PRESIDENT'S LETTER

Dear Member,

As I reflect on the past year and look ahead to 2026, I am filled with gratitude for the extraordinary community we continue to build together at Boca West Country Club. Each day, I am inspired by our Members' passion, our Staff's unwavering dedication, and the genuine spirit of camaraderie that makes our Club so special. Leading Boca West is truly both an honor and a privilege.

I am thrilled to announce that once again, Boca West Country Club has been awarded the prestigious Distinguished Club Award, with a special Elite Distinction, by BoardRoom magazine, one of the most respected publications serving the private club industry. I am incredibly proud of all that we have accomplished together and even more excited for what lies ahead. Our commitment to excellence remains unwavering, and I am confident that, together, we will continue to elevate every aspect of the Boca West experience.

More great news to share! Boca West Country Club has been named the **2025 Club of the Year by Golf Business Network**. A heartfelt thank you to Travis Wehrs, Director of Golf, and his exceptional team for their leadership and dedication. We are also proud to share that Boca West has received the **2026 AGM Platinum Award**, recognizing excellence in merchandising, promotions, and Member service. Congratulations and sincere thanks to Emily Gifford, Director of Retail, and her outstanding team. Together, these honors reflect our ongoing commitment to delivering exceptional experiences and creating lasting value for our Members every day.

I am pleased to share that **Dean Iampietro has been promoted to Director of Food & Beverage, Restaurants and Bars**. Since joining us in May 2022 as Assistant Director of Food & Beverage, Dean has shown impressive growth and has become a trusted and valued member of our leadership team. To continue delivering exceptional dining experiences for our Members, our Food & Beverage leadership has been thoughtfully structured into two focused areas: Restaurants and Bars, and Catering and Events. **Kaitlin Garske** will continue in her role as Director of Food & Beverage, Catering and Events, while Dean will lead our Restaurants and Bars. This enhancement allows both leaders to focus on what they do best and supports the continued growth of Food & Beverage across the Club.

A heartfelt thank you to our incredible volunteers who made our **fourth annual Hope Week** such a meaningful success. This special week would not have been possible without the dedication, enthusiasm, and generosity of spirit shown by so many of our Members. We are deeply grateful to everyone who gave their time and energy in support of our community partners, including ***Boca Helping Hands, The Boca West Chapter of the Pap Corps, Boca West Children's Foundation, Fuller Center, The Gilda Mallin Chapter of Hadassah, Habitat for Humanity – Greater Palm Beach County, Literacy Coalition of Palm Beach County, Lynn Cancer Institute at Boca Raton Regional Hospital, Place of Hope, The Leighan & David Rinker Campus, and Tri-County Animal Rescue***. Your commitment has made a genuine difference in the lives of those we serve. Together, we created lasting impact and strengthened the bonds between Boca West and our surrounding community. We are proud of what was accomplished and look forward to continuing this important work with you in the year ahead.

We are deeply grateful to everyone who participated in and generously supported this year's **Play for P.I.N.K.** Golf, Tennis, and Pickleball events. Your generosity directly supports critical clinical and genetic research focused on the prevention, treatment, and ultimate cure of breast cancer. Together, you are truly making a meaningful impact and helping move us closer to a future free from this disease.

Our recent **Pickleball and Tennis Member-Guest tournaments**, along with the **Men's Golf Member-Guest Invitational**, were tremendous successes and a true celebration of competition, camaraderie, and Club pride. It was wonderful to see our Members enthusiastically welcoming their guests and proudly showcasing the beauty and exceptional experiences of our Club. The excitement continues into February with the **Member-Guest Luncheon and Card Party**, as well as the highly anticipated **Ladies Golf Member-Guest**, promising even more opportunities to connect, compete, and create lasting memories.

Looking ahead, President's Week promises something for everyone! Whether you enjoy golf, tennis, or pickleball, or are looking to participate in our many Live Well events or family movie nights, the schedule is jam packed with activities for members of all ages. Be sure to pick up a brochure, available throughout the Club and on our website, so you don't miss out on any of the fun. I look forward to seeing you and your families there.

I would like to take a moment to share an important reminder that all Members, family members, and guests are expected to conduct themselves courteously and respectfully toward fellow Members and our staff at all times. During the December holiday season, we received an alarming number of reports regarding inappropriate behavior by Members families and guests toward each other and our staff. We kindly remind everyone - Members are responsible for the behavior of their families and guests and may be subject to the Club's grievance process if expectations are not met. Our staff work tirelessly to create exceptional experiences, and many are young adults living far from home, making the holiday season especially challenging. Your kindness, patience, and respect mean more than you may realize, and they are essential to preserving the welcoming and gracious environment that defines Boca West.

If you have not signed up as of yet, join us for an unforgettable evening on March 13 with **Pia Toscano**, a powerhouse vocalist who has captivated audiences around the world and shared the stage with legendary artists Andrea Bocelli and David Foster. This promises to be a truly spectacular performance, one you won't want to miss. Please be sure to submit your request to the Activities Department by February 13.

Champions Among Us – Tennis Royalty at Boca West

Celebrating the legends and legacy makers who graced the Club's courts

On any given morning at Boca West Country Club, the sound of tennis balls echoes across pristine clay courts – punctuated by laughter, light conversation, and the rhythmic cadence of a rally. But during the Club's formative years, those echoes often carried a different resonance: the unmistakable presence of champions. Not just weekend warriors or skilled amateurs, but icons of the professional tennis world – men and women whose names graced trophies, whose matches were broadcast globally, and whose legacies were forged on the grandest stages of the sport at Boca West, they were simply neighbors.

The Club's appeal in the 1980's were undeniable – lush surroundings, a privacy-rich lifestyle, world-class facilities, and a climate made for year-round play. It became a natural haven for tennis professionals who sought both serenity and serious practice. The result was a golden era for Boca West, when residents didn't just play tennis – they lived alongside its legends.

Perhaps most famously, **Ivan Lendl**, the worlds No. 1-ranked men's player at the time, made Boca West his home. Lendl, an eight-time Grand Slam champion known for his dominance and discipline, practiced diligently on Club courts, drawing quiet crowds of onlookers eager to watch one of the game's greats refine his craft.

NEWS

We're proud of our neighbors

They span three generations of athletes ... and their legendary achievements have been acclaimed and recorded in sports notebooks for all of history to remember.

