PRESIDENT'S LETTER

Dear Member,

I am extremely happy to announce that **Boca West Country Club has been ranked 12th of the Top 150 Country Clubs of the World**, and once again the highest ranked Residential Country Club. A wonderful accomplishment we should all be extremely proud of! Moving up one spot, the management team, staff and I are beaming with pride. Your staff and I are certainly honored to serve you.

With all of the exciting events happening around the Club, its hard to believe the holidays are right around the corner! Please be sure to submit your dining requests before the deadline dates to be included in all the assignments for our upcoming holiday dinners and celebrations. If you have any questions, contact our Food & Beverage Reservations department at 483-6300, and they'll be happy to assist you.

Last month, we kicked off the peak season in true Boca West fashion! From our two-night Season Opener event, **Casino Night: The Double Down Saloon**, to our **Thanksgiving dinner**, this year brought record-breaking reservations across the board. As always, thank you to our incredible Activities, Food and Beverage, and Catering teams for bringing these experiences to life and finding creative ways to accommodate as many Members as possible. The energy and excitement of our **Golf opening weekend event** was truly contagious, and with the Racquet Sports Opening events just around the corner, the fun is only getting started! It's amazing to see our Club bustling with Members, friends, and families, making memories and fully enjoying all that Boca West has to offer.

Don't forget it's all about the **kids this holiday season**. We'll have something for everyone with new activities added to the lineup. With so many visiting children and grandchildren joining us this year, we kindly remind Members to be mindful of other guests during dining and events, especially when it comes to noise levels and little ones who may become restless. Be sure to pick up a **Holiday Calendar of Events** brochure, now available throughout the Club, as well as being posted on our Member App and Website. Our golf, racquet sports and wellness events for the kids are sure to be a hit. And whatever you do, don't forget to stop by our Carnival and Street Fair on Sunday, December 29 from 4-9pm. Once again it is going to be the highlight for all the families.

I hope you have all had a chance to see the Taste of the Season brochure for the season. New this year is our **Prime Cut Dinner Series: Restaurants that Changed America**. Each month we'll feature amazing dishes inspired by some of the most famous restaurants that were pivotal in altering how and what America eats and of course accompanied by the perfect wine pairing per course. **Panache Wine Nights – Uncorked** has always been a member favorite of the season when we feature popular wine from wineries and regions all around the world.

Last month, Jeanine Banks and I traveled to Frisco, Texas, to proudly watch our very own **Pam Elders, Director of Golf Instruction**, receive the **2025 PGA of America National Player Development Award**. Pam has dedicated her career to advancing the game of golf and has made a profound impact on players at Boca West. It was truly an honor to witness Pam being recognized for her outstanding career and this well-deserved national achievement.

More congratulations are in order for **Travis Wehrs, Director of Golf**, on being named the **South Florida PGA Section Merchandiser of the Year.** This prestigious award recognizes PGA Professionals for excellence in merchandising and business management at their facilities, celebrating achievements in inventory management, creative shop displays, and delivering an exceptional retail experience for golfers. Special thanks to **Emily Gifford, Director of Retail, and our entire Retail Team** for their invaluable partnership and contributions to this well-deserved recognition.

And even more congratulations are in order as **Rob Norton has been promoted to our Director of Racquet Sports**. Since joining us in 2015 as Head Tennis Professional, Rob has demonstrated dedication, enthusiasm and a genuine commitment to our Racquet Sports Members, their families and guests. We are excited for Rob to take on this new role, as he works alongside me to bring to life our shared vision for the continued growth and success of the new Racquets Sports Complex.

Also new to our Leadership Team is **Kristen Burnett, Director of Catering.** Kristen brings more than 23 years of catering and event experience, with a strong foundation in event planning, menu innovation, and personalized service. Her true passion lies in building meaningful relationships - connecting with clients, guests, and colleagues is at the heart of everything she does and what makes her work so rewarding. Relocating from Holland, Michigan, Kristen joins us along with her husband, Beau, their two children, and two energetic pups. She will be working closely with Kaitlin Garske during this transition to ensure a seamless handoff and continued excellence in our catering operations.

