PRESIDENT'S LETTER

Dear Member,

TRULY HOPE EVERYONE HAS BEEN ENJOYING YOUR SUMMER WHETHER YOU'RE TRAVELING, VISITING FAMILY OF FRIENDS, YOUR OTHER HOME, OR HOME AT BOCA WEST WITH US!

We are pleased to inform you that the annual Membership Dues package has been mailed to all Members. If you have not yet received yours or have any questions, please contact the Membership department at 488-6934. Our team will be happy to assist you. Please note that the **annual Calendar of Events**, which is typically included in this mailing, is being reimagined and will be sent separately this year.

Work is officially underway at both the West Racquet Center and the Country Club Walkway Entrance, with demolition completed and construction well underway in both areas. The Loading Dock expansion is scheduled to begin in early August. To keep Members informed and engaged throughout this multi-phase project, we've launched ***Field Notes***, a live, interactive microsite featuring monthly updates, behind-the-scenes photos and videos, and insights from the architects, staff, and contractors. This platform reflects our commitment to communication as we enhance the Club for both current and future generations. A link to this microsite was emailed out, please contact the Communications department at communications@bocawestcc.org if you did not receive this email.

Beginning this season, *Boca West* magazine will shift to a **bi-monthly publication schedule**, resulting in six issues annually instead of ten, in an effort to allow you to plan better. The new schedule is as follows: October/November, December/January, February/March, April/May, June/July, and August/September. Members who prefer not to receive a printed version can opt out via the Club's app. The magazine will continue to be available digitally via email and on the Club's website for your convenience.

Don't forget about our easy-to-use **Online Bill Pay** feature available through the App and Website. You can pay your monthly statement securely via credit card or ACH by following the step-by-step instructions under the STATEMENT section. If you need assistance, please reach out to the Accounting department at 488-6985 or email accounting@bocawestcc.org.

It is with great pride, and a touch of nostalgia, that we share in the recognition of the **retirement of John Joyce**, our esteemed Director of Racquet Sports. John has served Boca West with excellence since 1994, shaping our Racquet Sports program into one of the finest in the country. His vision, dedication, and deep passion for the game have left a lasting legacy in our Tennis and Pickleball communities. While John is stepping back to enjoy some well-deserved time off, we're thrilled to share that he plans to return for a few special events this upcoming season, including the grand opening of our new Racquets facility. Please join us in thanking John for his incredible service and in celebrating his contributions to the Club.

We are honored to host the inaugural Golf Outing benefiting ***Tee It Up for the Troops*** **and** ***Heroes Linked*** on **Monday, November 3.** This meaningful event will support U.S. military service members, particularly those who have been wounded or injured in service. We are especially proud to welcome several **Medal of Honor Recipients**, the highest recognition for military valor in the United States. With only 61 living Recipients today, their presence is a rare and humbling honor. Event details are available on the Club's website under *Charities and Organizations*. Registration links have also been shared via Club email.

This year marks **Boca West's 40th Anniversary**, a milestone we're excited to celebrate with you! Each publication of the Boca West magazine, we will be taking a walk down memory lane, sharing pieces of our Club's history. Stay tuned for more information on upcoming events planned throughout the season.

As always, I welcome your thoughts, suggestions, and feedback. Wishing you a restful remainder of the summer and a joyful year ahead. I look forward to seeing you around the Club.

Sincerely,

Matthew Linderman, CCM
President, COO & General Manager

In support of efforts to defend the freedom to read, we will be discussing *"To Kill a Mockingbird,"* which is often banned and challenged. The Lion Women of Tehran: A Novel by Marjan Kamali

Tuesday, December 2
By Any Other Name: A Novel by Jodi Picoult
Did Shakespeare really write all of the plays attributed to him? What if a woman actually penned them and she hid behind his name? And what if, today, a young female playwright faces similar biases against women? These intertwining timelines bring us two strong, determined women who have the courage to make their voices heard.

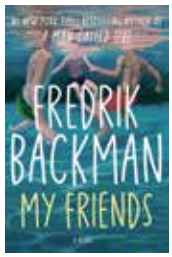

Tuesday, January 6
Tilt: A Novel by Emma Pattee
Annie is 37 weeks pregnant in Portland and trying to buy a crib in IKEA when a big earthquake rocks the Northwest. She's alive, but without her phone or car or money or water. Despite her swollen feet she determines to walk across the city to reach her husband. And as we follow her for 24 hours, we also go back in time to learn more about why she responds to this catastrophe as she does.

