The Story of Boca West Country Club
40 Years of Shared Moments, Endless Memories

This year marks Boca West's 40th Anniversary, a milestone we're excited to celebrate with you! Each issue, we'll take a walk down memory lane, sharing pieces of our Club's history with excerpts from Private Club Historical

From Pasture to Paradise – The Origins of Boca West

A sweeping look at Boca West's transformation from Florida frontier to one of the nation's most celebrated private clubs.

Long before Boca West became synonymous with platinum-level prestige and championship golf and world renowned Tennis, the land it now occupies was a quiet frontier of subtropical wilderness – an expanse of palmettos, sawgrass, and sandy scrubland. Known simply as **Township 47 South**, it was shaped by agriculture, cattle ranching, and a network of hand-dug canals intended to irrigate the farms of early Floridian settlers.

By the early 20th century, this region lay just west of the modest **coastal town of Boca Raton**, which itself was only beginning to emerge from its agricultural roots. The land was flat and largely untouched, with only a sparse scatting of homesteads and dirt roads cutting through groves and pastures.

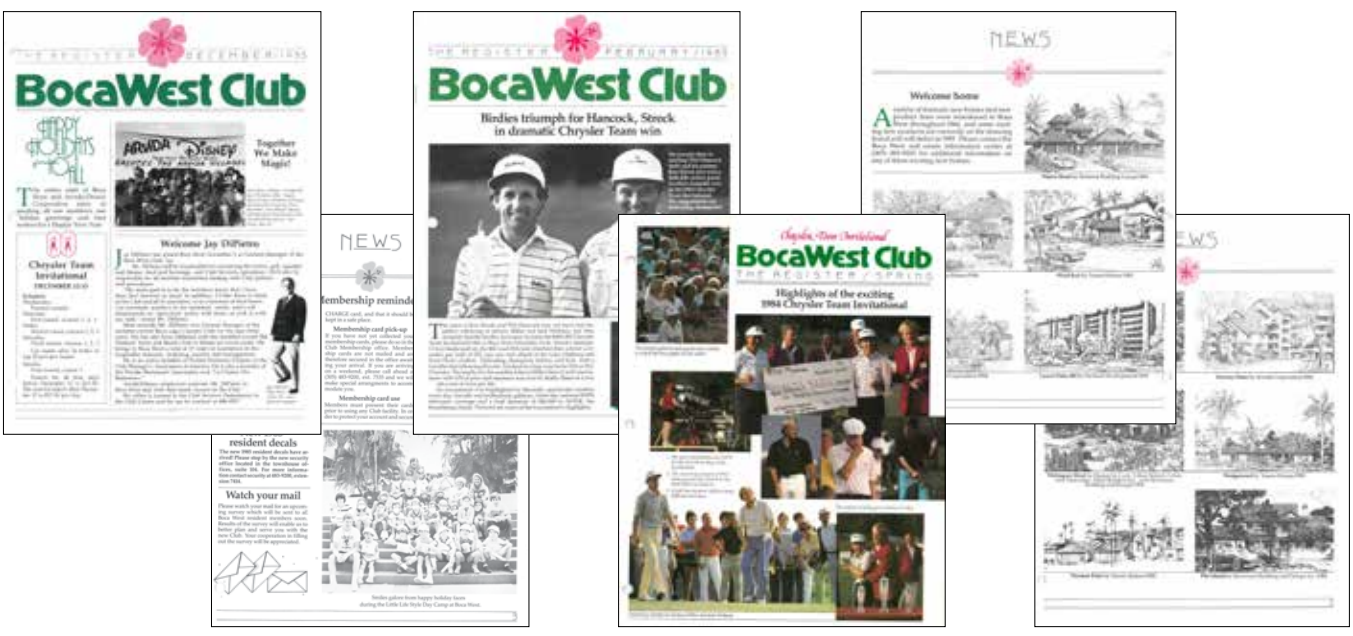

That all began to change in the **1950s and 1960s**, when South Florida experienced a development boom fueled by postwar prosperity and population growth. One man – Arthur Vining Davis, the formidable former chairman of ALCOA – recognized the promise hidden in the wilderness. Having already made his mark on the aluminum industry, Davis turned to real estate, founding the **Arvida Corporation in 1958** (named after his own initials: **AR**thur **VI**ning **DA**vis).