Millions have watched their powerful serves and volleys on tennis courts around the world, and witnessed their precision shot-making on golf courses spanning the globe.

Today these sports elite grace the fairways and the clay courts of Boca West on a regular basis.

After all, they live here.

Tennis professionals **Tim Gullikson, Hana Mandlikova, Susan Mascarin, Van Winitsky** and the legendary **Fred Perry** join golf pros **Lori Garbacz, Beverly Klass** and Boca West touring pro **Johnny Miller** in calling Boca West home.

"Boca West has long been attractive to sports professionals – as well as to celebrities from other walks of life," notes Boca West Vice President and Executive Director Robert L. "Chip" Anderson. "That's due of course to Boca West's exceptional quality of life, but also because the people who live here have a deep respect for these athletes' accomplishments – and equally as important, for their privacy."

The elder statesman of the group, Fred Perry has known Boca Raton since the days of his three consecutive Wimbledon wins. After claiming those titles in 1934, 1935 and 1936, Perry became the tennis pro at the Boca Raton Hotel and Club for 13 years, through 1950. He and his wife now divide their time between Boca Raton and Australia, with time in between for traveling.

Tim Gullikson (his twin brother Tom is also a touring pro) is ranked among the top 50 men in the world in singles, while he and Tom are one of the top doubles teams.

Hana Mandlikova is among the top five women tennis players in the world. She had a much-publicized big win over Martina Navratilova a year ago. She is coached by former great Betty Stova.

Susan Mascarin is an up-and-coming young player. She advanced to round 16 of the U.S. Open in 1984 before straining her ankle.

Van Winitsky is best known for his doubles play.

Johnny Miller burst into golf prominence in early 1975's for his spectacular showing in the desert events. He hosts the annual Boca West Chrysler Team Invitational, having won the dramatic team event in 1983 with partner Jack Nicklaus.

Lori Garbacz is known for her colorful and animated style on the golf course. A "Gator," Lori is a University of Florida graduate. She was runner-up rookie of the year in 1979. With a kindness for Japan, Garbacz has played very successfully there.

Beverly Klass was perhaps best known for her debut on the LPGA Tour at the early age of nine. She has since wowed golf circles with her long drives and strong finishes.

While the athletic achievements of these professionals are truly brilliant, Boca West's lifestyle of luxury makes even sun-superstars feel like a million!

Also awaiting Boca West members is an exciting array of social, recreational, educational and cultural activities planned exclusively for them by Club Services. Included in the busy schedule are theme parties, seminars, a complete bridge program, fashion modeling, art exhibits, and trips to area sporting events, theaters and museums.

We're looking forward to seeing you again.

Get Ready for the Skins Game

A special Skins Game will be held Monday, October 14 at Boca West to kick-off the 1985 Chrysler Team Invitational Tournament. Boca West members are invited to be complimentary guests at this special event on course one, holes 1 through 9, beginning at 10 a.m. Competing for the $80,000 purse will be Johnny Miller and three other touring pros.

No spectator golf carts will be permitted on the course.

See page two for updated Chrysler Team Invitational information.

Congratulations to our U.S. Open Winners

We would like to extend our congratulations to Boca West homeowners Ivan Lendl and Hana Mandlikova, winners of the recent prestigious 1985 U.S. Open tennis tournament at Flushing Meadow, New York.

Boca West is proud of its long-standing reputation as the home of some of today's most familiar sporting greats. Lendl and Mandlikova are joined by neighbors Tim Gullikson, Susan Mascarin, Van Winitsky and the legendary Fred Perry, who join golf pros Lori Garbacz, Beverly Klass and the Boca West touring pro Johnny Miller in calling Boca West home.

Boca West members can look forward to watching Johnny Miller in action at the Skins Game on October 14

Living nearby was **Hana Mandlikova**, the Czech-born champion who captured the 1985 U.S. Open and earned four Grand Slam singles titles in her career. Elegant and gracious, Mandlikova was a fixture on the courts – gliding through practice sessions and offering encouragement to juniors with an unassuming charm that belied her star power.

Also part of the community was **Tom Gullikson**, the American doubles standout and brilliant strategist who later coached Pete Sampras to the pinnacle of the men's game. At Boca West, Gullikson was more than a professional – he was a teacher, mentor and friend to members who found themselves in rallies that felt like private clinics with a master.

The Club also played host to icons like **Fred Perry**, the dashing British legend and three-time Wimbledon champion turned fashion icon, and **Bjorn Borg**, the stoic Swedish powerhouse who captivated the world in the 1970's. This presence gave Boca West an international flair and elevated its profile among elite sporting circles.

Here, Champions aren't just part of the past – they are woven into the present, and shaping the future. And their legacy continues to echo across every serve, and shared smile on the court.

The Boca West Cup is coming back to us

The language of sports is truly international. The recent Boca West Cup golf tournament in Germany emphasized the comraderie brought about by sports among international golfers.

This successful first annual Boca West Cup, held at the beautiful Golf Club Margarethenhof outside of Munich in July, joined together more than 90 players from Germany and the United States. It was co-sponsored and co-organized by Boca West homeowners Mr. and Mrs. Rainer Hasslacher with a special playing exhibition by Johnny Miller. Enthusiastic Boca West members Mr. and Mrs. George Holt, who have a home in Munich, Dr. and Mrs. Horst Niehues, homeowners in Boca West's Waters Reach, and Al Orlian also played in the tournament.

Due to the tournament's resounding first-year success, in January the Boca West Cup will come back to be played at Boca West, with many players from Germany participating. And all Boca West members are invited to join the action in the upcoming tournament schedule. Watch The Register for more details.

Four hundred spectators enthusiastically followed Boca West Touring Pro, Johnny Miller, during the exhibition play.

Displaying their new Boca West prizes are winners Liselotte Reiser, (left) far closest to the pin, Michael Brandt, Boca West silver cup, Eckehardt Schaffer, Germany's Junior Champion and National Team member and Dr. Udo Hubmer.

In the winter of 1984, a wave of excitement swept across Boca West Country Club. The prestigious **Chrysler Team Invitational**, a nationally televised PGA Tour event, was coming to town. For a club already known for its elegant surroundings and top-tier amenities, the tournament marked a defining leap into national prominence.