Our new **Tennis Shoppe and the west-side Tennis Courts opened last month**, and they are truly spectacular! Construction on the remainder of the West Racquets Facility, which includes the exciting new Pickleball Center, is progressing beautifully, and I'm looking

"Our people are our legacy," says Tara Clampett, Assistant Director of People Operations *"Their commitment inspires us to keep raising the bar for what it means to deliver excellence every day."*

From new associates embracing the "Boca West Way" to team members marking 10, 20, even 30 years — every milestone tells a story of dedication and growth. Whether welcoming members, preparing signature dishes, maintaining pristine grounds, or working behind the scenes, these individuals are the heartbeat of Boca West.

Leadership in Progress

Boca West invests deeply in leadership development through programs designed to help leaders grow personally and professionally. Initiatives like the Promise Path Leadership Development Program (LDP) ensure our future leaders are not just prepared for their next role — they are inspired to lead with purpose.

Workshops within the Promise Path LDP and related programs focus on key areas such as communication, service excellence, innovation, and collaboration — all central to our culture of excellence. Each program reinforces that at Boca West, leadership isn't defined by a title; it's defined by influence, empathy, and the ability to make a difference.

Through classroom-style learning, cohort-based training, real world project work, and ongoing mentoring, participants develop more than skills; they build a leadership mindset aligned with our P.R.O.M.I.S.E. values.

A Culture of Growth and Gratitude

From celebrating milestones to nurturing emerging leaders, Boca West honors its people every step of the way. Their dedication reflects the Club's belief that when employees grow, so does the entire community.

To every team member — we thank you for your service, your heart, and your leadership. You are what makes Boca West truly exceptional.

Spain

FROM COAST TO PLATEAU:

A Tale of Two Spanish Wine Regions

Thursday, December 11
Serving from 5:30pm in Panache

When discussing Spanish wine regions, Rias Baixas and Ribera del Duero stand out for their distinct characteristics and high-quality productions. Ribera del Duero, a prestigious wine region nestled in the heart of Spain's Castilla y Leon region, is synonymous with powerful, age-worthy red wines crafted primarily from the Tempranillo grape, locally known as Tinto Fino. It's high-altitude vineyards and continental climate contribute to the region's unique terroir, resulting in wines of exceptional intensity and complexity. Rias Baixas, nesteled in the verdant, norwestern corner of Spain's Galicia region, is a wine lover's paradise, primarily celebrated for its crisp, aromatic, and remarkably food-friendly white wines. The region's unique terroir, defined by its proximity to the Atlantic Ocean and its granite-rich soils, creates the perfect environment for cultivating the star grape, Albarino.

TWO ITALIAN GIANTS - *Veneto's Versatility vs. Piedmont's Prestiges*

This diversity creates a variety of microclimates and soil types, contributing to the wide range of wines produced. The reion experiences a temperate climate with warm summers and relatively mild winters, ideal for grape cultivation. Piedmont, nestled in the northwestern corner of Italy at the foot of the Alps, is a region synonymous with elegance, tradition, and some of Italy's most prestigious wines. December 4, 1956, was a historic date. On that day, four foundational rock-and-roll stars—Elvis Presley, Jerry Lee Lewis, Johnny Cash, and Carl Perkins—met in tiny Sun Studio in Memphis, Tennessee. They had been discovered and mentored by Sam Phillips, owner of Sun, who had been wanting to produce a sound that crossed racial boundaries. Their music redefined culture in the South, the country, and ultimately the world. A native of the Memphis area, Taylor Hagood brings this meeting to life in a completely unique way, blending live singing and playing with a story informed by his own roots and family history in the Memphis area.

Thursday, January 8

Request by: December 19

It's hard not to think of our second President John Adams without thinking of his wife Abigail. She certainly was with him every step of his extraordinary career which helped shaped our young nation. But few realize the great sacrifices they made as husband and wife and father and mother to help give birth to this nation. Our program tries to bring an understanding to this aspect of their lives.

Presidents and Their First Ladies, dramatically speaking is the creation of the veteran acting and writing team of husband and wife, William and Sue Wills. After 20 years of operating their own theatrical company in the resort of Ocean City, MD, the couple is now in their 29th year of bringing to life the stories of 36 different Presidential couples. Amazingly, the Wills have appeared together on stage over 9,600 times...and still counting. They are not "impersonators", but hope that their costumes, dialects, and demeanors will help recreate these historical characters.

LIVE WELL AT BOCA WEST

At the Lifestyle Center

As one year ends and another begins, our Lifestyle & Wellness programs become the heartbeat of renewal at Boca West. It's where wellness feels like connection, and every day offers a chance to move, nourish, and thrive.