Under Davis's leadership, **Arvida** became one of Florida's most powerful and visionary development companies. It acquired more than **100,000 acres across the state**, including the Boca Raton Resort & Club, and played a central role in shaping East Boca's landscape with exclusive communities like Royal Palm Yacht & Country Club, Sabal Point and cities like Coral Gables & Weston.

By the late **1970s and early 1980s**, Boca West was flourishing. The community attracted celebrities, athletes and financial leaders seeking privacy, recreation and natural beauty. More golf courses followed, as did expanded amenities, including a clubhouse, tennis courts and dining venues. In 1985 the Members took over the Club from Arvida as an equity owned Club.

Today, Boca West Country Club is regarded as one of the finest private residential clubs in The World. Yet beneath the fairways and fountains lies a story of visionaries who saw potential where others saw pasture. Of pioneers who imagined golf course where cattle once grazed. Of a place that was never just built – but curated and brought to life.

Because before it was a destination, before it became an icon, Boca West was a vision – and it was kept.

Lifestyle & Wellness: The Fourth Sport

This Fall, Play the Sport of Living Well. At Boca West, we have always been champions of a good life. Living the Life you Love and Loving the Life you Live! We know the thrill of a perfect drive down the fairway, the joy of a winning point on the courts, and the agility to chase down a great dink. But this fall, we invite you to embrace **a different sport, one where the scoreboard is measured not in points but in energy, balance and joy.**

Welcome to Lifestyle & Wellness - The Fourth Sport at Boca West.

Why the Fourth Sport? Golf, Tennis and Pickleball, will always be core to our club's sports culture. Lifestyle & Wellness is what ties them all together. It is where you build the stamina to walk eighteen holes, the flexibility to stretch for that volley, and the quickness to react in the kitchen. Lifestyle & Wellness is not an "extra." It is the foundation that will help keep you at the top of your game, not only in sport but in every arena of life.

I would be remiss if I did not share the sad news of the passing of Barbara Crowley, who served Boca West for 36 years as our Director of Human Resources. Though many of you may not have known her personally, Barbara was instrumental in recruiting the talented staff who continue to make our Club exceptional, including assisting in the creation of our International Staff program 27 years ago. She built our Human Resources department from the ground up, cared deeply for employees, and was a trusted guide for many, helping shape the Club's employee culture into the supportive, welcoming community it is today.

As always, I welcome and encourage your thoughts, comments and suggestions regarding your Club and look forward to seeing you around. My family, Yamile, Alexa, Sophia and I, along with your wonderful staff wish you all a happy and heartfelt **Thanksgiving** filled with cherished memories and many blessings.

Sincerely,

FINANCE COMMITTEE REPORT

By Arthur Schwartzman, Finance Committee Chair

Nine Months Ended June 30, 2025

It's hard to believe how quickly 2025 is flying by, yet here we are, welcoming another beautiful fall season at Boca West. I hope everyone has had a wonderful and safe summer. I also want to extend a warm welcome back to our seasonal members who are now starting to return to Boca West.

The summer months brought energy and activity across every corner of our Club, especially as as we watched the construction of our Racquet Sports Center come to life.

The momentum from last year didn't just continue, it picked up speed. Revenues for Golf Operations, Racquet Sports, Spa and Fitness, Food and Beverage not only all remain above budget, but exceed the prior year's exceptional numbers. Catering events have also added a significant boost to our bottom line.

Before diving into the numbers, I want to express my gratitude to my Vice Chair of Finance, Joan Attermann, our CFO, Kathy Campbell and Controller, Kris Nielson. Their professionalism and commitment continue to provide our Board of Governors and Management the timely information and insight required to keep our Club in a strong financial position.

