PRESIDENT'S LETTER

Dear Members,

I hope you're all having a wonderful summer! Whether you're traveling, spending time with family and friends, enjoying your other home, or staying here with us at Boca West.

We are pleased to inform you that the Annual Membership Dues Package has been mailed to all Members. Included in your packet is the annual schedule of fees for sports participation and guest registration. These fees help offset the operational costs associated with guests enjoying the Club's amenities. Periodic adjustments ensure these costs are shared fairly and help maintain the exceptional programs, facilities, and services our Members have come to expect, without placing the full financial responsibility on the membership. If you have not yet received your dues package or have any questions, please contact the Membership Department at 488-6934. Our team will be happy to assist you. The Annual Calendar of Events will once again be mailed separately later this year.

While on the topic of the Membership Dues package, **we are excited to introduce a new feature this year, Online Dues Pay,** available exclusively on the Member Website. You can now securely pay your annual dues statement online using either a credit card or ACH. Log in to the Member website and follow the step-by-step instructions located under the MY PROFILE section by clicking on your photo in the upper right-hand side of the page. If you need assistance, please reach out to the Accounting department at 488-6985 or email accounting@bocawestcc.org.

We are honored to host a **Medal of Honors Recipient Gala** benefiting ***Heroes Linked*** on **Saturday, November 14**. This meaningful event will support U.S. military service members, particularly those who have been wounded or injured in service. We are especially proud to welcome two **Medal of Honor Recipients**, the highest recognition for military valor in the United States. With only 63 living Recipients today, their presence is a rare and humbling honor. Stay tuned for more details on this event.

I am pleased to share a new addition to our leadership team, please welcome **Anna O'Neil our new Director of Finance**. Anna will be working alongside Kathy Campbell, CFO, and the entire accounting department. She brings many years of finance and accounting experience, with a strong background in the private club industry with financial leadership roles at premier clubs throughout South Florida.

I hope you have been following the exciting progress of our **Club Capital Improvement Program** through the Club's microsite **Field Notes**. As mentioned in the Summer Communique, this Program continues to transform Boca West, with exciting activity taking place throughout the Club this summer.

- **At the East Racquets Facility**, demolition has been completed and construction is now underway on 14 additional tennis courts, all scheduled for completion this November. As part of this phase, 44 new parking spaces are also being added adjacent to the Country Club and are expected to open by Labor Day weekend.
- Construction also continues on the **re-envisioning of Course I**, where the transformation is becoming more apparent with each passing week. The championship golf course, 9-hole Short Course, and 18-hole Himalayan-style Putting Course are all taking shape, generating tremendous excitement for their anticipated openings later this year. We remain on schedule for the grand opening of Course I in early December.
- **The first phase of the Golf & Activities Center transformation** is also moving forward. Behind the construction walls, the existing locker rooms are being completely transformed to include beautifully redesigned Men's and Women's Locker Rooms, along with the addition of two spacious card rooms, a flexible multipurpose room, and refreshed Palmer, Fazio, and Dye rooms. As part of this project, the lockers removed from the existing locker rooms are being carefully revitalized for installation in the new locker rooms, preserving their quality while complementing the updated spaces. The Multipurpose Ballroom remains on schedule for completion by Labor Day, while the locker rooms, card rooms, and flexible activity space are expected to reopen prior to Thanksgiving.

Our behind the scenes work that began in May continues with annual repair and maintenance to our facilities. A portion of the **Country Club building** is currently closed through August while we replace the carpet in the Grand Ballroom and Palm Room and install tile throughout the pre-function hallway. The carpet has seen a lot of foot traffic since we refurbished the building in 2021 and was becoming a safety concern. At the **Lifestyle Center**, work is also underway to refresh and reconfigure the existing physical therapy offices and

the adjacent fitness space across from the Fitness Reception Desk. These enhancements will introduce a new private Pilates studio, a dedicated Mindful Movement studio, and a newly created Recovery Zone featuring open space designed specifically for stretching, recovery, and wellness activities. Vanderlinde Physical Therapy will open at the beginning of October, with the new fitness and wellness studios scheduled for completion prior to November 1.

As mentioned in my previous article, we hired Hospitality Management Interns from Universities around the country and J1 visa Interns from Portugal, and their time with us has been amazing: we are so proud of their hard work! They have spent time learning each of our departments which gives them a better overall grasp of the Country Club lifestyle and industry. As our current interns near the end of their time with us, our Human Resources department continues to add new Staff Members to our team literally each day. **Thank you for your support and continued patience as we constantly onboard and train staff to provide the superior service you are accustomed to.** The Human Resources team also traveled internationally at the end of July to interview and select new Staff Members for our H2B program this October.