From **February 9-12, 1984**, Boca West transformed into a vibrant stage for professional golf. Thousands of spectators lined the fairways, ESPN cameras rolled, and the golf world turned its attention to South Florida. The tournament's unique team format brought together an extraordinary field of legends, headlined by **Jack Nicklaus** and **Johnny Miller** – defending champions and two of the sport's most recognizable figures. Their presence wasn't just a booking; it was a bold statement that Boca West had arrived.

Alongside them, a constellation of stars lit up the leaderboard: **Greg Norman, Ben Crenshaw, Payne Stewart, Chi Chi Rodriguez,** and the famous sibling team of **Ray and Marlene Floyd, Dave and Denny Edwards, and Lanny and Bobby Wadkins.** Each brought their distinctive style, generating a palpable energy that resonated through the Club and its surrounding community.

The drama culminated on a clear and breezy Sunday afternoon as **Phil Hancock** and **Ron Streck** surged ahead in the final round. With poise and precision, they sealed their victory with a birdie on the last hole – prompting a wave of cheers from the grandstands. But the real win belonged to Boca West, which had hosted a flawless, electric event that blended elite golf with signature hospitality.

The success of 1984 laid the foundation for an even **grander event in 1985**. That year, the tournament expanded its footprint to three of Boca West's premier courses and increased its purse to $555,000. It also introduced the **Jonny Miller Select Circle Cup**, a pioneering mixed-format event that paired Club members with LPGA stars. **Kathy Baker** emerged as the inaugural champion, and the innovation set a new bar for inclusivity and excitement in professional-amateur play.

Equally important was the tournament's philanthropic impact. Proceeds benefited "Amputees for Training, Education and Rehabilitation" (AFTER), showcasing the Club's dedication to causes beyond the course.

Birdies triumph for Hancock, Streck in dramatic Chrysler Team win

No wonder they're smiling! Phil Hancock (left) and his partner Ron Streck just won a $100,000 victory purse for their dramatic win in the 1984 Chrysler Team Invitational. We congratulate our defending champions!

The team of Ron Streck and Phil Hancock may not have had the gallery following of Johnny Miller and Jack Nicklaus, but they certainly had the birdies necessary to claim the $450,000 Chrysler Team Invitational title at Boca West December 13-16. Streck's dramatic 15-foot birdie putt on the 460-yard 18th hole clinched their win for a 33-under par total of 255, just one shot ahead of the Gary Hallberg and Scott Hoch tandem. Defending champions Johnny and Jack, with a Cam Pri-like following all week, finished in a four-way tie for 12th at 265, 23-under. The trophy for the satellite Johnny Miller Select Circle tournament with LPGA pros and amateurs was won by Kathy Baker in a two rd event at even par 144.

The tournament was highlighted by blessedly spectacular weather every day, friendly and enthusiastic galleries, three-day national ESPN television coverage and a final donation of $50,000 to AFIER, the benefitting charity. Pictured are some of the tournament's highlights.

Defending champions Johnny Miller and Jack Nicklaus

Kathy Baker took first place honors in the Johnny Miller Select Circle Cup pro-am satellite tournament

The story of golf at Boca West Country Club began in 1971, when the Arvida Corporation commissioned visionary architect **Desmond Muirhead** to design the Club's first 18-hole golf course. Known for his artistic flair and sensitivity to natural landscapes, Muirhead sculpted a layout that wove through sawgrass marshes, pine scrub, and winding canals, capturing the spirit of old Florida. His design laid the foundation for what would become most of the celebrated private club golfing destinations in America.

The first course was only the beginning. Over the next five decades, Boca West expanded to boast four 18-hole championship courses, each crafted by legends of the game – **Arnold Palmer, Jim Fazio and Pete Dye** – each bringing distinct styles, philosophies, and innovation to the Club's growing legacy.

LOOKING FORWARD: FRY/STRAKA AND THE FUTURE OF GOLF AT BOCA WEST

Today, Boca West continues its tradition of excellence through a comprehensive master plan led by **Fry/Straka Global Golf Course Design**. Their partnership ensures that Boca West remains at the forefront of private club golf – balancing **modern design, environmental responsibility**, and the **timeless values** that have shaped its evolution.

LEGACY IN EVERY SWING

From **Muirhead's poetic first course** in 1971, to **Palmer's bold reinvention** in the 1900s, to **Fazio's and Dye's celebrated layouts**, and now into the future with **Fry/Straka**, Boca West's golf story is one of creativity, reinvention, and profound respect – for the land, the game, and the members who have called it home.

At Boca West, every hole has a history. And **every swing carries the legacy** of those who dreamed bigger, built better, and shaped a standard of excellence that continues to inspire, generation after generation.

THE STORY OF BOCA WEST COUNTRY CLUB

From Parking Lot to Podium – The Rise of Pickleball at Boca West

How one member and a roll of tape launched pickleball at Boca West in 2015

It began in 2015 with a roll of tape, a borrowed tennis court, and one passionate member – **Lee Kritzer** – who believed this then-quirky paddle sport had the potential to bring people together. Each week, more curious players showed up near the Tennis Center, drawn to the fast-paced nature of pickleball. That spring, the movement got official backing when the Board approved Boca West's first **four dedicated courts**, marking the humble but hopeful beginning of what would become one of the Club's most beloved programs.

By 2016, the sound of popping balls echoed daily. More courts were added, shaded bleachers installed, and social round robins drew players of all skill levels. Equipment was plentiful in the Tennis Courts, and lessons helped beginners fall in love with the game. Boca West wasn't just building courts – it was building a community.

As momentum grew, so did competition. In 2018, Boca West launched its first **Pickleball Club Championships**, then entered a team into the **Florida South County Pickleball League**. Matches were fierce, friendships deeper. Even the youngest members got in on the fun through summer camps and family playdates, weaving pickleball into the fabric of Boca West Life.

The pandemic didn't slow the sport – it supercharged it. **Outdoor play surged in 2020**, and the Club responded by upgrading every court and adding evening lighting for nighttime matches. In 2021, with waitlists growing enthusiasm showing no signs of slowing, the Club approved six additional courts, bringing the total to 14 – cementing Boca West's place among the premier pickleball destinations in South Florida. Soon we will be introducing 25 new pickleball courts featuring one center court and 12 covered courts.