Operating Results:

Our Club continues to perform exceptionally well financially, ending the first nine months of our fiscal year slightly more than $1M ahead of budget. Among the significant factors contributing to this result are:

Key Positive Budget Drivers:

- Food & Beverage – a $1.2M favorable gross profit variance, reflecting robust member activity, outstanding Food and Beverage performance and cost management.
- Membership growth and turnover – a $740K benefit from prorated dues paid by new members and a decrease in delinquent accounts.
- Additional Income – Golf Operations has seen a $200K increase in revenues along with an additional $220K above budget from sources such as interest income and guest fees.
- Member Activities - $180K under budget, driven by strong member participation, strategic consolidation or cancellation of selected events and careful oversight.

Areas of Costs Higher than Budget:

- Golf Course enhancements - $800K for Dye IV re-grassing, Fazio II and Dye IV bunker repairs, new shrubs and plantings, driving range improvements and general maintenance on all our courses.
- Operational Support – Additional $140K in Food & Beverage expenses and $390K in Engineering expenses tied to increased member usage and higher supply, repair and maintenance needs.
- Technology Investments - $185K in back-office systems and software licenses.

Cash Balances and Bank Debt:

As of June 30, cash on hand this year was $1.8M compared to $3.6M last year. The outstanding balance on our bank line of credit this year was $7.0M compared to $22.5M last year. Expressed another way, our bank debt in excess of cash was $5.2M, this year vs $18.9M, last year or an improvement of $13.7M, year over year.

Going forward, as our current capital improvement construction progresses, we will begin to draw from our bank line of credit over the next few years. Our current bank line of credit expires in February 2026; and although the Club may extend the maturity date one time for up to five years, we are now actively in the process of negotiating, with several Banks, a new loan agreement to support both our current and future projects.

Other Matters:

This year, through June 30, new member sales closed and pending, are 140 compared to 167 last year. In addition, during this period we have had a net increase of seven equity memberships, resulting from the conversion of non-equity and non-performing units.

Although home sales to new club members are down from last year, they continue to outperform the original projections as submitted to our Bank, Fifth Third Bank, along with our Club's net joining fees. Net joining fees from new members were $11.9M this year through June 30 compared to $10.2M last year, reflecting last Fall's increase in joining fees to new members.

The Heart of a Volunteer. The Power of Community.

At Boca West, volunteering is more than a tradition — it's the core of who we are. As we look ahead to Hope Week 2026, happening the week of January 26-January 30 and on February 8, we invite everyone to join this inspiring season of giving by dedicating your time and compassion.

This is a special chance to make a real difference—not with money, but with your presence and kindness. We encourage each member to volunteer for a morning or afternoon supporting one of the ten incredible charities. Your involvement can change lives and strengthen our community in so many ways.

THESE ARE THE 2026 HOPE WEEK CHARITIES:

Boca Helping Hands – Offering emergency support and assistance.

Boca West Children's Foundation – Supporting local children's charities.

Boca West Chapter of the Pap Corps – Funding innovative cancer research at Sylvester Comprehensive Cancer Center.

Fuller Center – Strengthening families through education and support and afternoon programs.

Gilda Mallin Boca West Hadassah – Promoting health and women's empowerment globally.

Habitat for Humanity – Building homes and brighter futures.

Literacy Coalition of Palm Beach County – Encouraging reading and education for children.

Lynn Cancer Institute – Providing expert cancer care with compassion and support.

Place of Hope – Providing hope to children and families in foster care and recovery.

Tri-County Animal Rescue – Offering safety and second chances to animals in need.

Whether you volunteer for a service project, organize a donation drive, join a fundraising event, or simply motivate others to get involved, your participation matters. Stay tuned for more details and sign-up opportunities.

Let's continue to unite to show that at Boca West, Hope truly happens here — one hour, one act, one heart at a time.