Our Season Opening events will take place during the month of November. It's never too early to begin making plans to attend these events. Our **Season Opener Golf Event** will be held on November 7 and 8 and the following weekend, November 27 and 28, will be our **Season Kickoff Tennis and Pickleball Events. Après Ski Chalet - this year's theme night** is scheduled for November 19 and 20. Escape to the glamour of the world's most iconic mountain resorts as Boca West transforms into an enchanting alpine retreat for The Grand Après. No lift ticket required, just bring your festive spirit and we hope you will join us for an unforgettable evening of exceptional cuisine, cocktails, live music and entertainment, dancing, and the timeless elegance of the world's finest alpine destinations.

Lastly, as Arthur Schwartzman and I have previously shared, your Board of Governors and Management Team are diligently developing a new Club Capital Improvement Program, which will be presented to the Membership for a vote. The proposed plan will address our growing peak-season parking challenges by expanding our parking capacity, while also enhancing our golf amenities with the renovation of Palmer III golf course, expansion of the Driving Range, additional Short Game improvements, and the construction of a new Golf Performance Center.

As always, I encourage your thoughts, suggestions, and feedback regarding your Club and look forward to seeing you around. Wishing you all a relaxing remainder of the Summer and a wonderful year ahead.

Sincerely,

Matthew Linderman, CCM, ECM

President, COO & General Manager

FROM SEED TO SIP

A Garden-to-Glass Experience at Boca West

The newly transformed Botanical Garden, formerly known as the Chef's Garden, is bringing a fresh new element to the Boca West mixology experience. This landscaped space is now home to herbs, fruits, and botanicals grown specifically to inspire creative cocktails and seasonal offerings, and inspiration for our expanded mixologists to dream up libations.

Members will notice a leaf icon on select menus, identifying beverages crafted with ingredients harvested directly from the garden. It is a signature touch that reflects Boca West's commitment to freshness, innovation, and thoughtful details.

The idea behind the Beverage Botanical Garden came from a desire to redefine what "fresh" means. With Florida sunshine, dedicated team members, and the ability to grow ingredients right on property, our Beverage team saw an opportunity to elevate the cocktail experience.

"Why source garnishes and botanical components from a box when we have the space and talent to grow them ourselves?" says Jody Craul, Beverage Operations Manager. "When a bartender can share that the mint, lemongrass, or herbs in a cocktail were harvested that morning, it turns a drink into an experience."

For Beverage Manager Sam, creating the garden meant developing a space that was both beautiful and functional. The team selected ingredients based on what would thrive locally and enhance the Club's beverage offerings.

The garden features favorites like mint and basil, along with rosemary, thyme, lavender, and lemongrass. Specialty additions, including jalapeños, banana peppers, lemon and lime trees, and the unique finger lime bush, bring new opportunities for creative cocktails. Often called "citrus caviar," finger limes add a fresh burst of flavor and a memorable finishing touch.

Beyond the ingredients themselves, the garden has transformed the way the beverage team approaches their craft. Bartenders are gaining a deeper understanding of flavors by being involved in the process from planting to pouring.

"It's about creating something special for our members," says Sam. "The passion behind the ingredients comes through in every cocktail."

The Mixology Botanical Garden represents another way Boca West continues to enhance the member experience—bringing together creativity, freshness, and a true taste of nature, one sip at a time.

ON THE COURSES

Danny Schulman
Golf Committee Chair

I hope everyone enjoyed the recent celebration of America's 250th Anniversary, wherever the occasion may have taken you. Whether you spent time traveling, gathering with family and friends, or enjoying the festivities here at Boca West, I trust it was a memorable and meaningful milestone for all.

Here at "Camp Boca," we believe there will be much to celebrate throughout the upcoming golf season as our golf enhancement projects continue to make tremendous progress. I am pleased to report that all major golf construction projects, including the Championship Course, Short Course, and new 18-hole putting course, remain on schedule. These projects represent a significant investment in the future of golf at Boca West, and the excitement continues to build as we move closer to opening day.

The new Short Course is taking shape beautifully and is sure to become a favorite addition to our golf facilities. We are currently targeting an October opening, and as I write this article, the course is being sodded and landscaped. It is remarkable to see how much has been accomplished since construction began in early March. What was recently an active construction site is quickly transforming into a unique golf experience that will be enjoyed by members of all ages and skill levels.

Equally exciting is the progress being made on our new Championship Course on the former Palmer I property. The earthwork, shaping, and infrastructure installation have advanced significantly throughout the summer months. Every visit to the site reveals something new, and the scale of the transformation is truly impressive. Travis and the many contractors and specialized teams involved in the project are currently in their summer blitz, working diligently to keep everything on schedule. Their commitment and expertise are evident in the progress being made each day.

