Aquatics Facility Dress Code

Anyone that uses the pools must be in swimming apparel. No street clothes are allowed in the pools. Clothing such as cut-offs, gym shorts and underwear is not permitted as swimwear. Swimwear should not have been worn for exercising immediately prior to pool use as the clothing can create an unhealthy swimming environment.

1. **Swimwear:**
   - Acceptable: Swimsuits made from appropriate materials (e.g., Lycra, spandex) designed for water use.
   - Unacceptable: Jeans, cotton clothing, or any attire that may retain water or cause drag. Lingerie and undergarments are unacceptable. Shirts with inappropriate print. Anything else deemed inappropriate by management.
2. **Cover-Ups:**
   - Cover-ups (like shorts or t-shirts) when not in the water are fine but must be removed before entering the pool.
3. **Footwear:**
   - Non-slip sandals or flip-flops are recommended for walking around the pool area to prevent slips and maintain hygiene.
4. **Toddlers:**
   - Swim diapers are required for infants and toddlers.