MEMBERSHIP COMMITTEE

by Mark Haberman, Membership Committee Chair

Membership has had another banner year at Boca West. With all of our amenities and the newly opened addition of the Lifestyle Center with our beautiful Blue Point Restaurant and Market Square and the expanded Fitness & Wellness facilities, new members are coming from near and far to experience the Boca West Lifestyle.

We have the best team in the business, and it is my honor to interact with them as Membership Chair. Linda Singer, my fellow Board Member, is our Vice Chair of Membership, and over the past four years has served on the membership committee.

Our incredible Membership Department team is led by Leslie Kennedy, our Director of Membership. Over the past 28 years, Leslie's dedication and professionalism has enabled us to grow and serve the needs of prospective, new and current members.

As we begin a new Season a few reminders:

With the holiday season around the corner, we will have many families and guests visiting Boca West.

Your children, grandchildren (over the age of 12) and parents are required to carry a Club I.D card. It is referred to as the Gold Card. Their initial registration of this card simply needs a "selfie" or photo of their driver's license emailed to the Membership department. Once received, the Membership team can print the physical card and the member may pick it up in Club Services or the Welcome Center. This is a permanent card. It signifies to the staff that the carrier is entitled to discounts and special privileges here at Boca West during their visit. They should always carry it with them while on property. If your family is with you, they may enjoy all of our amenities such as restaurants, sports, and aquatics by following the guidelines for each venue. The guidelines will advise on the costs (if any) and time restrictions (if any) at our various activities.

If your family is enjoying Boca West without you, you will need to take an additional step and activate their permanent Gold card. Activation allows the card carrier to use the entire Club without being accompanied by a member. The activation fee is $25 per person over the age of 12. Children under the age of 12 do not need a card and must be accompanied by an active Gold Card holder or a member. The activation is good for a week (seven consecutive days). Activations may take place for a maximum of 8 weeks a year After the initial registration of the Gold Card, activations may be made by the member on the Club App, website, email to membership@bocawestcc.org or in person at Club Services or the Welcome Center.

If the guest is another relative or friend, you may register them for the Pink Guest Card for $60 per person for the week with the same extension privilege as the Gold Card. The $60 rate is only extended to your guest if you are here to register them in the office upon their arrival. If you are not in town to register them in the office, the Pink Guest card is $250 per person per week. Costs and time restrictions also apply. Much differently than your family that qualifies for the Gold Card.

During the two-week Winter Holidays in December, our population almost doubles from 6000 to over 11,000 enjoying Boca West. Please be mindful that as members we are responsible for the actions of our guests. This includes our dress code, hours and respectful treatment of our staff.

We wish you and your families a healthy and happy Season.

ON THE COURSES

Danny Schulman,
Golf Committee Chair

It's great to see so many members returning from their summer activities. We have had an extremely busy and productive summer preparing our courses for the 2025-2026 season.

Re-grassing of Dye IV has been completed and on schedule for a November opening. Our agronomy and golf operations team has done wonderful job in getting the course done.

Our Fazio II course looks magnificent, and the appearance will continue to improve with time with the additional plantings and beautification. Trees have been added and total greenside bunker renovation has been completed. The feedback from the membership as to the condition of the course has been extremely positive.

During the summer our practice facilities have received major makeovers. We have installed a new mat system on the North Tee while re-grassing the area. The South Tee has also been re-grassed and new hitting mats have been installed. The driving suites have received an updated turf system. The Fazio II tee pads have been re-grassed and we have added practice mats. A new mat system has been installed at Palmer III practice area adjacent to the putting green.

We are extremely happy to introduce three new members of our golf staff. Mark Beaulieu, PGA Lead Assistant Golf Professional, Taylor Brennan and Davis Greene, both Assistant Golf Professionals. We are very fortunate to be able to add such amazing talent to our wonderful golf staff. If you see these three around campus, please make them feel welcome.