By 2023, the courts were alive with energy. Member/guest tournaments, junior championships, and themed social mixers brought hundreds to the courts. Boca West players even medaled at the **Gunther Delray Classic**, proving their skill on a regional stage. **What started as taped lines in a parking lot had evolved into a championship-caliber program.**

President's letter
continued from page 3

I am delighted to announce the return of **Tanglewood at Boca West**, live on the Great Lawn/Driving Range on Wednesday, March 25. This year's theme, *Jon's Favorites*, will celebrate the extraordinary career and lasting legacy of Dr. Jon Robertson as we honor his retirement with a heartfelt and meaningful concert. This promises to be an unforgettable evening of music personally selected by the Maestro himself, a reflection of his passion, artistry, and years of dedication, beautifully performed by the Lynn University Philharmonia.

With spring just around the corner, our **Easter and Passover** celebrations are fast approaching. We invite you to join us for our **Easter Champagne Brunch** in Panache on April 5, as well as our Seder Dinners in the Grand Ballroom on April 1 and April 12. Please be sure to submit your requests by the applicable deadlines to secure your reservations.

This year's election marks the conclusion of a three-year term for **Mark Haberman, Arthur Schwartzman,** and **Robin Shulman**, as well as the completion of two consecutively served three-year terms for our esteemed Chairman, **Jeanine Banks**, and our past Chairman, **Philip Edwards**. I extend my sincere appreciation to each of these Board Members for their selfless dedication, thoughtful leadership, and valuable expertise in service to our Club. Their contributions have been truly meaningful, and we are deeply grateful for their commitment.

As our Chairman's term comes to a close, I would like to express my heartfelt gratitude to **Jeanine Banks** for her unwavering dedication and exceptional leadership. Over her six years of service on the Board of Governors, including the past two as Chairman, Jeanine's commitment to Boca West has been truly extraordinary. Working alongside her has only deepened my admiration and respect for her vision, insight, and thoughtful approach to governance. Her contributions have been invaluable, and it has been a genuine pleasure to collaborate with her — an experience I will miss and always cherish. We are incredibly fortunate to have benefited from her guidance and leadership.

With the election comes the formation of new committees for the 2026–2027 season. If you are interested in contributing fresh ideas and energy, consider serving on a committee, please submit your request along with any relevant experience to Cathy Stergios at cstergios@bocawestcc.org by **March 5** to express your interest. We look forward to working with our newly elected Board of Governors and committee members throughout the 2026–2027 season.

As always, I welcome your thoughts, suggestions, and feedback. On behalf of the Linderman girls and me, we wish you a warm and happy Valentine's Day.

Sincerely,

Matthew Linderman, CCM

The Central Coast wine region of California is a sprawling and incredibly diverse area, producing a wide array of wines thanks to its varied microclimates and terroirs. The Central Coast AVA (American Viticultural Area) stretches along the California coastline from the San Francisco Bay Area down to Santa Barbara County. The large area encompasses numerous sub-regions, each with its own unique characteristics. This is the dominant wine region in Washington State, encompassing a vast area of the Cascade Mountains. It's characterized by a dry, continental climate with hot summers and cold winters. The Columbia Valley's large diurnal temperature swings (the difference between daytime and nighttime temperatures) are crucial for developing complex flavors in grapes. The valley is the home to the majority of Washington state grape growing. It's within the Columbia Valley and there are many sub Appellations.

- ***Known for:*** Signature dishes that are seasonally driven, with produce often sourced directly from local markets including Tuna Burger, Ricotta Gnocchi, Roast Chicken and Fresh Pastas.
- ***Impact:*** Helped shape New York's downtown food scene and ushered in a generation of restaurants where warmth, hospitality, and ingredient transparency mattered as much as cuisine.

- ***Known for:*** Including Andouille-Crusted Redfish, Banana Cream Pie, Barbecue Shrimp, and Chicken and Andouille Gumbo – all elevated takes on local classics.

Engagement, Growth & Gratitude

February is one of the most vibrant times of year at Boca West. The Club is alive from morning through evening, with members engaged across a wide range of activities. From early morning workouts to a full day of different options, participation across all areas of Lifestyle & Wellness continues to reach record levels.

As we enjoy the height of the season and look ahead to March, which also marks the close of the current Board and Committee year, I would like to take this opportunity to recognize and thank the members of the Lifestyle & Wellness Committee for their time, dedication, involvement, and thoughtful input throughout the year. Our current committee includes: **Teri Cox (Vice Chair), Alyssa Fein, Rita Goldblatt, Susan Kaplan, Ira Krinick, Scott Lipkin, Jerilyn Prague, Carole Ries, Peter Ruben, Bob C. Schwartz, Tracy Simon, Ben Zeltner, and Silvia Kearney, working closely with Misty Stewart, Director of Lifestyle & Wellness.**

The committee represented a terrific cross-section of interests and participation across all areas of Lifestyle & Wellness, and their feedback has been both practical and impactful. Most importantly, the committee has been highly effective, with many ideas moving quickly from discussion to implementation. This season has seen the expansion of our group exercise schedule to **more than 115 classes each week**, offering something for every fitness level and interest. **Introductory Yoga and Meditation classes** were introduced to make these practices more accessible as well as new VIPR and Stick Mobility classes. **Assisted stretching sessions** are now available, and the **outdoor fitness studio is open**, giving members additional ways to train and move in a fresh environment.

Fitness assessment and performance offerings have also been enhanced with the **Technogym Check-up, Kinotek Movement analysis, and PNOE Breath Analysis**, providing members with valuable insights into their health and fitness. In keeping with the Boca West **Live Well** philosophy, wellness has been further integrated with other areas of the Club, including **TPI Golf Performance Training**.

Additional enhancements include the introduction of a **cold plunge pool in the Spa Garden**, new Vibro-Acoustic and PEMF loungers, expanded **Pilates equipment and classes**, new **Hybrid Infrared Saunas**, and increased **programming for men**. These improvements reflect the committee's goal of working in partnership with club management to support the continued evolution of Lifestyle & Wellness programming in meaningful and member-driven ways.

As we approach March and the transition to a new Board and committee year, when committees are refreshed, I encourage members to consider volunteering for a committee, whether Lifestyle & Wellness or any of the many others that support our Club. Serving on a committee is a rewarding experience and a great opportunity to get involved, be heard, share ideas, and connect with fellow members who share similar interests.

