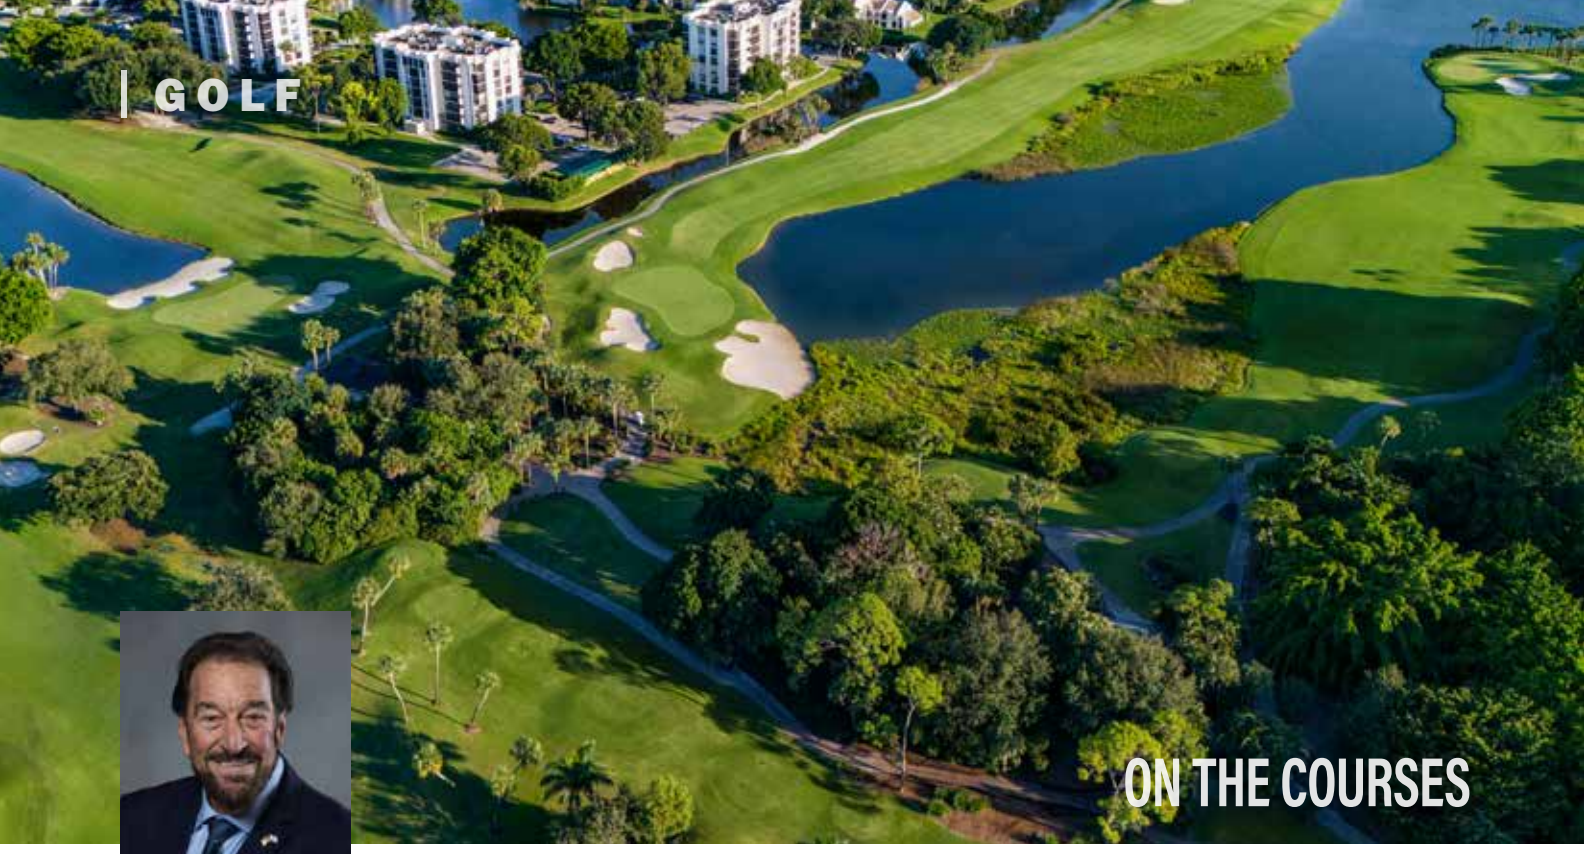

Our Retail Team places orders several times a week, and since Boca West doesn't pass along delivery fees to our members, orders may be consolidated to help keep costs down. All special orders are delivered directly to the shops, and if you are unable to pick up your item in person, our staff can mail it to you for a small fee.