Move Well: Energy in Motion

Movement is at the center of our wellness routine. From morning workouts and spin to Pilates, yoga, and aqua strength - every class celebrates vitality. Try something new this season; ballroom dancing, balance workshops, or holiday-themed fitness challenges designed to keep you strong and inspired into 2026. Small motions build strong momentum.

Focus Well: Set Intentions, Not Resolutions

In our Spa Garden, reflection and clarity take the spotlight. Guided meditations, and intention-setting workshops help members refocus and visualize their best selves for the year ahead. When we focus well, we live with purpose.

Recover Well: Rest, Reflect, and Renew

The Spa & Salon at Boca West invite you to pause and restore. Enjoy seasonally inspired treatments, the therapeutic shower experience, or quiet time in the spa garden with a soothing cup of tea. Recovery here isn't about slowing down, it's about preparing to rise stronger.

As the sun sets on 2025, our Live Well programming reminds us that every pause has purpose, and every deep breath is a new beginning. Together, let's step into 2026 with open hearts, strong bodies, and renewed spirits, ready to "live well" and take advantage of everything Boca West has to offer.

2026 Resolutions: Wellness with a Wink

Because feeling good should never feel like a chore.

Every January, we make promises that sound noble on paper and exhausting in practice. This year, let's keep it simple. Instead of chasing perfection, let's focus on the small things that make us feel good; moving a little, laughing often, and finding joy in everyday moments. Here's to a new year of living well, one easy intention at a time.

Move Well: I'll go to the gym more... take a brisk walk, try a few stretches, or dance in the kitchen - all count as movement. "Exercise counts, even if it's just walking to the fridge with purpose."

Nourish Well: I'll eat more greens. Healthy choices are important.

Recover Well: I'll stretch more. Rest, recovery, and a good nap are all part of the plan.

Connect Well: I'll spend more time with friends — texting totally qualifies. But I'll try to show up in person too. Laughter is still the best medicine.

Laugh Often: It's good for the heart, the spirit, and yes, even the abs. A good laugh is the healthiest habit of all.

Final Thought: Wellness isn't a finish line — it's a feeling. Here's to a year of good choices, good humor, and the grace to enjoy both. Here's to "living well" in every sense of the word.

ON THE COURSES

Danny Schulman,
Golf Committee Chair

On behalf of the entire Boca West Golf Staff and Golf Committee, we extend our warmest wishes for a joyful 2025-2026 holiday season and a happy, healthy New Year.

Exciting developments are underway in our golf program. The Dye IV course has reopened after completing our re-grassing project, and the feedback from members has been outstanding. The course will continue to improve over time. Additionally, we have overseeded Palmer III to address the signal grass issue.

Our international staff has arrived and undergone comprehensive training on golf rules and regulations, aiming to enhance your playing experience. Our golf cart standardization policy has commenced, resolving previous issues with non-conforming carts.

Notably, a new canopy has been installed on the North range to provide protection from the sun and weather. We've also implemented a mandatory seminar for members participating in league play. Policies remain in place allowing members to walk, carry, or use a pull cart after 2pm. While pull cart rentals are not currently available, you can special order if needed. Golfers can still use their own carts and must sign in at the golf shop, with tee times still required for walkers.

A new accommodation has been added - members with a handicap flag are now permitted to ride on the fairways of our Par 3 golf holes. Also, please remember to keep your golf carts at least 15 feet from all greens.

Our season kicked off with a highly attended golf tournament and a fabulous dinner dance, exemplifying Boca West's signature style.

If you have not yet had the opportunity to work with Jacob Huizinga, our club fitting specialist, please be sure to take time out of your schedule, you'll be glad you did.

Finally, I want to thank Travis Wehrs, Mike Bove, Mark Beaulieu, Jeremiah Lockhart, Jeff Jones, the entire golf staff, our golf committee, and my Vice Chair, Artie Schwartzman, for their ongoing support.

I look forward to seeing you all on the courses!

Welcome Back to Boca West Country Club!

By Steven Roth,
Racquet Sports Committee Chair

What a joy it is to welcome you back to Boca West for another spectacular winter season! I'm thrilled to share the exciting developments and memorable moments that have marked the beginning of what promises to be our most exciting season yet.