Thank you again to our committee members for a productive and impactful year and thank you to our members for your continued enthusiasm and participation. The strength of Lifestyle & Wellness at Boca West is a direct reflection of our engaged community, and the momentum we've built together continues to grow.

Please know that your suggestions are welcomed and appreciated. If you have any questions or something you'd like to share, please reach out to our Live Well Concierge at 488-7813 or wellness@bocawestcc.org

HOPE WEEK

By the time this magazine issue reaches you, Hope Week will have concluded. While final numbers are still being tallied, the impact is already felt. It lives in the generosity of our members, the shared experiences of volunteering side by side, and the quiet moments when our members made a difference. Hope Week reminds us that hope is created through presence, compassion, and a willingness to give.

Our 2026 Hope Week Partner Charities

- Boca Helping Hands
- Boca West Chapter of The Pap Corps
- Boca West Children's Foundation
- Fuller Center
- Gilda Mallin Boca West Chapter of Hadassah
- Habitat for Humanity Home Build & Restore – Greater Palm Beach County
- Literacy Coalition of Palm Beach County
- Lynn Cancer Institute at Boca Raton Regional Hospital
- Place of Hope, The Leighan & David Rinker Campus
- Tri-County Animal Rescue

Together, these organizations serve our community in powerful and compassionate ways. Their work spans education, housing, healthcare, food security, family support, and animal welfare. Whether building homes, mentoring children, feeding families, advancing medical care and research, or protecting vulnerable animals, each charity plays a vital role in strengthening lives and creating lasting impact throughout our region.

Although Hope Week has come to a close this year, the spirit it inspires continues. The relationships formed, the awareness gained, and the sense of purpose created during the week will carry forward throughout the year through your efforts and continued volunteerism. On behalf of our Board of Directors, Management and Staff, we thank you for participating in Boca West's Fourth Annual Hope Week and for giving back to our community.

PROMISE in Action: How Investing in Our Staff Enhances the Boca West Experience

One of the things members often say they value most about Boca West is how it feels: the warmth of the greeting, the consistency of service, and the sense that everything runs smoothly. That experience doesn't happen by chance. It happens because of the people who serve our community every day.

In this article, we are proud to recognize individuals who exemplify our P.R.O.M.I.S.E.— *Passionate, Refined, Ownership, Mindful, Innovative, Safe, and Empathetic* — and to celebrate a new milestone in leadership development that directly enhances the Boca West experience.

The PROMISE Keeper Program is Boca West's monthly employee recognition initiative designed to celebrate team members who consistently bring our P.R.O.M.I.S.E. to life in meaningful, everyday ways. Unlike traditional recognition programs that focus solely on outcomes, PROMISE Keepers are honored for how they do their work. Nominations highlight real moments when employees show ownership, empathy, innovation, and refinement — whether in front-of-house interactions or behind-the-scenes operations.

At the culmination of the 2025 year, this ongoing recognition feeds directly into our annual PROMISE Awards:

PROMISE Keeper of the Year – Back of House (BOH)

Behind every memorable experience and smooth operation is a team working diligently behind the scenes. The PROMISE Keeper of the Year (BOH) is recognized for demonstrating excellence where members may not always see it, but absolutely feel it. This year, Jarrad Friggens, Accounting, was recognized as an individual who exemplifies ownership, precision, and pride in their work, ensuring that high standards are upheld every day in support of our members and fellow team members.

PROMISE Keeper of the Year – Front of House (FOH)

The PROMISE Keeper of the Year (FOH) represents the heart of member interaction, delivering warmth, attentiveness, and professionalism at every touchpoint. This year, Danielle Reid, Membership, was recognized as an individual who consistently goes above and beyond, creating meaningful connections and elevating everyday moments into memorable experiences. Their commitment to service excellence reflects the very best of Boca West hospitality.

PROMISE Leader of the Year

This award honors a leader who consistently inspires others, sets the standard for excellence, and leads with purpose. Gabriel Felix, Learning & Development, is this year's PROMISE Leader of the Year. He embodies what it means to elevate not just results, but people, creating teams that are engaged, accountable, and deeply committed to member satisfaction. Their leadership is felt in the seamless service our members experience and in the culture of professionalism and care that defines Boca West.

Why This Matters to Our Members

When Boca West invests in training, recognition, and leadership development, members feel the difference. Teams communicate better. Service is more thoughtful and consistent. Leaders are empowered to anticipate needs, solve problems proactively, and deliver the elevated experience our members expect and deserve.

At its core, the PROMISE is about creating a culture where people thrive. And when our people thrive, so does the Boca West experience.

It's a commitment that benefits our staff, strengthens our culture, and elevates the Boca West lifestyle we all value.

Building Leaders from Within: Leadership Development Program

Sidebar Feature

This year also marks a significant milestone for Boca West: the graduation of our inaugural Leadership Development Program (LDP) cohort. These leaders, selected from across the Club, completed a 14-week structured program focused on leadership skills, mentorship, cross-department learning, and real-world projects, all grounded in the PROMISE. Through workshops, job shadowing, mentorship with senior leaders, and a final capstone project, participants strengthened their ability to lead with intention, empathy, and accountability. By developing leadership from within, Boca West ensures continuity, collaboration, and a shared commitment to excellence, all of which directly benefit our members.

Congratulations to *Al Bruno (Purchasing), Ed Connelly (Fitness), Elan Reznick (F&B), Julio Fuentes (Aquatics), Kappie Mkwane (F&B), Kris Owens (Accounting), Lucian Petre (Housekeeping), Maria Tato (Racquets), Nick Salvas (Golf), Norton Strauss (F&B), and Tara Clampett (HR)!*

Boca West Golf Committee Update: Assessment 2025-2026

As we move through the heart of our golf calendar, I want to take this opportunity to update you on this season's accomplishments by the golf committee and staff. First and foremost, I would like to express my gratitude to my vice chairman, Artie Schwartzman, as well as to the dedicated members serving on the golf committee. Their invaluable contributions have been essential to the Department achieving the objectives we set at the beginning of the year. I would also like to commend our exceptional golf staff, led by Travis Wehrs. His outstanding leadership and commitment to enhancing the golfing experience for our members have made a significant impact on our community.