Please remember that all trunk show and "pop-up sale" merchandise, as well as customized merchandise orders, are "final sale" and cannot be returned.

We're thrilled to share that Boca West has been honored with the prestigious 2025 Association of Golf Merchandisers ("AGM") Platinum Award for our outstanding achievements in merchandising, promotions, and member service. As I'm writing this, Emily Gifford, our talented Director of Retail, is attending a vendor show - on the lookout for new vendors and products to feature in our stores and future "pop-up" boutiques. We can't wait to share more about these exciting vendors in the coming months!

Don't forget to join us for Cinco de Mayo on May 5 during our Margarita Madness sale! We'll have plenty of wonderful gifts for Mom available from May 8-11. My personal favorite, the "Let Your Logo Shine" sale, is happening on May 19th, and we're looking forward to an exciting Memorial Day sale from May 23-26. While you're in the Shoppes at Boca West, please give a warm welcome to our two summer retail interns, Tori and Phoebe from University of Central Florida and Florida Gulf Coast University, who will be participating in our twelve-week hospitality program.

ON THE COURSES

Danny Schulman,
Golf Committee Chairman

I am excited to share that I have been appointed as the new Golf Chairman. Having been part of Boca West for many years, I am excited to work with the Golf Operation and Agronomy Leadership team. I am fortunate to have Artie Schwartzman as my Vice Chair, and I look forward to partnering with him as effectively as Bob Lerner mentored me during my time as his Vice Chair.

This year, we have the privilege of working with an exceptional leadership team as well as the entire golf department:

- Travis Wehrs – Director of Golf Operations
- Mike Bove – Head Golf Professional
- Jeremiah Lockhart – Director of Agronomy
- Jeff Jones – Assistant Director of Agronomy
- Kevin Terry – Director of Play
- John Damon – Senior Assistant Golf Professional
- Jacob Huizinga – Club Fitting Specialist
- Meg Botting – Tournament Coordinator
- Daniella DeSousa – Golf Operations Manager

We have also formed a Golf Committee consisting of 12 outstanding members. Selecting from over 30 qualified candidates was a difficult decision, but together we are committed to maintaining our esteemed reputation and committee participation while exploring new initiatives to enhance our offerings.

One of our primary goals this year is to instill a sense of PRIDE in our golf courses among all members. This initiative includes improving course maintenance and aesthetics as this will complement the Calling All Golfers seminars more than 2,000 golf members attended this past year. We will stress the importance of repairing divots, fixing ball marks and raking bunkers.

To enrich your golfing experience, we will continue to send out brief informative videos. I encourage you to pay special attention to their messages as they will promote best practices such that provide clarity, transparency and overall education.

Beginning in April, Dye IV will go through a re-grassing project with the course scheduled to reopen in November, with golf carts permitted on fairways upon reopening, contingent on favorable summer weather conditions. Additionally, our Agronomy team will be working throughout high-touch point areas around Fazio II to improve overall aesthetics.

Engaging Community Feedback

Our team believes that the best ideas come from open communication and collaboration. We urge all members to share their thoughts and suggestions, as your feedback is vital. Let's work together to continue to maintain a culture where every voice is valued, and every idea is considered.

As Artie and I embark on this exciting journey, we are deeply grateful for the opportunity to support our golf community. We look forward to collaborating with each of you to ensure our Boca West Country Club continues to be a place for creating lasting memories. Here's to a wonderful golf season ahead!

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

As spring settles in at Boca West, we find ourselves winding down from another fantastic season. It has been an honor to serve as Raquet Sports Chairman once again, alongside my new Vice Chair, Alan Lustrin, and I want to express my gratitude for the opportunity to continue leading the Racquet Sports Committee. We cannot wait for the expansion project to get started!