Good Dirt: A Novel by Charmaine Wilkerson
In her previous novel, the author focused on a "black cake" that represented a family's roots. This time, it's a centuries-old pottery jar, a beloved family heirloom. When it's shattered, so is the family. This is a multi-generational saga about love, loss, and legacy, and how the past informs the present.

Tuesday, March 3
My Friends: A Novel by Fredrik Backman
From the author of "A Man Called Ove" and other heartwarming novels, a story of four teenagers and their deep bond of friendship, captured one summer in a painting. Twenty-five years later, a young artist's life is transformed by that painting. A story that is deeply moving but also funny, about the timeless power of friendship and art.

Tuesday, April 7
Speak to Me of Home: A Novel by Jeanine Cummins
After the controversy about "cultural appropriation" surrounding her novel "American Dirt," Jeanine Cummins wasn't sure she would write again. This time she draws directly from her family's history in Puerto Rico and the Midwest, as well as the Irish American branch of her family.

Tuesday, May 5
Wild Dark Shore: A Novel by Charlotte McConaghy
Rising sea levels and strong storms threaten a seed bank on an isolated island. As researchers leave, only a caretaker family remains when a body washes up on shore. Boca West Website vs. Boca West App: Is There a Difference?

If you've ever wondered what sets the Boca West Country Club App apart from the Website, here's the answer: while the App is convenient and covers the essentials, the Website is your deep dive into everything Boca West has to offer.

Yes, all the content on the App is also available on the Website—but the Website has so much more. Take a few minutes to explore, and you'll uncover resources and features that can't be found anywhere else.

Getting Started is Easy Log in to the Website. Trouble with your password? A quick call to Communications, 488-6975, and they'll help you reset it in no time.

Once you're in, a navigation banner at the top guides you through sections like: **Home, My Club, Cultural Arts & Activities, Dining & Catering, Golf, Racquet Sports, Lifestyle & Wellness and Shoppes** These headings follow you no matter where you click—just select **Home** to return to the Dashboard at any time.

Go Beyond the App with "My Club" While most tabs mirror what's on the App, "My Club" holds exclusive content you won't want to miss. Want to know who's on the Board of Governors or which committees are active? You'll find committee minutes, roles, and contact info all neatly listed.

You'll also discover:

THE SHOPPES AT BOCA WEST

Linda Singer,
Retail Committee Chair

"We Try Harder"— is it a famous car rental tagline, or just what our Retail Staff does every day? Boca West's Director of Retail, Emily Gifford, recently represented the Club on a national panel hosted by the Association of Golf Merchandisers, sharing insights on how to achieve Platinum Award status. Thanks to Emily's leadership, The Shoppes at Boca West consistently earn this prestigious recognition by staying ahead of the curves, adapting to trends, and anticipating and exceeding member needs.

At our June Retail Committee meeting, members highlighted emerging sportswear trends like shorter tops for racquet sports and workouts, 14"-16" skirts, running shorts for pickleball, and jogger-style golf pants. Popular colors include all-white outfits and neutrals—black, olive, gray, and navy—featured in eco-friendly, luxe textured fabrics.

Committee Chairs from Membership, Golf, Racquet Sports, Lifestyle & Wellness, and House & Activities also shared insights. Approximately one-third of our members are new to Boca West, joining in the past five years and they are joining younger, participating in varied sports and activities. They are not only having an impact on the extending the "season" but packing more into each day and doing much of it outside. We've seen the growing demand for sun-protective and moisture-wicking fabrics, layering pieces, washable visors, and non-metal sunglasses. There's also rising interest in Boca West–branded activewear, multi-sport apparel, casual women's wear, and athleisure. Combine that with the equipment required for the new walkable golf courses, new games in the card rooms (like Mexican Train, Samba, and Hand & Foot), and the addition of a second racquet shop—expect an exciting array of new items this fall! Our thanks to Emily Gifford and her outstanding team for bringing the very best in apparel, sports and expanded retail merchandise to our members.

KJUS

KJUS takes outerwear and golfwear to the next level-we promise you will love the sporty styles, stretch and performance!

Whether it's a freshly prepared smoothie after a workout or nutrition seminars led by our wellness professionals, Nourish Well is about making healthy choices easy and enjoyable. *Look for the orange Hibiscus flower next to menu items in our restaurants to signify these healthier choices.*

2. Move Well

Motion is the foundation of vitality.
From the first tee to the final stretch in yoga, Move Well invites you to find your favorite way to stay active. We support mobility, strength, flexibility, and heart health with programs for every interest and fitness level. *Try our new Golf Performance Semi-Private Training Sessions in the Fitness Studio to enhance your stability, mobility, strength, and power on the golf course.*

THIS SUMMER: A JOURNEY TO LIVE WELL

Our commitment to whole-person wellness came to life this summer with our inaugural **Live Well Wellness Week**—a week-long celebration of health, movement, mindfulness, and connection.