SEASON KICKOFF RACQUET SPORTS DINNER

Our Season Kickoff Racquet Sports Dinner will be held on December 10 and will be nothing short of spectacular! The energy and enthusiasm that will fill the room will remind us all why the Boca West's racquet sports community is truly second to none. It will be wonderful to see so many familiar faces reconnecting and new members joining our family. The evening will set the perfect tone for the season ahead, and we're grateful to everyone who will attend and make it such a memorable celebration.

PLAY FOR P.I.N.K. TENNIS AND PICKLEBALL TOURNAMENTS

I'm proud to report that our 3rd annual Play for P.I.N.K tournament will be held on December 12 for Pickleball and December 13 for Tennis. We are looking forward to it being an outstanding success. Our members will come together with remarkable generosity and competitive spirit to raise vital funds for breast cancer research. The tournament will not only showcase exceptional play but also the compassionate heart of our community. Every serve, volley, and dink will contribute to a cause that touches so many lives. Thank you to all who participate, donate, and support this meaningful event. Our appreciation goes to Camille Bauer, Lisa Glassner, Jennifer Lustrin and Maria Tato for all their hard work that will ensure a successful event.

STATE-OF-THE-ART FACILITIES NOW OPEN

We're excited to announce that our nine brand-new tennis courts on the west side are now open! The 11 newly resurfaced tennis courts on the east side along with 20 temporary (until west side is completed) pickleball courts are also open and ready for play! The courts are in pristine condition, offering the superior playing surfaces you deserve. Additionally, our newly renovated tennis shop is now open for business, fully stocked with the latest equipment, apparel, and accessories to meet all your Racquet Sports needs. Whether you're looking for that perfect racquet, paddle, fresh strings, or stylish court attire, our pro shop team is ready to serve you. The new pickleball facility, along with the new building, are expected to be completed in the Spring. Stay tuned for further updates on the completion of our new Pickleball facility.

FRESH FACES AND FAMILIAR FRIENDS IN THE OFFICE

This season brings an exciting blend of continuity and changes to our Racquet Sports Program. We're welcoming new leadership and staff members who bring fresh perspectives and innovative ideas, while also celebrating the return of familiar faces who know and love our community. This combination of experience and new energy positions us perfectly to deliver exceptional programming and service throughout the season. We encourage you to stop by, meet our new team members, and reconnect with returning staff.

SEASON IN FULL SWING

The season is now in full swing, with courts buzzing from morning until evening. Our outside league play for both tennis and pickleball is in full force, with our teams representing Boca West with pride and competitive spirit across the region. The camaraderie and level of play have been exceptional, and we're thrilled to see so many members participating in these exciting competitions.

Looking ahead to January, we have news to share: our internal pickleball Kitchen Dinks League featuring four teams and an incredible roster of over 250 participants! This enthusiastic response highlights the passion our members have for pickleball and the strong sense of community we've built. The Kitchen Dinks League will offer fantastic competitive play at all levels, and we can't wait to see the action unfold on our courts.

LET'S GET SOCIAL

by Alan Lustrin, House & Activities Committee Chair

One to Four Flowers Legend: A New Expression of Casual Elegance

We hope everyone is enjoying—and getting comfortable with - the new Dress Code legend for Dining, Events and Activities.

Your 2025–2026 House and Activities Committee includes: Vice-Chair Robin Shulman, Beth Freeberg, Diane Zager, Faith Wall, Jeffrey Lasker, Kenneth Sher, Leslie Wolf, Lynne Milhauser, Rob Schnitzer, Roberta Sussman, Ronnie Pollard and Karen Tempkin. I want to personally thank the incredible members of our House and Activities Committee for their dedication, creativity, and countless hours of collaboration.

Along with Management, the House & Activities Committee designed a new approach to defining the Dress Code over the past six months. I'd like to share how it all came together. We began with a simple goal: to reimagine our dress code—to bring clarity and consistency to how we dress throughout our dining and event venues. Just as important, the Club wanted to ensure that members and guests have options and are appropriately attired wherever they go within the Club.

To do that, we took a close look at everything that makes our Club unique—the beauty of the grounds, the range of our amenities, and the many ways we enjoy them throughout the day. From poolside lunches to evening dinners, from a morning on the courts and courses to an evening cabaret, each space has its own energy and purpose. It became clear that our dress code should reflect all of that.

From this understanding, our mission emerged:

To design a dress code that reflects the relaxed elegance of our community—refined yet relaxed, active yet appropriate and respectful.