Our congratulations to our own Pam Elders, Director of Instruction, on her qualifying and participating in the U.S. Senior Women's Open Championship in August at the San Diego Country Club.

Our 2025-2026 Golf Tournament Schedule is underway with our Season Opener on November 8th and 9th. Our golf committee and staff have put together a great group of tournament events designed to appeal to all golfers. Please refer to your Boca West Golf Book for a complete list of this season's Golf Tournament Golf Schedule. We are anxious to introduce a "Take Pride in you Golf Course "initiative. More on this to follow.

If you have not yet had the opportunity to meet with our club fitting specialist Jacob Huizinga, take time out to be sure to speak to him about your golf equipment.

We will continue to produce the instructional videos and show these hopefully, on a weekly basis. They have been received, by you the members, in a positive and beneficial manner.

I would like to take this opportunity to thank the ongoing support that I have received from Travis Wehrs, and the entire golf staff, our golf committee, and especially my vice-chair Artie Schwartzman. Because of their continued backing and support they have made my post significantly easier.

Again, welcome back and I am looking forward to seeing everyone out on the golf courses.

NOMINATING COMMITTEE REPORT

By Joan Attermann, Committee Chair

This year I have the honor of serving as Chairman of the Nominating Committee. Being on the Board has been an incredibly rewarding experience and a priviledge to represent you.

I want to encourage you to submit your name for consideration in next year's Board election. Our mandate, as a Committee, is to ensure that as many of you, who are qualified, become applicants.

Volunteering to serve on the **Board of Governors** at Boca West is a very special experience.

1. **Contribution to the Club Community:**
   - As a Board member, you have the opportunity to contribute to the overall well-being of the club. Your decisions and actions directly impact the club's members, staff, and facilities.
2. **Leadership and Influence:**
   - Serving on the Board allows you to take a leadership role within the club. You'll have the chance to influence decisions that are directly related to finances, policy, and strategic planning.
   - Your voice matters, and you can help guide the club toward positive changes and improvements.
3. **Networking and Relationships:**
   - Being part of the Board provides satisfaction that comes with being a part of a cohesive group of individuals who are supportive of each other and who take seriously their responsibility to work together to advance a common goal — the well-being and continued success of the community we share and love. For this to happen, we need to have a Board that reflects, as best we can, representatives from the various constituencies of our membership.
4. **Understanding Club Operations:**
   - Board members get an inside look at how the club operates. You'll learn about budgeting, membership dynamics, and member services.
5. **Strategic Planning and Vision:**
   - The Board plays a crucial role in setting the club's long-term vision and strategic direction.
   - If you enjoy thinking strategically and envisioning the club's future, serving on the Board allows you to actively participate in this process.
6. **Personal Satisfaction and Fulfillment:**
   - Volunteering your time and expertise can be personally fulfilling. Knowing that you've made a positive impact on the club and its members can be deeply rewarding.
   - Serving on the Board is a way to give back to a community that you care about.

Serving on the Board of Governors involves responsibilities, commitment, and adherence to governance best practices. You will need to dedicate the time and effort to fulfill this role effectively. If you are passionate about Boca West, volunteering for the Board will be a meaningful and enriching experience.

So, in the end, what type of candidate are we looking for?

- Individuals who have been members of Boca West for at least three years and have some experience in club governance either at the community or committee level
- Individuals who are independent thinkers who offer their respective points of view and understand how to work in a respectful, collaborative manner.

Please consider this challenge and contact me, Joan Attermann, Nominating Committee Chair if you have any questions or want to discuss your interest.

Further information will be forthcoming. The final deadline for applications is November 7, 2025.

This is Step One in becoming a member of the Boca West Board of Governors and giving back to your Club!

Thank you again for your consideration.