While much of the attention has understandably been focused on construction, there is also a tremendous amount of work taking place behind the scenes to prepare for another outstanding golf season. Meg Botting and her team have been hard at work finalizing details for the 2026-2027 seasonal competitions and events calendar. Their efforts will ensure another exciting schedule filled with opportunities for competition, camaraderie, and memorable experiences throughout the season.

At the same time, Chris Czaja, Pam Elders, Jacob Huizinga, Austin Jarchow and Michael Meredith have been collaborating to construct new player development and instructional programming for members of all skill levels. From golfers who are new to the game to those looking to sharpen their competitive edge, the team is creating engaging learning opportunities designed to help members improve, gain confidence, and enjoy the game even more. These programs will complement our enhanced golf facilities and further strengthen Boca West's commitment to providing a best-in-class golf experience.

In addition, the golf operations team, led by Travis, is excited to introduce a new golf cart fleet and Tagmarshal GPS system in the fall. These enhancements will provide members and guests with improved technology, greater convenience, and an even more enjoyable on-course experience. Combined with our new golf facilities, these upgrades will further elevate the Boca West golf experience and reinforce our commitment to delivering one of the premier club golf programs in the country.

The team's momentum on the video production front continues to build, and I hope you've been enjoying the content as much as I have. The videos are both informative and engaging, and it's especially great to see new faces—such as our Professional Golf Management interns and Hospitality Management interns—sharing their stories and perspectives.

Mike Bove's recent "Turf Talk" series with Jeff Jones has been particularly insightful. It offers members a valuable behind-the-scenes look at the work that goes into maintaining the high-quality playing conditions we've come to expect at Boca West.

The future of golf at Boca West has never been brighter, and the investments being made today will enhance the member experience for years to come. On behalf my Vice Chair, Steve Roth and the Golf Committee, thank you for your continued support, enthusiasm, and patience as we work through this exciting period of growth and improvement. We look forward to sharing many more milestones with you in the months ahead.

The bulldozers, earthmovers, and sod crews of summer will soon give way to golfers, carts, and friendly competition—and that is a sight we're all looking forward to.

Have a wonderful remainder of the summer, and we can't wait

SHORT COURSE CONSTRUCTION UPDATE

Short Course Progress. This view from the south side of the Short Course showcases just how much progress has been made over the past several weeks. Nearly all of the course features are now clearly visible, including the greens, bunkers, and landscape areas, while the ridges separating each hole have been shaped and finished with landscape and pine straw to define the layout and enhance the overall presentation.

To maximize efficiency and reduce the amount of sod required, some of the remaining turf areas visible in this photo will be established through sprigging rather than sodding. Once complete, these areas will quickly fill in and provide a seamless playing surface. The holes featured in this image are Hole 5 on the left and Hole 6 on the right.

Hole 8 Green. Taken from the east looking west, this image showcases the new Hole 8 green, one of the signature features of the Championship 18. The existing oak tree extending into the lake has been preserved as a focal point of the hole, creating a dramatic visual from both the tee and the green. The teeing area, located to the far right, will sit at one of the highest elevations on the property, providing sweeping views across the course. Looking left beyond the lake, you can also see the future Hole 1 green beginning to take shape.

Hole 8 from the Future Tee. Taken from the northwest, this image reflects nearly the same perspective golfers will experience when standing on the Hole 8 tee. From this elevated vantage point, players will enjoy one of the most dramatic views on the property as they play down toward the green set along the lake. The tee of #8 will represent the highest elevation on the golf course

Short Course Grow-In. This view from the southeast highlights the impressive scale of the Short Course as the grow-in continues to progress. Grassing and landscape installation have steadily advanced from the southern portion of the property and are now making their way north toward the Championship 18. With each passing week, more of the project is transitioning from construction to a finished golf course, giving members a better sense of the final vision.

Aerial Overview. This aerial view provides one of the best perspectives of the property as construction continues. The Lifestyle building is visible in the upper left, while Holes 2, 3, and 4 extend near the Turnpike on the right side of the image. At the center of the photo, the new Hole 8 green projects into the lake, creating one of the renovation's signature design elements.

Hole 8 Construction. This close-up view captures the construction of the new Hole 8 green. In the background, the future Hole 1 green is also visible, while the surrounding landforms continue to take shape. The significant elevation changes being created throughout this area will provide dramatic views and add both visual and strategic interest.

GRIEVANCE COMMITTEE

Dr. Philip Edwards
Grievance Committee Chair

There is a growing trend at all country Clubs, including Boca West, for member-to-member conflicts. Whether it be the current political climate, increased economic stress or general behavioral trends facing society, we are all dealing with this reality.