From there, we grouped our venues and activities into four natural categories, each represented by one to four hibiscus flowers—our Club's signature symbol. This simple visual guide provides an intuitive way to know what's appropriate at a glance.

Our hope was to make the guide so straightforward that it becomes second nature. Here's how it works:

One Flower – Club Outdoors: Swimwear with coverups is perfect for Market Square and Cabana during the day, no bare feet permitted.

Two Flowers – Club Athletic: Athletic wear for golf, tennis, pickleball, fitness, walking, jogging, or biking is welcome at Market Square, Cabana Bar & Grill, Grand Central, Mr. D's, Blue Point, and Panache (brunch) during the day, and at Mr. D's and Cabana Bar & Grill in the evening.

Three Flowers – Club Casual: Comfortable, polished attire for evening dining at Grand Central, Blue Point/Aria, and Panache/Living Room for Sunday Dinner.

Four Flowers – Club Elegant: For a more elevated experience—think "Club Casual, dressed up a bit"—perfect for Prime Cut, Panache as well as the Supper Club at Panache at night.

Events, activities, card rooms, and the Game Lounge follow the dress of the venue open for service and the time of day that you are there.

Now, as we look around the Club, we see you--our members--embracing this new standard beautifully. Cheers to you—and to one to four flowers of effortless style.

BOCA WEST MASTER ASSOCIATION

Keeping Boca West Safe and Beautiful

Dr. Steven Jonas, Special Projects Chairman

One of the busiest committees at the Master Association is our Special Projects Committee. They continually work to upgrade our community while enhancing all aspects of safety and beauty.

Over the past year, two important initiatives which will expand amenities and conveniences for residents were completed. The first of these was the conclusion of the long-anticipated lighting project.

The lighting modernization included the installation of state-of-the-art aluminum light poles with LED lighting which replaced the old cement poles. The new lights operate via a fiber optic network which allows all the lights to communicate to a central hub. This system upgrade will provide fewer poles, a much more efficient light distribution, enhanced safety and security of our roads, and be a huge savings on electricity usage.

The second project was the Master Association moving to our new location in suites 101-102. We now have a larger conference room for villages to use for meetings of up to about 35 people. There is also a smaller meeting room to make scheduling easier. For private use there are several offices which any resident can rent for a nominal fee.

We are excited about the new project in the pipeline:

There is now expanded space available for Safety and Security in suites 104-105. After renovation there will be a larger more comfortable space for new member orientation, more space for staff to do their work and additional space for the paramedics who staff our AMR response team.

Our largest and main project is the reconstruction of the Glades Road entrance. It will have a new, modern design to complement all the recent updates throughout the Club. The Master Association has hired an architectural firm to provide renderings for this project. We are at the beginning phases of this project and have 2027 as the target date for completion.

Over the past several years the Master Association has completed multiple repairs along the walking paths. At this point a complete overhaul is the ultimate plan. The goal is to make it smoother and easier for walking and running. We are in the early stages working with engineers and architects. More information and updates will follow.

We hope all residents enjoy the results of our ongoing quest to constantly improve safety and security.

THE STORY OF BOCA WEST COUNTRY CLUB
40 Years of Shared Moments, Endless Memories

A walk down memory lane, sharing pieces of our Club's history with excerpts from Private Club Historical

A New Era – The 1985 Grand Opening of Club Center at Boca West

A glimpse into Boca West's brilliant future (Original Golf Building)

In the spring of 1985, Boca West Country Club unveiled a defining milestone in its evolution – the grand opening of its new Club Center. More than just a building, it marked the transformation of Boca West into one of South Florida's premier private club communities, marrying architectural elegance with a growing spirit of member-driven identity.

The journey began years earlier, when it became clear that the original 1969 clubhouse, while beloved and storied, could no longer meet the needs of a rapidly expanding membership. As Boca West's reputation grew through the early 1980's, so too did its vision. Their goal was not merely replacement – but reinvention. Members desired a gathering place that reflected the sophistication, comfort and lifestyle they had come to expect.

On the evening of April 29, 1985, that vision came to life in a grand celebration. Hundreds of members and guests arrived to find the Club Center illuminated by fountains, floral displays and elegant outdoor tables under the stars. The atmosphere was magical – festive yet refined. Guests were greeted by club staff and surprise visits from Disney characters, setting a tone of wonder and warmth. Inside, live music by the Marshall Grant Orchestra, gourmet hors d'oeuvres and champagne toasts filled the air, while special performances by society pianist Peter Duchin and Broadway star Carol Lawrence brought the evening to life.