We are pleased to share that, following the recent re-grassing of Dye IV and overseeding of Palmer III, all four of our courses are currently in pristine condition. As we prepare for the upcoming closing and renovation of Palmer I, scheduled to commence on March 1, we are fortunate that three courses will remain open, allowing our members to continue enjoying their favorite pastime during this transition. During this period, tee-time availability will be more challenging than usual and we truly appreciate our members patience and flexibility as we work to accommodate everyone as thoughtfully as possible. Anticipated re-opening of this course is scheduled for early December of 2026 and will include a Par 3 short course and a new 18 hole putting green.

This year's tournament schedule has significantly catered to golfers of all skill levels within our membership. The golf committee and staff have diligently worked to enhance every aspect of our golfing operations for the benefit of our members. As we reflect on the objectives set at the beginning of the season, we are proud to report on our progress and initiatives aimed at elevating the Boca West golf experience.

Objective: Promoting Best Course Care Practices

This year, we have actively promoted best care practices for our courses through innovative video and drone productions. Thanks to the leadership of Mike Bove and drone operator Nick Salva, we have launched the "Take Pride in Your Course" campaign. This initiative seeks to instill pride among our members and encourage a sense of responsibility to maintain and care for our beautiful courses.

Objective: Standardization of Golf Cart Ownership

We have achieved successful standardization of golf cart specifications, establishing clear expectations for both internal and external features, as well as speed limits for our carts. An inspection protocol has been implemented, requiring thorough checks before issuing trail fee stickers, enhancing safety and accountability on our golf courses and Club property.

Objective: Aesthetic Improvements to Golf Courses

Our dedication to enhancing the aesthetic appeal of the courses, has included the successful re-grassing of Dye IV, and the overseeding of Palmer III and the practice facility. Ongoing projects include new plantings and we have also installed new mats on the practice range.

Objective: Enhancing Staff Visibility

To improve member relations, we have encouraged professional staff to engage more actively with members by playing in existing groups and being more visible on the range. This initiative promotes a stronger sense of community and fosters opportunities for members to interact with our pros during their visits.

Objective: Encouraging Participation through Events

We have created a diverse tournament and event schedule designed to promote participation across all skill levels.

New features include a putting club and a newly formed walking club, inviting more members to enjoy golfing. Additionally, we are reviewing current cart GPS systems and will provide recommendations to further enhance our services.

Objective: Maintaining Communication with Membership

Keeping membership informed is always a priority. Recently, we distributed a new handicap booklet, which provides important updates and insights. We take pride in our responsiveness, ensuring that all member inquiries are addressed within 24 to 48 hours via phone, direct contact, or email.

As we move forward, we remain committed to these goals and encourage our members to take an active role in the ongoing development of Boca West's golf community. Together, let's continue to celebrate our courses and foster an inclusive and enjoyable golfing experience for everyone.

Thank you for your continued support and dedication!

AT THE NET

By Steven Roth,
Racquet Sports Committee Chair

As we say goodbye as of February 28 to the current Racquet Sports committee, I want to sincerely thank my Vice Chair Alan Lustrin and all of our committee members for your hard work and dedication. Your efforts have truly made a difference in our Club. This also marks the end of my second year as Chairman of Racquet Sports. I have genuinely enjoyed collaborating with the committee and all members who have shared their ideas. I am excited for what the future holds and look forward to the years ahead.

With one chapter closing and another beginning, we are seeking new committee members! If you are passionate about Racquet Sports and have fresh ideas, please watch for the club announcement on committees and consider applying. Our club thrives on the creativity and enthusiasm of its members, and many great ideas have come from these committees.

The spring holiday season is here, and we have a fantastic lineup of programs for families and individuals. Be sure to check the event schedule and sign up for your favorites. Our internal and external leagues are thriving. If you missed this year's leagues, don't worry—there's always next season!

This Spring we will be hosting another Pro Pickleball Exhibition; details and dates will be announced soon. The first one was an amazing success with over 200 members coming out to watch top pickleball players in action. We also have our popular Pickleball and Tennis Color War tournaments on February 6 and 7, respectively.

Don't forget, Club Championships are fast approaching. Choose a partner and start practicing together for the most competitive time of the year! Tennis Club Championships start February 18 with Mixed Doubles, and Pickleball starts with Mixed Doubles on March 7.

Our tennis and pickleball courts are full of activity, and it's wonderful to see everyone enjoying them. The new pickleball facility is progressing well and should be completed by spring / early summer. Our brand-new tennis stadium court is nearly ready for play! Watch your email for project updates. More construction will begin this summer, including new tennis courts on the east side and a new Country Club parking lot expansion where the original eight temporary pickleball courts are located.

Wishing everyone a very Happy Valentine's Day and hope you enjoy time with loved ones. Remember to stay active, stay connected and have fun.

DIRECT FROM THE DIRECTOR

by Rob Norton, Director of Racquet Sports

One of the most overlooked factors in improving performance and enjoyment on the court is consistency in your routine. Whether you play once a week or five times a week, how you prepare matters. Taking the time to warm up properly, both dynamically and with your strokes, helps prevent injury and allows your body to ease into match play. Pair that with smart nutrition and hydration before stepping on court, and you'll notice better energy levels, sharper focus, and more sustainable play from start to finish.

Equally important is playing within your physical means. Knowing when to push and when to manage points, take breaks, or adjust your intensity is key to longevity in racquet sports. Consistency isn't about going all out every time—it's about developing habits that allow you to play well, feel good, and stay healthy over the long term. At Boca West, our goal is to help you enjoy the game for years to come, and that starts with taking care of your body just as much as your strokes.

LET'S GET SOCIAL

by Alan Lustrin, House & Activities Committee Chair

The New Year begins with great news…congratulations to **Dean Iampietro**, on his promotion to **Director of Food and Beverage** – Restaurants and Bars. I had the pleasure of meeting with Dean recently to talk about his career experiences and wanted to share with you.

Dean, tell us about your career before coming to Boca West three years ago.

Hospitality is more than a profession for me—it's a calling shaped by years of hands-on experience, mentorship, and a deep respect for tradition.

My path began at the Culinary Institute of America in Hyde Park, New York, where I enrolled to pursue a passion for cooking that took hold at a very young age. During my four years there, I worked in the front of house in several restaurants and hotels and fell in love with guest-facing hospitality.