Members were invited to take part in a **"Wellness Journey Card"** challenge, exploring offerings tied to each of our Five Pillars. From trying a new fitness class to stopping off at the Market Square for healthy smoothies and power snacks, each activity lit up a different part of the wellness spectrum. As members completed each pillar, they earned a stamp, and a deeper connection to their well-being.

We look forward to making **Live Well Wellness Week** a seasonal tradition, encouraging all members, year-rounders and snowbirds alike, to experience the joy of living well through all five pillars.

Please know that we are always listening. Your suggestions are welcome and appreciated. If you have any questions or something you'd like to share, please reach out to our Live Well Concierge at 488-7813 or me directly at biroberts@outlook.com.

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

The summer season has brought the expected hot and wet conditions, with heat and rain being consistent. Despite these conditions and the temporary unavailability of our regular facility, there has been substantial play on the pickleball and tennis courts.

We are pleased to report that we have obtained all necessary permits for the new facility, and the construction is progressing according to schedule. The old facility, including O'Brien's Court, has been demolished. Currently, work is focused on leveling the new section acquired from the golf course, which is nearing completion. Construction of the new tennis courts has begun, marking a significant milestone. We look forward to the start of the main facility's construction and its progress.

If the construction continues as planned, we anticipate the scheduled timeline. We expect to have 12 new pickleball courts on the west side ready, with the other 12 covered courts following thereafter, as well as Stadium Court at the end of season as the pickleball building opens. We will also be keeping the 8 temporary pickleball courts on the east side operational throughout the season, allowing us 20 courts for the start of the season, and up to 33 courts when everything is finished. We anticipate most of the new tennis courts to be completed by this time as well, with construction finishing up as our season gets underway. Next spring, we plan to close the east side for renovations, which will include updating the tennis courts and creating a new parking lot where the temporary pickleball courts are currently located.

On a bittersweet note, we at Racquet Sports are preparing to bid farewell to our esteemed leader, John Joyce, as he steps into retirement this Summer. Over 30 years, John has been the driving force behind transforming Racquet Sports into the standout program it is today. His vision and dedication have shaped not only our tennis initiatives but also the burgeoning pickleball program, both of which are now admired throughout the region. A lasting testament to his contributions is the new facility under construction, a project that John helped design and orchestrate. As we reflect on his countless accomplishments, we want to express our deepest gratitude for his leadership and unwavering commitment. We wish John the very best in his retirement and sincerely hope he stops by to reconnect, so we can celebrate his remarkable legacy together. There will be more announcements about the future leadership of Racquet Sports from Matthew Linderman.

We will also be having member tournaments over the following dates:

September 4 – Labor Day Pickleball Tournament

September 5 – Labor Day Tennis Tournament

The committee is working on improving the current Racquet Sports program and planning for the future. If you have ideas that you would like to see here at Racquet Sports that could be implemented for the next 5-10 years at Boca West Racquet Sports, please share them with Alan Lustrin, Racquet Sports Vice Chair or me. The budget for Racquet Sports, includes past and new tournaments, regular pickleball and tennis leagues, and exciting social events. Stay tuned for announcements on mixers and themed evenings to connect off the courts and celebrate our passion for racquet sports. Stay active, stay connected, and enjoy playing!

LET'S GET SOCIAL

by Alan Lustrin, House & Activities Committee Chair

How time flies and what an amazing and successful summer this has been!

In the June magazine, we talked about looking forward to the exciting dining experiences, events and activities that our amazing staff had planned for us this Summer....and boy did we enjoy the Father's Day Brunch, Vertical Wine Tastings, Soup Making and the Art of Agave classes in Crafted, our Independence Day Poolside, 4th of July Smoker and the "Hoe Down" Dinner Dance, just to name a few. Additionally, in responses to member requests, we opened a second dinner venue at Grand Central three nights a week this Summer.

All of this takes a village, as they say. With every part of management and staff delivering the extraordinary Boca West experience that they pride themselves on, the dynamic group of Interns that joined us this summer brought a level of energy, innovation, and a spirit of service to our vibrant community.