We look forward to meeting those we have yet to connect with and hearing your insights on how we can further enhance your racquet sports experience. A special thank you goes out to John Joyce and his team for their exceptional efforts in making this season both memorable and enjoyable.

The season was filled with exciting competition, culminating in the Tennis and Pickleball Championships last month as well as the Kitchen Dinks League finishing up as well. Congratulations to the Blue team, captained by Rob Zenn and Sandy Freedman on finishing in first place! One of the standout events was our 4th annual Tennis Battle of the Sexes, held on March 20 in front of a sellout crowd. This thrilling match featured men's doubles club champions Stuart Simon and Steven Harris against women's doubles club champions Carrie-Lynn Kalk and Jodi Becker. It was a competitive showdown, with the men ultimately securing victory. Congratulations to all participants, and we eagerly anticipate next year's match.

Pickleball's popularity continues to soar, with our 14 courts frequently at full capacity and shorter waitlists of eager players this season due to having multiple sessions for each of our pickleball tournaments. The Pickleball Club Championships, held the last two weekends of March, were another major highlight, featuring over 250 participants in highly competitive matches. This was more than double the number of participants we had in last year's event!

Interclub League Play was also exceptionally strong this year, with many of our teams winning their respective divisions. We extend our sincere appreciation to all team captains for their hard work and leadership in making these experiences both competitive and enjoyable. If you are interested in playing or stepping into a leadership role as a captain for either tennis or pickleball, we encourage you to reach out to our staff at 488-6996. These roles are highly rewarding, and we welcome your participation.

On a more serious note, this season has seen an increase in behavioral issues that we feel need to be addressed. As a reminder, joining a team comes with the expectation of commitment, sportsmanship, and respectful conduct that upholds the reputation of Boca West. While competition is a vital part of the game, it is essential that we maintain a positive and sportsmanlike environment. As we look ahead to the next season, we ask everyone to be mindful of this so we can ensure a great experience for all.

For those traveling this summer, we wish you safe and enjoyable journeys. For those staying, we look forward to seeing you on the courts. Our team is already hard at work planning next season's schedule, so be sure to look-out for updates over the summer as well as dates for future events depending upon the expansion project.

Lastly, I would like to extend my gratitude to the 2024/2025 Racquet Sports Committee members who will not be returning next season. Your dedication and efforts have been invaluable, and we appreciate your contributions. We are excited for the future and the continued growth of our incredible Racquet Sports program at Boca West!

LET'S CONNECT

By Robin Shulman,
Communications & Marketing Committee Chairman

I am so excited to be serving as Chair of the Communications and Marketing Committee for the 2025-2026 season. I look forward to working with Vice Chair Barry Roberts, Kathy Kohlhepp - Director of Communications and Marketing, and our new Committee Members.

Given there are so many ways that the Club communicates with its Members, and there is so much information available to everyone, one of my goals for our Committee is to continue to help raise your awareness of the many ways to access everything that you want and need to know as a Boca West Member.

In addition to emails and mailings of internal communications and marketing material that reaches our members for all areas of the Club, our Committee's responsibilities include oversight of the Club's App and Website, the Boca West Magazine, social media platforms such as Facebook and Instagram, digital signage displays throughout the club, and our closed-circuit television station, Channel 9000 on Hotwire.

Although there are so many ways to receive information from the Club, the App is the most commonly used and most easily accessible communications method. It is being updated continuously, based on YOUR feedback.

To begin, here are just a few important features of the App that I would like to share with all of you. **Did you know** that you can receive timely notifications of your registrations, events, and even tee times or court times right on your phone? By downloading the App, you can receive these notifications in real time - make sure that on your phone you have notifications enabled for the Boca West App and you will receive pop-up notifications of events you have that day, modifications to events for which you have signed up, table or golf course assignments, etc. If you think that you have missed any notifications, just open the App, click on the bell in the top right-hand corner of your phone and you will see all your recent notifications in one place.

Missed any emails lately? Sometimes we get so many emails that we may feel overwhelmed. Just open the App, and under your name, the time and the weather (yes - we have that right on the App!) you will find a white box and a "view news" button. If you click on that "view news" button, you will see all the recent announcements that have been sent via email.