This stunning new structure replaced the original clubhouse that had served Boca West since its founding. That modest building had played host to celebrities, politicians and sports legends like Bjorn Borg, Jimmy Connors, Jack Nicklaus and Jonny Miller and endured events like a kitchen fire on Thanksgiving Day in 1979. Though filled with cherished memories, the original clubhouse had reached its limit. The Club Center was a bold step forward – honoring the past while embracing a new future.

A Renaissance Realized – The 1992-1995 Clubhouse & Sports Pavilion Transformation

Vision, teamwork, and a belief that the best way yet to come.

By the early 1990s, Boca West Country Club had achieved a level of sophistication and acclaim that many private clubs aspire to. Yet within its leadership and membership, there was a clear understanding: true excellence is never static – it evolves. And so began one of the most ambitious undertakings in the Club's history: a $22 million revitalization that reimagined not just the Club's facilities, but its very identity.

The momentum built in 1992, when preliminary plans were unveiled for a sweeping expansion of the Club Center and the creation of a new Sports Pavilion. More than a facelift, the project envisioned a complete transformation – introducing new dining and wellness venues, upgrading member service facilities, and elevating the daily experience to rival the finest private clubs in the country. Every detail was designed with Boca West's signature emphasis on luxury, functionality and community connection.

In January 1993, members were asked to vote on the proposal. The response was overwhelming affirmative – a testament to the trust between the Board and the membership, and a shared vision for Boca West's future. Transparency was paramount: detailed renderings were displayed across campus, open forums encouraged member feedback and financial updates were communicated throughout the project's lifecycle. Members were not just bystanders; they were active partners in shaping their Club's destiny.

The centerpiece of the transformation was the Sports Pavilion, which opened in 1994. It ushered in a new era of health, wellness and leisure at the Club, featuring a state-of-the-art fitness center, aquatics complex, expanded tennis amenities, spa service and full-service dining venues.

By 1995, the full vision had been realized. The expanded Club Center **(Original Golf Building)** featured reimagined dining venues such as the Veranda Grille and Hibiscus dining room, enhanced card rooms, modernized locker rooms and newly renovated social spaces. Partnerships like the EZ-GO golf cart program and the VIP Services Program further enriched the member experience. Events from Valentine's gala to Monte Carlo nights now unfolded in surroundings that reflected Boca West's elevated status.

As the Club's leadership emphasized at the time, this was not simply a building project – it was an investment in Boca West's future.

Today, as members dine, exercise and gather in these beautifully imagined spaces, they live out the legacy of those transformative years. The 1992-1995 expansion stands as a proud reminder that Boca West has always been about more than amenities. It is about vision, community and the enduring belief that the best is always still to come.

1997, Boca West Then Expands with our New Country Club Building

The Boca West expansion moved through all classic phases of large-scale construction—from groundwork and foundations to framing, roofing, and enclosure—before transitioning into the intensive interior build-out. The scale of the work was immense, involving hundreds of thousands of components and thousands of coordinated operations. As the project reached its concluding

stages, the clubhouse's luxury features took shape. Highlights included hand-forged metalwork, alabaster chandeliers, barrel-vault ceilings, Saturina marble flooring, textile-clad wall panels, and richly detailed woodworking. Restrooms featured polished granite and gold-trimmed fixtures, while diverse wall finishes, high-quality carpeting, custom partitions, ceiling treatments, and elaborate lighting reinforced the building's refined aesthetic. The updated Country Club became the hub of social activities, accommodating a variety of dining and social functions, yet designed to keep each function separate. The members were thrilled with the new opening of our Country Club with Hibiscus Dining Room, Living Room, Multi-purpose Grand Ballroom, Card Rooms, Meeting Rooms, Administrative, Catering & Executive Offices. It allowed for our growth In Member usage to be able to have Grand Celebrations with a ballroom Deserving of its members.

Redefining Recreation - Boca West's Tennis & Spa Revolution

A new era of energy, elegance and well-being on and off the courts

At Boca West Country Club, leisure has never meant simply relaxing - it meant thriving. And in the mid-1990's, as the Club emerged from its remarkable clubhouse renaissance, it set its sights on something more than refinement. It aimed to redefine recreation itself, investing in spaces that would nourish the body, soothe the mind and ignite the spirit of play.