I want to thank Karima Lanfranco, Boca West's Director of Learning and Development, for providing the following bird's eye view of who our Summer Interns are, the internship program that they participated in and some of the exciting experiences that Boca West offered to them.

From International J-1 visa students, to high school Junior Achievement participants to college-level hospitality interns, these young professionals played an essential role in enhancing our operations this summer. Our summer internship program reached new heights this year. Over 50 interns joined us across various departments, contributing to seamless dining experiences, beverage service, and personalized Member engagement. Their positive presence has been felt across all of the venues that our members frequented this summer.

Moreover, the programs, which are essential to our Club's Summer success, provided valuable training and mentorship for the participants. With more and more Members residing here year-round, having an engaged and talented seasonal team helps to ensure that Boca West's outstanding service never waivers. In short, these programs allow us to remain fully operational, vibrant, and forward-thinking while also shaping the hospitality leaders of tomorrow.

At the heart of this season's intern experience was an exciting challenge designed exclusively for our Food & Beverage interns: the Culinary Innovation & Beverage Creativity Challenge. This hands-on team project invited interns to develop original menu concepts for two beloved Boca West venues — Blue Point Restaurant and Aria Bar + Rooftop.

Interns were divided into teams and tasked with designing a multi-course menu and signature cocktail concept. Collaborating with Executive Chefs and the Bar Manager, the teams created dishes that were innovative, cost efficient, beautifully plated, and aligned with the Club's standards of excellence. The teams developed visual mockups, performed cost analysis, and presented their ideas in a professional pitch, thereafter, experiencing the launch of their creations during a live menu run.

Beyond the walls of the Club, our interns embraced Boca West's values of empathy, ownership, and mindfulness through a community gleaning project at a local farm, where the food that was harvested was donated to a food bank and distributed to families who are food insecure. There, our interns learned firsthand where our food comes from and the labor it takes to bring produce to market. The experience deepened their understanding of the food system and instilled a greater appreciation for the ingredients they worked with in our kitchens. It was a natural extension of their Culinary Challenge, reinforcing the importance of sustainability and community connection which is a philosophy that is at the heart of hospitality at Boca West.

With every plate served, every idea pitched, and every act of service performed, these young professionals gained career-defining experiences and helped make the paradise that is Boca West that much brighter and more welcoming this summer.

From all of us who were here this Summer, we want to thank all of our interns for their commitment, creativity, contribution and dedication. For all who have summered elsewhere, we will tell you all about it when we see you. Finally, a very special thank you again to Karima Lanfranco for sharing all of this with us – we are truly grateful.

BOCA WEST
MASTER ASSOCIATION
Keeping Boca West Safe and Beautiful

Danny Bejarano,
BWMA President

Dear Boca West Residents,

By now I'm sure many of you have noticed the Master Association's tag line on our communications: *"Keeping Boca West Safe and Beautiful"*.

The beautiful part has always been easy because of our superb and hard-working landscape and maintenance staff headed by Lawson Turner.

The "safe" part is more of a challenge. That is why we have made it our priority this year.

Over the past few years, there have been significant demographic, traffic and lifestyle changes at Boca West. We are a far more active population. There has been more than a 20% increase in vehicular traffic coming in through our gates in addition to a substantial amount of additional golf carts on the golf courses and used for general travel around the Club. There has also been an especially large increase in the number of walkers and bike riders.

Did you know…for the past several months over 100 people–every month—have received citations for driving at least 10 miles over the speed limit.

Because of the danger this presents, the Master's Board solicited feedback from residents. We value input from everyone in the community and are confident that we will create greater safety without overly restrictive guidelines.

Did you know…golf carts should be driving in the road rather than on cart paths and walking paths and following the rules of the road.

Did you know…all adult bicycle riders must ride in the road and follow the rules for all vehicles **including stop signs.**

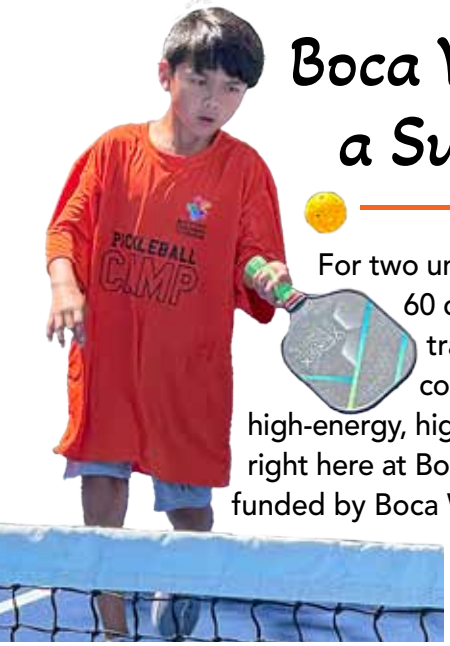

Did you know…the Masters installed test cameras at one of our busiest intersections to gather accurate information and learned that 700 out of 800 cars drove through that intersection without stopping at stop signs.