You can even search the news by plugging in a key word (such as art) or scroll across the top to click and choose to view those announcements by topic - all, activities, golf, racquet sports, etc.

On the Website (either on your desktop or on any mobile device) there are short step-by-step How-To Videos are created to assist you to navigate both the App and Website. Simply click on your profile photo in the upper right-hand corner. A dropdown menu will appear. Click on FAQs/ Videos.

Look for tips and tricks in each magazine issue as well as new content and refreshers on popular features of the App or Website and what you can find on our social media platforms.

Feel free to send in suggestions, ideas and/or questions that you may have, and we will answer them either personally or post your question in the next magazine issue (no names will be used) so that everyone who may have the same question can benefit from that information. Your ideas are always welcomed as we want to keep the lines of communication open.

Email us at communications@bocawestcc.org or reach out to me directly at rjshulman@yahoo.com.

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance committee conducts its investigation and submits a report to the Board of Governors. The report includes recommendations for actions to be taken by the Board. The Board of Governors reviews the report and recommendations, discusses the Grievance, and makes the final decision regarding resolution of the Grievance. The member is then notified and has forty-five days in which to appeal the decision to the Board. One Grievance will be presented

Grievance 01-2025

This Grievance was filed by the Chairman of the Golf Committee for behavior which violated Bylaw Article 10, Section 10.02. This Member was alleged to have exhibited inappropriate contact with an employee.

The Grievance Committee investigation revealed and documented violation of several other Club Rules and Regulations, including repeated use of Club golf carts for personal use; repeated disregard for scheduled Tee Times, repeated skipping over groups on the Golf Course; and repeated use of foul language towards Golf Staff.

The Grievance Committee addressed the allegations which prompted the Grievance. The Member denied the occurrence of the altercation and insisted it was simply an attempted handshake and denied that the reported Rules and Regulation violations occurred and minimized the significance of others.

The Grievance Committee recommendation to the Board of Governors:

1. Two year suspension from all venues and activities at Boca West Country Club, while in residence.
2. Acceptable letters of apology to the Board of Governors, Matthew Linderman, President, COO and General Manager, and to Travis Wehrs, Director of Golf.
3. This incident is made part of the members Membership file.

The Board of Governors agreed with the Grievance Committee recommendations.

The member appealed the Board ruling and appeared before the Board. The Board agreed to reduce the suspension to a one year suspension from all venues and activities at Boca West Country Club, while in residence.

Danny Bejarano, BWMA President

Dear Boca West Residents,

We are pleased to announce the formal opening of our long-anticipated new location. The Master staff and support services have moved next door to Suites 101 and 102 in the same building where we used to be located. This area has been renovated and refurbished to provide additional space and functionality for all the villages.

In the past there were many occasions when large village groups wanted to meet. This was difficult in our former Conference Room because we could only accommodate a small number at our Conference Table and a small group of observers. Now there is a modern, efficient place to have meetings, conferences and seminars.

Usually set up as a boardroom/conference style for 10 people with 18 visitor chairs, there is a large screen TV with modern Zoom capabilities and hi-speed Wi-Fi. This room can easily accommodate 45 people in a theater style arrangement.

This move will allow the Safety & Security offices to expand as they move into the space now occupied by the Master's offices.

Among their enhancements will be a larger more comfortable space for new members to come to register for gate access, receive a transponder and review information in our Welcome Book.

We thank Steve Jonas, chair of the Special Projects Committee, for overseeing all aspects of this project.

All village boards who have not yet seen the new location are invited to stop by for a tour and see the possibilities for community programs which can take place here.

Danny Bejarano,
BWMA President

Arthur Adler Memorial Golf Challenge

March 24, 2025

What a day! Over 400 golfers teed off across the beautiful courses at Boca West Country Club, all to support at-risk children served by Boca West Children's Foundation. Together, we raised over $600,000 to benefit our 36 local charity partners.

From the excitement of the Duck Drop—with over 600 ducks diving from 60 feet—to a perfect day of golf, fun, and community, it was an event to remember. Congratulations to **Scott Boilen**, winner of the $2,500 Duck Drop prize! Thank you Scott for donating your winnings to BWCF!