Tennis had long been one of Boca West's cornerstones. The Club's clay courts, already bustling with members and visited by legends like Ivan Lendl, Hana Mandilkova, Chris Evert, Steffi Graf, Jimmy Connors and many more, were known throughout South Florida for their quality and energy. But the 1990's brought a wave of reinvention - more than just new facilities, it ushered in a culture shift toward inclusivity, innovation and elite programming.

The Tennis Complex expanded dramatically, offering over 30 Har-Tru courts, many with shaded seating and enhanced lighting. A state-of-the-art pro shop became the hub for racquet sports, offering custom fittings, the latest equipment and personalized service. Certified teaching professionals elevated the instructional program, which now included youth clinics, inter-club, cardio tennis and private lessons for every skill level.

Parallel to the expansion of tennis was the rise of Boca West Spa - a retreat within a retreat, designed to deliver not just luxury but holistic well-being. Opened as part of the 1995 Club Center and Sports Pavilion transformation, the Spa quickly became a sanctuary for members seeking restoration and renewal.

Elegant treatment rooms offered massage, facials and body therapies using top-tier skincare products, helping members recover, recharge and reconnect with themselves.

The Pavilion Project and 2007-2008 Unveiling

A behind-the-scenes look at planning, construction and the celebration of a world-class facility.

By the time the 2007-2008 season arrived, Boca West Country Club was ready to unveil a transformation that would redefine private club living. Years in the making, the new Spa & Sports Pavilion - conceived not just as a physical upgrade but as a statement of Boca West's evolving identity.

While the projects progressed, the Club's ingenuity came to life. Temporary spa and fitness trailers were outfitted so well they exceeded usage expectations. The Grill Room patio was transformed into a culinary hub complete with the Rotisserie Market, a To-Go Dinner Service and the popular Scoop Station. These creative solutions allowed daily life at the Club to flourish - even in the midst of major construction.

The completed Pavilion included state-of-the-art wellness, fitness and dining spaces such as the Onyx Lounge, Splash Pool Bar and MyPi, a reinvented Spa with 23 treatment rooms and a Salon. Over 28,000 spa appointments were made in the first year alone, signaling that the Pavilion wasn't just a showpiece - it was a new heartbeat of Club life.

National recognition followed. In 2008, Boca West was named the #1 Residential Country Club in the Nation by Club Leaders Forum, a tribute not just to its amenities but to the spirit and execution behind them. Despite a challenging economy, the Club demonstrated the strength of its financial planning and leadership resolve.

A Clubhouse Reimagined – The Golf & Activities Center plus a $50 Million Expansion (2017)

By the time the 2010's arrived, Boca West Country Club was already regarded as one of the finest private clubs in the world. Its four championship golf courses, expansive racquet complex, thriving social calendar and lush residential villages were the envy of clubs across the nation. Yet true to its core value of continuous improvement, Boca West wasn't content to rest on its laurels. It was time, once again, to reimagine what was possible.

In 2014, Boca West embarked on the largest capital improvement project in its history: a $50 million clubhouse expansion and redesign that would transform not only the look and feel of the Club, but its ability to serve a growing and evolving membership for decades to come.

The vision was bold and ambitious. The leadership team was in close collaboration with the membership and design professionals. And they succeeded.

Completed in 2017, the new clubhouse was nothing short of breathtaking. Spanning over 150,000 square feet, it combined timeless architectural elegance with modern luxury and functionality. Inside, natural light flooded through floor-to-ceiling windows, offering panoramic views of the golf course and water features.

The expanded dining venues were among the most celebrated features. Grand Central became the buzzing heart of the Club's casual scene, offering a bright and airy Food Hall experience with open kitchens, artisan stations, and an effortless blend of indoor and outdoor seating.

Beyond dining, the new clubhouse featured enhanced retail spaces, beautifully appointed card rooms, additional lounges and gathering areas and upgraded locker room and fitness amenities. Every inch was thoughtfully planned, every detail a reflection of the Club's commitment to excellence.

The project's successful completion was a testament to Boca West's strong leadership, transparent governance and the deep trust between members and their Board. That such a large-scale endeavor could be executed without compromise.