Immediately after graduating, I landed the dream summer position at the iconic Chatham Bars Inn in Cape Cod, Massachusetts. Assigned the title of "Meat Cart Attendant" at the Inn's new fine-dining steakhouse, Stars, I found myself exactly where I wanted to be - working at the place that was at the very center of my childhood summer vacations. Over ten rewarding years, I rose steadily through the ranks of the dining room and into the food and beverage department, ultimately serving as Director of Outlets. From there, the next chapter beckoned—joining the team at Boca West.

What have been some of your proudest accomplishments here at Boca West and to what do you attribute your success?

Developing managers within the food and beverage team at Boca West is my greatest source of pride. Watching them grow into confident leaders—nurturing their teams, delighting members, and solving complex problems—has been deeply fulfilling. I attribute my success to a leadership philosophy built on clarity and trust: setting clear expectations and goals, then empowering talented people to achieve them. By removing barriers, offering support when needed, and stepping aside when possible, I've seen firsthand how motivated individuals flourish when given room to lead.

What is the biggest challenge you have faced?

My journey hasn't been without challenges. Early in my career, I believed there to be only two ways to do things—the right way and what I perceived is the wrong way. Boca West has taught me "The Boca West Way." With its long-standing traditions, deeply rooted culture, and discerning member expectations, Boca West requires patience, humility, and a willingness to listen and learn. I have learned a lot and am thankful for it all.

How do you spend your free time outside of work?

My life remains grounded in the simple pleasures that first inspired me. I love to cook, garden, fish, hunt, and travel and I treasure sharing moments with my fiancé, Raven, and our rescue dog, Edgar (all Raven's idea). I am happy to say that my personal life mirrors the passion, purpose, and personal connection that embody the "Boca West Way".

Dean, on behalf of all of our members, we thank you for your dedication, quality of service and many contributions to Boca West. We wish you all the best and continued success in your new role.

BOCA WEST MASTER ASSOCIATION

Keeping Boca West Safe and Beautiful

Ronnie Pollard
Landscape & Maintenance Chair

Much of the work of the Master Association is done behind the scenes where we take care of your needs by ensuring your safety as well as providing beautiful surroundings to enjoy life in Boca West.

The dedicated staff and team of the Landscape and Maintenance Department care for a large variety of areas that enhance the beauty of our surroundings. They manage the aquatic health and scenic beauty of 200 acres of lakes and waterways including 9 display fountains as well as all the plantings and trees in the medians along the roads and on common land.

Because there's an increasing number of walkers, bike riders as well as residents and guests enjoying the outdoors, new varieties of plantings include Magnolia trees and Jasmine bushes. They have a beautiful aroma when they bloom.

First time visitors to Boca West remark about the amount of beautiful landscaping throughout the entire community. It is a signature of our club.

For the past few years many villages have added to the attraction of the common areas by revitalizing and updating their entrances and landscaping.

These changes have transformed the approach to the village while expanding the overall charm and style of each.

This month we are sharing several of the new landscaping additions with you as we thank all of the villages for their efforts.

The largest project occurred in the community of Lakewood. A long boulevard serves as the opening to the 94 homes in the three Lakewood Gardens Associations and the 354 homes in the Midrise Buildings. New palm trees line both sides of the street while new plantings gently curve through the middle of the terrace.

We thank all of the villages who continually work to augment the beauty of our surroundings.

GRIEVANCE COMMITTEE REPORT

By Rick Chavis, Grievance Committee Chair

The Grievance Committee is comprised of Boca West Members, our peers, who are entrusted with reviewing and investigating grievances in accordance with the Club's Bylaws, Article X, Section 10.02. When a grievance is filed, the Committee conducts a thorough investigation and submits a written report, including recommendations, to the Board of Governors.

As part of the process, the Member who is the subject of the grievance is invited to appear before the Grievance Committee and is given the opportunity to share their perspective. Following review and discussion, the Committee submits its findings and recommended actions to the Board of Governors. The Board reviews the report, discusses the grievance, and renders the final decision. The Member is then notified and has forty-five (45) days to appeal the Board's decision. The following two grievances were presented and reviewed:

Grievance 06-2025

This grievance was submitted by the Chairman of the Golf Committee concerning inappropriate behavior toward staff, in violation of the Club's Bylaws. The grievance involved an incident in which a Member removed several Styrofoam cups from the Ladies Locker Room. When approached by staff, the Member became verbally abusive. The incident was witnessed by staff. At the Grievance Committee hearing, the Member explained that they had recently moved, that household items were still packed, and that the situation was stressful. The Member expressed remorse and apologized for their actions.

The Grievance Committee recommended a one-month suspension from all Boca West venues and activities, submission of letters of apology, and placement of the incident in the Member's file. The Board of Governors accepted these recommendations.

The Member appealed the decision and appeared before the Board. Following the appeal, the Board amended the ruling and reduced the suspension to two (2) weeks from all Boca West venues and activities.

Grievance 07-2024

This grievance was submitted by the Chairman of the Golf Committee regarding a Member's misuse of the Club's name and branding, misuse of technology, and scope of email recipients in violation of the Club's Bylaws. The Member created a Gmail account using the Club's name and sent an email, styled with the Club's logo and signed "Boca West Golf Staff" to multiple Golf Members as an April Fool's joke. At the Grievance Committee hearing, the Member stated the email was intended as a joke and not meant to cause harm. The Member acknowledged not considering that recipients could be upset or that the message could be widely shared beyond the intended audience.

The Grievance Committee recommended a three-month suspension from all Boca West venues and activities, submission of letters of apology, and placement of the incident in the Member's file. After careful review, the Board of Governors increased the suspension to six (6) months, required confirmation that the Gmail account had been disabled and deleted, and affirmed the remaining recommendations.

The Member appealed the Board's decision and appeared before the Board. Following the appeal, the Board upheld its original ruling without amendment.

CHAIRMAN'S LETTER

As we begin the month of February 2026, I look back on the past year as your Chairman with pride and appreciation – in fact, those feelings extend over a six-year Board of Governor tenure and all of the committees and forums that I have been privileged to engage in at Boca West. It brings to mind so many memories, challenges overcome and accomplishments we have achieved together and the gratitude and respect I have for my Board, past Boards, Club Management, Staff, and Boca West Master's Association leadership who combined are what we fondly refer to as our "Boca West family".