Top Charity Team Winners who shared a $100,000 prize pool:

- **1st:** Education Foundation of Palm Beach County ($20,000)
- **2nd:** Roots and Wings ($10,000)
- **3rd:** Best Foot Forward ($7,500)
- **4th:** Boca Helping Hands ($5,000)
- **All other BWCF charity teams** ($3,000)
- **Plus, Jay DiPietro Low Gross**: Spirit of Giving and Boys & Girls Clubs of Palm Beach County ($1,000)

Thank you to everyone who played, sponsored, volunteered, supported, and made this year's event—renamed in loving memory of our Founder and Chairman Emeritus, Arthur Adler—such a success.

See you at next year's golf challenge in March 2026!

CHAIRMAN'S LETTER

I am pleased to report that we received a very strong response to our Club Committee Volunteer Appeal. On behalf of the Board and Management, we convey our gratitude to every member who expressed interest in serving on a standing committee for the 2025-2026 year. The Club Committees include Communications & Marketing, Lifestyles & Wellness, Golf, House & Activities, Membership, Racquet Sports and Retail. Given the exceptional volume of volunteer member response, we worked to provide as many opportunities as possible. In addition to the standing committees, we are delighted to welcome 14 Leadership Program participants this year. The Leadership Program is now in its seventh year. It offers an educational forum on all aspects, operations and governance of the Boca West Community – Country Club, Master's Association and Community Advisors. It has generated a keener global understanding of our community and activated member participation. Leadership graduates have gone on to become more informed and participative, serving as Club Ambassadors, Committee Members, Village, Master's and Club Board Members, as well as volunteers throughout our region as a result.

As a strong advocate of making a difference by giving back through volunteerism and mentoring, I believe it has never been more important to volunteer than it is today. For those who were not selected for a committee this year, we encourage you to consider applying for committee service at the Master's Association, your Village or consider volunteering your time at our anchor charities – the **Gilda Malin Boca West Hadassah, the Boca West Chapter of the Pap Corps and the Boca West Children's Foundation.** There are a myriad of opportunities for member volunteers to choose from and best of all, you can select where, when and how often you do so. Our community warmly welcomes, needs and appreciates your time, your heart, talents and service. We hope that you will consider making that call today and make a difference. The joy you will feel is beyond words.

In my last article we had not yet conducted the Special Member Meeting of the Vote which occurred on March 27. We are very pleased to report that the results yielded the passing of the project, and its financing approved. It was further confirmed that a quorum of greater than 33 and 1/3 voting membership was accounted for and a robust 71.5% in favor of the Project and financing was achieved. We want to take this opportunity to sincerely thank each of our members who took the time to review the brochure, micro website and attend the presentations but more importantly, we express our gratitude to every member who took the time to Vote – regardless of choice. **Voting is an important equity member right and we applaud and respect the action you took by voting and exercising that right.** The Board and Management have begun taking the steps and actions necessary to begin the first phase of the project having hired an exceptional team of construction, architectural, engineering and project management support. Your Board of Governors will continue its governance and oversight responsibilities, and I assure you that Matthew and I will keep our focus on continuing our collaborative, proactive, due diligence and steadfast efforts in meeting the milestones set forth for the coming year. As always, we will provide joint communications and updates as the project achieves fruition.

The onset of the New Year has also brought forward additional blessings. Two of our Board of Governor's - Jonathan Schraub and his wife Carla and Danny Shulman and his wife Cheryl welcomed a new generation to their families and became Grandparents and Great Grandparents to **Nathanial Carl Schraub born on January 15, 2025**, and **Finn Gabriel Lewis born on January 25, 2025**, respectively, for the first time. We wish them and their families continued blessings and cannot wait to meet the next promising generation of *Boca West Members*. Mazel Tov!

As Mother's Day approaches, we are reminded of the special women we pause to celebrate this month…our dear Mother's, Stepmother's, Grandmother's, Aunts, Spiritual, Friend, Mentoring and Fur Baby "Mom's". The world is enriched by their kind, caring and loving hearts and the time they invest in others. As we celebrate the women in our lives we are reminded of the love we are blessed and surrounded with. **Happy Mother's Day!**

Sincerely,

Jeanine Banks