Dec. 12 Play for P.I.N.K. Season Kickoff Pickleball Tournament

Dec. 13 Play for P.I.N.K. Season Kickoff Tennis Tournament

For those of you that have not been here this summer the renovations are moving along at a great pace. All the tennis courts should be on schedule outside of stadium court, and open for use by the late November timeframe as promised, as well as the newly renovated Racquet Shoppe. Early in September, an emailed construction update was shared by Matthew Linderman that there will be delays with the new pickleball courts due to the covered roof structure delays and we moved forward constructing 12 temporary courts, next to the current 8 courts on the east side, providing us with 20 courts for the upcoming season.

Now that the season is starting, we just want to remind you that check-in is required for all members and guests. This is required every time you come to play even if you have played in the morning and are coming back for an afternoon session, or if you are switching between sports. Gold Card Guests and House Guests must have their activated card with them in order to check in unless accompanied by the member. Below are the guest rules from November 1-April 30 (subject to change pending construction status).

GOLD CARD HOLDERS:

Gold Card guests may play tennis and pickleball before 11am when accompanied by the Racquet Sports member. Gold Card guests who are not accompanied by the members may only play tennis or pickleball after 11am and must have an activated card. Subject to court availability. Member play will be prioritized accordingly.

Gold card guests of social and Lessee members may only play after 11am and may reserve a court on the same day only.

Gold Card guests may NOT bring their own guests.

Gold Card guests are subject to regular guest fees for the day in accordance with the schedule of fees.

No Gold Card play will be permitted before 11am during holiday weeks, no exceptions.

DAY GUESTS:

TENNIS: Day guests are permitted prior to 11am on Monday, Wednesday, Friday, and Sunday but only when accompanied by the member. Day Guests are not permitted prior to 11am on Tuesday, Thursday, and Saturday. Day guests have the same time restrictions as the members whom they are accompanied by. Subject to court availability. Member play will be prioritized accordingly.

PICKLEBALL: Day guests are not permitted prior to 11am on any day of the week. Members may bring up to three-day guests each day. A day guest is only allowed to be a guest up to six times in one membership year (October 1 – September 30). Each guest is permitted to play six times total. This means that after a guest has played six times as a guest of one member, they cannot then be a guest of another member. Day guests must be accompanied by the member at all times.

GUEST FEES:

Before 1pm: $14 per person per day

After 1pm: $10 per person per day

Players under 22 years old pay no fee after 12pm

Fridays are free guest days

For those of you that have been away and are now here we want to welcome you back and look forward to seeing you all on the courts. Just a reminder that being kind to your fellow members is what Boca West Country Club life is all about.

Enjoy the Season!!!

LET'S GET SOCIAL

by Alan Lustrin, House & Activities Committee Chair

I'd like to extend heartfelt thanks to all our food and beverage team members whose creativity, dedication, and passion elevate the member experience at Boca West.

I'm delighted to share that Kaitlin Garske, who joined us in 2021, has been promoted from Director of Catering to Director of Food & Beverage. Though some of you may have interacted with Kaitlin in her former role, this is a perfect moment to have Kaitlin share more about herself and new responsibilities.

Kaitlin, tell us a bit about your background and why hospitality appeals to you.

I grew up near Chicago and got my start in hospitality at 16, working as a banquet server for a Marriott resort. From delivering wedding receptions to corporate events, I found that the thrill of orchestrating meaningful experiences energized me. I studied Hospitality Administration and Finance at Boston University—where I also played golf for the BU Terriers—gaining both academic foundations and essential leadership and time-management skills. Today, I'm driven by the dynamic environment of hospitality: the people, the problem-solving, the surprise of each new day.

Prior to joining Boca West, where were you and what roles did you hold?

My career spans luxury hotels in Chicago and South Florida. At the Sheraton Grand Chicago, I was Banquets Manager, overseeing 150,000 sq ft of event space and leading large-scale events and conventions. I then led NoMI Kitchen at Park Hyatt Chicago as General Manager, managing operations, finances, service innovations, and tech implementations. Most recently, at Waldorf Astoria Boca Raton, I managed Lucca and Marisol—two fine-dining venues—focusing on menu strategy, wine programs, elevated service, events, and team development.