Looking back to our fiscal year end, September 30, and as of this writing, I am extremely pleased to report that Boca West remains in excellent financial health, We ended our fiscal year with a pre-audit **2.3 million dollar year-end surplus**, increased revenue, an increase in cash balance over prior year, a zero balance on our bank line of credit, strong home sales and 98% dues billed, collected and received to date.

Across all areas of the Club – in golf, racquet sports, dining, cards, attendance at events, use of fitness and aquatics facilities – our 2025-2026 Season continues to show that we are growing like never before. **Our approved budget for the 2026-2026 Season of 105 million** will meet this demand with the **lowest dues increase in four years** and comparatively lower than Clubs regionally.

Over the past five years, we have welcomed **1,690 new members, representing an approximate 32% change in our demographic**. To meet this demand, we have employed an exceptional staff who hail from local and international countries. The training, development, retention and mentoring of our entire hospitality team of **1,099 staff** at the height of Season, consistently brings a level of hospitality, quality and service that distinguishes Boca West. I applaud their talent, hard work and contributions to the culture, quality and level of service Boca West is known for.

As we reflect on the progress of our **member approved Capital Improvement Plan**, we are pleased to share an update on several key projects that will shape the future of our Club. In September, the Country Club Walkway Entrance was completed ahead of schedule, providing an enhanced and safer arrival experience with added protection during inclement weather. Phase One of the West Racquets Facility renovation - the Tennis Club Shop and Terrace as well as nine Tennis Courts, opened in November, just in time for the Thanksgiving holiday. The construction on the remainder of the facility, which includes the exciting new Pickleball Center, Stadium Court and the Event Lawn is progressing steadily toward its anticipated completion in May 2026. Construction of both the Loading Dock expansion and the new Administration and Operations Building is also well underway, with completion expected in November 2026. Looking ahead, the reconstruction of Course 1 is scheduled to begin with the spray-out in February, followed by construction commencing March 1 and completion anticipated by December 2026. Enhancements to the Golf & Activities Center, including the full reconstruction of the Men's and Ladies' Locker Rooms, will begin sometime in April or May 2026. **To date, the project has been within budget.**

Our **Fourth Annual Hope Week** commenced the week of January 26 and will conclude on Sunday, February 8. Once again, Hope Week has proved to be an important community outreach initiative engaging our members with 10 incredible charities – *Boca Helping Hands, Boca West Chapter of Pap Corps, Boca West Children's Foundation, Gilda Malin Boca West Chapter of Hadassah, Fuller Center, Habitat for Humanity, Literacy Coalition of Palm Beach County, Place of Hope, Tri-County Animal Rescue and the Lynn Cancer Institute – Boca Raton Regional Hospital.* Matthew and I couldn't be prouder of everyone's commitment and dedication in supporting our **Fourth Annual Hope Week and Boca West Cares** initiative. Our thanks to each and every Boca West Member who gave of their time during Hope Week 2025. **I would like to express my sincere gratitude to our Hope Week Steering Committee Chairman Danny Shulman, Vice Chair Teri Cox, Christina Giulianti, Director of Activities, Kathy Kohlhepp, Director of Communications & Marketing and their teams, as well as our charity partners for continuing to drive this initiative which positively impacts so many.** Your time, love and support have positively impacted others and we hope it will inspire our members to continue to volunteer throughout the year.

I would like to commend the **2025-2026 Nominating Committee – Joan Atterman, Chair, Bill Berkowitz, Vice Chair, Alan Lustrin Board Member at Large and out six Member Committee Representatives, Lane Klein, Robert Lerner, Steven Millhauser, Lori Okun, Donald Sussman and Sherry Zimet** for their work and dedication over the past several months. The Ballot that membership will vote on contains the names of seven member candidates of which you may select no less than three and up to five for the five open seats. Candidate video presentations have been made available to enable you to get to know the candidates. Voting packets will be mailed to all members and selections by secret ballot must be received by 5pm February 26. The results will be announced at our Annual Meeting being held on February 27.

As the 2025-2026 Board year concludes, I'd like to recognize **Philip Edwards** for his commitment, time and contributions serving the Board over the past six years. During his tenure, Phil served as Chairman of the Board for two years and served on my Executive Committee as Immediate & Past Chairman. His commitment to Board education and committee contributions extended in various roles as Chair of Membership, BWMA Representative, Nominating and this past year as Chair of Leadership and Ombudsman. His Vice Chair service included Strategic Planning, Budget and Compensation committee work. We thank Phil for his dedicated service and extend every best wish for happiness, health, new adventures and have more time to enjoy life together with his lovely wife, Ellen.

I extend my sincere appreciation and commend my **2024-2025 and 2025-2026 Board of Governors** whose dedication and commitment to the Board and our Membership have resulted in strong policy, communication, oversight and governance. To **Matthew Linderman, President, COO and General Manager,** my gratitude for the incredible partnership we formed and momentum we built. I am proud of the accomplishments, challenges overcome and milestones we achieved together with our Board, as well as the many plans that will continue to unveil in the member approved Capital Improvement Program. To **Lironne Stefaniw, Chief of Staff**, your support has been unwavering, gracious and steadfast; and to her Executive Office Staff - **Cathy Stergios, Executive Secretary and Yaneth Sigler, Executive Office Administrator**, whose combined professionalism and daily support of our robust agenda and initiatives have been integral to facilitating our goals. I thank each of you for your dedication, professionalism and the caring gestures you have extended to me.

On a personal note, my love, respect and gratitude to **my husband Merrill**, who unselfishly gave me the love, encouragement and support to commit to the demands of this role and devote my time to Boca West. We are truly blessed.

In closing, I look with optimism and enthusiasm as we await welcoming the 2026-2027 Board of Governors and continuing our momentum together with Matthew and his exemplary team. It has been an extraordinary honor to serve as your Chairman & CEO these past two years. As I move into the role of Immediate Past Chairman on March 1, I do so with the same commitment, leadership and focus. I pledge my unwavering support and continued counsel towards the furtherance of the goals and vision to our Board, Membership and Management. I look forward to an exciting year ahead as we continue to unveil new amenities and offerings. Zig Ziglar's quote, *"Difficult roads lead to beautiful destinations"* (which I referenced in the closing paragraph of my first article in early 2024), did indeed lead us to the most beautiful destinations and I am forever honored to have served our Boca West Community.

Onward!