CHAIRMAN'S LETTER

The most joyous season is upon us… the months of December and January have always had special meaning for me and my family. Holiday celebrations, gatherings with family and friends, the wonder of the season in a child's eyes, resolutions for the New Year and the promise of new beginnings. There is excitement among our membership as we reunite with friends, welcome our families, connect with new and returning staff and partake in the incredible amenities of Boca West. This time of year is chock full of new and best loved activities, tournaments and events as outlined in this bi-monthly magazine, celebrating the holiday season. We hear you are enjoying the newly published "2025-2026 Calendar of Events" and we couldn't be happier. It's your go-to resource for all of the Club's programs, activities, events, celebrations and member experiences scheduled through the end of Season.

With so much talent and experience within our membership, I'd like to thank those Members who have stepped up and submitted their resumes for consideration to our Nominating Committee this year. Board service is a highly regarded and respected opportunity to serve your Club. While it is a true commitment, I can promise you that your skills and experience will be leveraged for the betterment of our Club and that your time among our ranks will be one of fulfillment and purpose. The Nominating Committee, a separate and confidential committee from the Board of Governors, is comprised of three Board Members and six Members at large. They are conducting member candidate interviews this month. Membership will be advised of their work in the coming weeks.

Year End Results - As the fiscal year came to a close on September 30, I am pleased to report that Boca West remains in excellent financial health with strong home sales and 98% dues billed, collected and received. Final financial details will be provided post audit.

Special Projects - With the commencement this past May of our approved Capital Improvement Plan, we are pleased to report that as of this writing the Country Club Walkway Entrance work has been completed and the work at the Country Club Loading Dock is going vertical and progressing well. The construction of the Administration and Operations building is scheduled to begin early December 2025. The first nine Tennis Courts, along with 20 temporary pickleball courts were also completed this year and the work on the Pickleball Building, which commenced this Summer, is well underway and estimated to be completed by May 2026.

Membership Briefing - This month, we look forward to seeing you at the **Membership Briefing** being held on **December 18 at 3pm in the Cypress Room**. The purpose of the briefing is to provide a high-level overview of fiscal, operational and committee updates, as well as acknowledge the work and impact of our Board of Governors, Management, Department Heads and Committee Members. Over the past five years, we have welcomed 1,047 new members. For those who may not have attended this gathering in the past, this is a wonderful opportunity to attend a forum either in person or virtually with your Board and Management. We hope to see you there.

Many years ago, as an Associate Trustee of the Northwell Health System, I volunteered my time to help raise awareness of a capital campaign for the construction of two women's hospitals dedicated to proactive, preventative healthcare for the lifespan of women. These efforts, along with the time and donations of countless others, achieved what is known today as the **Katz Women's Hospitals & the Katz Institute for Women's Health.**

I am most honored to share that I have once again been selected to provide Welcome Remarks and introduce Iris Katz, the Co-Founder of the Katz Institute for Women's Health at the **11th Annual Katz Institute for Women's Health Lunch and Learn** being held on **Thursday, January 22, here at Boca West.** The Katz Institute for Women's Health is part of the Northwell Health System. Attendees will experience an interactive and unique opportunity to learn how the Katz Institute sees women's health differently and hear insights from experts on advances in women's health. The focus is not only on clinical care, but on prevention, wellness and personalized care delivery. Northwell's Katz Institute for Women's Health is bringing about change and they are being recognized for their work at the local, regional and national level. *For more information or to register for the luncheon, please contact Morgan Doxey at 516-321-6334 or mdoxey@northwell.edu .*

Boca West's **Fourth Annual Hope Week** event, scheduled for **January 26, through February 8, 2026**, is currently seeking Member volunteers. I encourage you to read the Hope Week article on page 29 for all of the details on the charities, locations, volunteer engagement projects and information on how to register via the APP or website for this heartfelt and worthy event. All that is required is your smile, your time and your love.

In closing, I'd like to express my gratitude to the Board, Management, Committee Members and Staff at the Club and Master's Association for all you do to make Boca West the very special community and family it is. My husband Merrill and I extend our very best wishes to our Members and their families for a very happy, healthy, blessed and fun-filled Holiday Season and New Year. May love, peace, light and joy fill your hearts and homes this Holiday Season and throughout the coming year. 'Here's to all things bright and beautiful in 2026.

Sincerely,

Jeanine Banks
Chairman of the Board & CEO