What attracted you to Boca West?

When I learned of the opportunity here, I sensed something extraordinary. Boca West isn't "just" a country club—it's where hospitality is entwined with daily life at the highest level. The scope, creativity, and nonstop energy of our events were a particular draw. And then there's the culture.

What stands out about our culture?

Our **PROMISE** — Passionate, Refined, Ownership, Mindful, Innovative, Safe, and Empathy-initiative isn't just an acronym. It's how every detail and interaction unfolds here. Excellence is standard, and creativity and care are celebrated. That ethos brought me here and continues to inspire me.

In Kaitlin's role as Director of Catering, she,

- Oversaw sales and execution of member and private events.
- Collaborated with internal teams to design tailored menus, floorplans, and unique event experiences, executing with precision.
- Optimized staffing assignments, deploying team members where they shine by trusting their strengths.
- Balanced creativity with logistics and member experience.

Can you describe your current role and team?

As Director of Food & Beverage, I now oversee every dining experience across our venues and events. My goal is seamless, elevated experiences every time. I'm lucky to have an outstanding leadership team whose dedication keeps us consistent and forward-looking. Together, we anticipate needs, sweat the details, and bring the excellence Boca West is known for.

What excites you going forward? Any upcoming initiatives?

Continuing to elevate our member experience matters most. We honor traditions—those annual events our members cherish—while constantly finding ways to make them more beautiful, memorable, and engaging. Whether through culinary innovation, immersive entertainment, or fresh design, we're always seeking ways to surprise and delight.

Looking ahead, we're developing new concepts that offer members unique, fresh experiences without losing that sense of community and excellence. For me, it's all about creating moments that push boundaries, bring us together, and make people smile—because that, at its core, is the heart of hospitality.

You'll spot Kaitlin actively visible throughout Boca West. Please join us in congratulating her and welcoming her into this exciting new chapter!

BOCA WEST
MASTER ASSOCIATION
Keeping Boca West Safe and Beautiful

Danny Bejarano,
BWMA President

Dear Boca West Residents,

I'm delighted to welcome on behalf of the Master Association Board of Directors, Mary Banmiller as our new Executive Director. In this role, she will oversee all aspects of the organization, including operations, financial and budgeting, capital projects as well as villages and community relations.

Mary spent the past 10 years at Parkland Golf and Country Club and served as the Assistant General Manager. Mary managed a diverse group of department heads. Since stepping into that role in 2022, she was actively involved in key milestones, including the developer turnover, the purchase of the Sports Club and Golf Club, and a transformative $20 million renovation project that included improvements to the golf course, restaurant, fitness center, spa, kids club, and the addition of new pickleball courts.

Mary began her career as an Operations Manager for a property management company before launching and successfully running her own firm.

Here at Boca West Mary looks forward to not only managing the day-to-day operations of the Master Association, but also building strong relationships with the Country Club, Village Representatives as well as our fellow residents.

On a personal note, Mary lives in Coral Springs with her husband and 18-year-old son. She enjoys the beach, skiing, and a variety of other outdoor activities. She is also an active member of the Club Management Association of America.

I am confident that Mary's experience and leadership will support the Master Association goals of enhancing the safety and beauty of Boca West. Please join me in extending a warm welcome to Mary.

CHAIRMAN'S LETTER

As we begin the much anticipated 2025-2026 Season, we welcome our returning members and look forward to gathering once again and enjoying all that awaits. This year's edition of the *Calendar of Events* features all the details and everything you need to know to partake in *all things Boca West*. It's going to be an exciting Season with so much to choose from for everyone!

Over the past few months, we have continued to work together on your behalf. Board and Management participated in planning, construction and financial meetings, initiated collaborative discussions with the BWMA, held an Executive Committee and Board of Governors meeting in mid-August and continued to welcome new Club members to our ranks.