Disregarding the Rules of the Road endangers everyone.
Please help keep our roadways safe for all.

We and the entire Boca West community thank you in advance for your cooperation.

Danny Bejarano,
BWMA President

Boca West Children's Foundation Serves Up a Summer of Opportunity for Local Kids

For two unforgettable weeks this June, 60 children from the Fuller Center traded classrooms for pickleball courts as they participated in a high-energy, high-impact summer camp hosted right here at Boca West Country Club. Fully funded by Boca West Children's Foundation and Boca West Country Club, the annual pickleball camp gives kids a chance to learn new skills, make new friends, and most importantly – learn pickleball.

From daily lunches and coaching to brand-new sneakers, gear and fun keepsakes, every detail was designed to make campers feel special. Each week concluded with a spirited talent show and final competitions, where kids proudly earned medals and prizes. A heartfelt thank you to Boca West Country Club for their help in making this camp a success. And thanks to Boca West Children's Foundation generous partners including SunShine Sisters, SunSafe Foundation, BMG Homes and Sensus Healthcare, the experience was free of charge for every child. But the fun didn't stop here!

Music, Mentorship, and More

In addition to its own signature pickleball camp, Boca West Children's Foundation also supports several partner-led summer camps that provide enrichment and opportunity to hundreds of kids from the surrounding communities.

Nat King Cole Generation Hope – Summer Strings Music Camp

Now in its 17th year, this two-week program empowers underserved elementary, middle and high school string students through intensive instruction and mentorship. The experience culminates in a free community concert on June 27 at Lynn University's World Performing Arts Center.

Adolph & Rose Levis Jewish Community Center – Camp Kavod

This premier day camp serves children and teens with special needs, offering a safe, inclusive environment filled with adaptive activities, social growth opportunities and expert staff. From field trips to fun on campus, Camp Kavod helps more than 150 campers thrive each year.

FAU – Summer Music Camp

Hosted by Florida Atlantic University's Department of Music, this one-week summer band camp offers individualized instruction and ensemble experience for students from Title I elementary and middle schools. The camp wraps up with a free community concert on August 1 at FAU's University Theatre.

CHAIRMAN'S LETTER

Happy Summer! There are always so many fabulous choices for our Members throughout the days and evenings at Boca West and Summer 2025 has been no exception. We've offered a robust complement of indoor and outdoor Wellness, Aquatics & Fitness classes, spa treatments, dinner dances, dining options, entertainment, lite bites, cards, comedy, game nights, retail promotions, sports tournaments, art & culinary workshops, excursions and more. Management continues to track Member presence and usage throughout the Club, looking at these metrics during peak and off-peak times. As planning is already underway for the Fall, we anticipate a very busy upcoming Season full of member favorites, new and expanded activities, events and amenities.

Boca West Member Matthew Kauget with his daughter at Market Square.

Recently, I enjoyed a relaxing Saturday afternoon lunch with friends at Market Square. We happened to comment on the fabulous point of sale displays featuring epicurean products, flowers, gift items and so much more. One friend mentioned the tempting colorful gourmet popcorn featured on a stand close by us. Almost as soon as it was mentioned, an adorable little girl, held high in her Daddy's arms, reached out her hand with delight for that pretty bag of popcorn. We all smiled as there's something for everyone big and small at Market Square. A special thanks to this sweet girl's Dad for permission to share the moment.

Always looking ahead, and keeping in step with our proactive momentum, we continue to work throughout the Summer, dedicating time to participate in discussion forums to further support our governance, oversight, and fiduciary responsibilities.

I am pleased to report that your Board of Governors **unanimously** approved the 2025-2026 Budget at the June Board Meeting. This year's Budget reflected an increase of 8.2% in Social Dues - significantly **lower** than in the prior four years. It is important to note that the Club has experienced significant growth in both membership and operations over the past five years. For the fiscal year ending September 30, 2026, the operating budget reflects an 81% increase in operational scale to meet increasing demand since 2021. This extraordinary growth is a direct result of strategic investments in the Lifestyle Center, facility (or Club) wide Food and Beverage operations, a significantly expanded calendar of Member Activities throughout the year and attracting and retaining the finest quality talent —all of which have greatly enhanced member engagement, quality of service and member satisfaction.