Project Update: Phase One of the Capital Improvement Program construction is well underway which Matthew outlines in his article on page 3 featured in more detail in our *"Field Notes"* communications emailed periodically to the membership. Field Notes brings you informative updates related to the project and contains links to our micro website which debuted in January. You can read more and click on the links for photos, progress reports and the full Capital Improvement Plan which was approved by the membership earlier this year. Despite the rumors and gossip we sometimes overhear, Boca West never embarks on capital projects without our members' knowledge and consent. I'd like to thank Matthew Linderman, the Project Management Team, the construction team of Mouw Associates, Inc. and the Special Projects Committee, for what has been a wonderful launch to the Project and for also creating neat, detailed and efficient job sites with people power on site seven days a week. If you have not seen it already, the covered walkway at the main Clubhouse was completed in time for all of the Labor Day festivities and it is magnificent. We look forward to continuing to unveil your new capital improvements later this year and in the years to come.

Financial Update for the nine months ended June 30, 2025:

Boca West Country Club remains in excellent financial health, ending the first nine months of our fiscal year $1M ahead of budget. The annual 2025-2026 Dues packet was mailed in July and Dues received are strong and consistent with years past. Of interest to note, when your Board of Governors unanimously approved the 2025-2026 Budget this past June, they concluded with a moderate increase. As of this writing, in reviewing the region's dues increases, your Board and Management delivered the 2025-2026 Budget with **the lowest dues increase in the past 4 years, and comparatively lower than many Clubs in South Florida… without an assessment.** Additional financial highlights for the first nine months of the fiscal year are outlined in the Finance Chair's article on page 26.

We are also celebrating something extraordinarily special right here at Boca West…I am so honored and proud to formally recognize and congratulate **Matthew Linderman who has achieved an incredible milestone…his 20th anniversary with Boca West.** His career at Boca West began in the year 2005 as Assistant Director of Food and Beverage and a decade ago he was appointed by the Board to President, Chief Operating Officer and General Manager. He has led us admirably throughout the years, and is an accomplished and celebrated visionary leader that is the envy of the Club industry. Over the past twenty years, and most significantly in the past decade under his leadership, he has spearheaded the growth of our amenities, led us valiantly through a world pandemic, advanced his partnership with our Board, Master's Association, Professional Staff and diverse membership. Boca West has grown exponentially under his direction in amenities, programs, national and worldwide rankings, talent acquisition and retention, community outreach, membership growth and prominence. This level of professionalism, dedication, loyalty and accomplishment is quite rare and Boca West is fortunate to have Matthew, along with his family, **part of our family**. We extend every best wish to him for continued success and fulfillment. Please join me in congratulating Matthew on his 20th anniversary and extending appreciation.

As we enter Fall, also a season of gratitude, we can be proud of the many community outreach initiatives Boca West supports. Recently, I joined several Board Members at the Habitat for Humanity Home Dedication ceremony in Belle Glade. I had the honor of presenting the keys to the Ramsey Family and we were all so proud to welcome KeYanna and her beautiful family to their new home. For the past fifteen years, Boca West has been a generous and compassionate sponsor of Habitat for Humanity's home building initiative. The home in Belle Glade is where our members and staff participated in the build - giving of their time and talent during the construction phase, and it was also a part of **Hope Week 2025's** member engagement volunteer projects. Each

family goes through an extensive process to be eligible for a thirty-year interest free loan and for many, they are the first in their families to own a home. Continued community service and volunteer time is part of their commitment, as well as setting a fine example for their family and community.

As we embark on the **Club's 40th Season** as a Member equity owned Club, we look with renewed excitement, enthusiasm, dedication and promise for all that is yet to be. We continue to pledge our commitment to Boca West's continued excellence and growth. May the upcoming season be one of friendship, family and fun for our members.

With November just around the corner, my husband Merrill and I extend warm wishes to you and your families for a very Happy and Blessed Thanksgiving. We all have so much to be grateful for.

Sincerely,

Jeanine Banks