A notable trend is the increasing number of members opting for Golf and Racquet Sports as part of their membership. Over the past five years, Golf participation has grown by 34%, while Racquet Sports participation has surged by 119%. These figures strongly support the Club's continued investment in its Golf and Racquet Sports facilities and programming, aligning with member interests and further reinforcing the Club's commitment to delivering an exceptional lifestyle experience.

In early July, the Dues Packet was mailed to the Membership. A gentle reminder, if you have not already done so, please complete the Dues form and return it with your payment. To avoid any late payment charges, **your completed form and payment must be received no later than September 30, 2025**. For your convenience, you may pay your annual Dues by credit card (plus a service fee of 3%).

In our July Joint Communique, Matthew and I shared that our refund claim for both the 2023 and 2024 dues years for a tax exemption, was denied. While we had all hoped for the approval of our claim, especially given the extended processing time it took and effort taken, we have asked our hired consultants at Price Waterhouse Coopers to inquire as to an explanation of this decision and whatever recourse we may have. Lastly, the State of Florida has not declared a Florida Freedom Sales Tax Holiday for the 2025-2026 dues year.

I extend my sincere thanks to Joan Attermann, Budget Committee Chair, Arthur Schwartzman, Budget Committee Vice Chair, Budget Committee, Kathy Campbell, CFO, Kris Nielsen, Controller, Matthew Linderman, President, General Manager & COO and our professional staff. Together through many meetings of careful review, analyzation and thoughtful discussion, we produced a comprehensive and fiscally responsible budget which will position Boca West well in the coming year. We will continue to provide the excellence, quality, service, amenities, activities and dining experiences our Members expect and enjoy.

Wishing you enjoyment and happiness in the remaining weeks of Summer and as September will soon approach, a Happy Labor Day and a Happy Rosh Hashanah…and as long as I'm making wishes, may we all truly cherish the blessing of gathering with our loved ones and may the world soon find *peace*.

Sincerely,

Jeanine Banks

THE PEOPLE BEHIND THE SMILES

What Makes Our Employees So Special?

It Starts with a PROMISE

At Boca West, excellence is not just expected, it's cultivated. Walk into any of our dining venues, fitness centers, racquet courts, golf courses, or spa facilities, and you'll feel it at once: a culture of genuine care, pride, and professionalism. That culture is powered by our greatest asset, our employees.

What makes them so special? It's their heart, their dedication, and their unwavering commitment to service. But it's also the support and training they receive from day one. Our commitment to excellence extends beyond our Members and Guests to our valued employees who are integral to our legacy. Our employees embrace the **Family PROMISE**: a pledge rooted in our core values of Passion, Refinement, Ownership, Mindfulness, Innovation, Safety, and Empathy. This promise ensures that every member of our team receives exceptional care, meaningful resources, and opportunities for professional development. By nurturing a culture that values commitment and initiative, we ensure each employee feels supported and empowered as they contribute to our Club's thriving spirit.

From new hire orientation to advanced leadership training, every step of the employee journey is designed to develop both skills and confidence. We believe in empowering our staff to take ownership of their roles and to bring their best selves to every shift.

We take pride in recognizing employees who consistently embody the spirit of our Family PROMISE through our monthly **PROMISE Keeper** and quarterly **PROMISE Leader** awards. This employee recognition program celebrates team members who consistently exceed expectations by living our core values in the family PROMISE. These individuals are celebrated for their exceptional commitment to our Club's culture and these ceremonies serve as a meaningful reminder of the outstanding individuals who elevate the Boca West experience for all. We will soon be able to identify those nominated and the winners with a symbol on their name tags.

We also recognize that investing in our employees is an investment in our community. Training at Boca West goes beyond technical skills, it reinforces values. Whether it's in culinary artistry, front-of-house excellence, wellness coaching, or member engagement, our employees carry with them a deep understanding of what it means to serve with heart.

"To me, the Family PROMISE is more than a set of values, it's the foundation of how we care for one another at Boca West. It reminds us that every interaction is an opportunity to lead with empathy, grow with intention, and support our team like family. When we live the PROMISE, we create a culture where people feel seen, valued, and inspired to do their best every day." Karima Lanfranco, Director of Learning and Development.

At Boca West, our members experience world-class amenities, and it's made possible by a team that's proud, prepared, and always striving for more.

That's the Boca West PROMISE.