In the past few months, the Grievance committee has dealt exclusively with these types of behaviors. Significant consequences are a result.

Boca West is more than a recreational facility; it is a community built upon shared interests, mutual respect, and social interaction. Members join our club to enjoy the amenities, build relationships, and participate in leisure activities in a welcoming environment.

Country clubs, like Boca West, are designed to be places where members can relax and enjoy themselves. When disagreements escalate into personal disputes, hostility can spread, creating tension and discomfort. Members who witness or become aware of ongoing conflicts may feel reluctant to participate in club activities, reducing the sense of camaraderie that is central to our club experience. An inclusive environment strengthens the club's sense of community and encourages greater participation.

Effective conflict prevention requires individual responsibility. Members need to model courtesy, patience, and understanding in their interactions with others. They need to convey these expectations to their guests as well.

We need to curb member-to-member conflicts. This is essential for maintaining the integrity and harmony in Boca West. A respectful and cooperative environment enhances member satisfaction and fosters a strong sense of community.

MISTY MAKES THE LIST. AND SO DOES WELLNESS

I'm going to flip the script this month. Instead of ending with the big news, let's start there.

For the past 30 years, ***BoardRoom magazine*** has been the gold standard publication of the private club industry. To celebrate its milestone anniversary, the magazine created a special recognition program honoring the private club industry's most influential women. Out of 86 nominations from nearly every area of club operations and leadership, only 30 remarkable women were selected based on their leadership, innovation, mentorship, industry impact, and meaningful contributions to club culture and member experience.

Misty Stewart
Director of Lifestyle & Wellness

You can probably see where this is going. There, on page 37 of the May/June 2026 issue, is our own Misty Stewart, Director of Lifestyle & Wellness.

Recognized for her more than two decades in luxury hospitality, Misty has helped create that which many of us have already experienced firsthand at Boca West: wellness is no longer an amenity—it's a philosophy. She speaks about the importance of wellness focused experiences of clubs becoming proactive partners in members' long-term health, wellbeing, and sense of belonging, while creating deeper connections and stronger engagement throughout a high-touch lifestyle based community. Importantly, Misty is equally passionate about mentoring her team, fostering a shared sense of purpose and creating opportunities for each member to grow, succeed, and thrive.

Misty's recognition and her thoughts provide the perfect segue into something truly exciting - the continued incorporation of personalized wellness programming, member engagement strategies, and advanced technology into our daily lives here at Boca West, this time through new and innovative technologies and programs recently introduced across our Fitness, Spa, and Aquatics departments.

The "Ahhh" of the Spa: For holistic healing and rejuvenation:

This summer, our **Spa Vitality Package** includes two cutting-edge wellness experiences designed to help you re-energize, relax, and recharge from the inside out.

SomAlive Z.5 Immersive Sound Therapy combines soothing sound frequencies with gentle full-body vibrations to promote calm and restorative body functions, relaxation, to reduce stress, to improve circulation, and to support overall balance.

PEMF (Pulsed Electromagnetic Field) Therapy delivers low-level electromagnetic pulses that help boost recovery, reduce inflammation, ease muscle fatigue, and enhance energy levels and performance.

Witness Your Own Fitness

Our new science-based fitness assessments—Kinotek, Technogym Checkup, and PNOE—provide a comprehensive snapshot of your health and performance, measuring everything from body composition and mobility to balance, strength, cardiovascular fitness, and cognitive wellbeing. Even better, they're available at 50% off throughout the summer.

Aquatics, Making Waves in Wellness

Our new **Aquatic Therapy program** harnesses the natural buoyancy of water to improve mobility, flexibility, circulation, balance, and recovery. It's low-impact, highly effective, and remarkably refreshing.

So, first and foremost, congratulations to Misty on a recognition that is both prestigious and richly deserved.

And thank you, Misty and team, for bringing new ideas, technologies, and opportunities to live healthier, happier lives here at Boca West, and for approaching our wellness intentionally, creatively, and with genuine care. The rest is up to us.

LIFESTYLE & WELLNESS SUMMER GUEST POLICIES

May 1-October 31, 2026

All guests of members (over the age of 16) may use the Fitness Center with no time restrictions provided that they have the proper guest cards or are accompanied by a member. The policy for guests ages 12-15 remains the same year-round; they may only visit the Fitness Center after 11am accompanied by an adult after going through Fitness Orientation. Member may also invite up to three guests at no charge to use the Fitness or Aquatics facility on Monday, Friday and Sunday. Members may bring guests to these facilities any other day of the week for a daily fee of $21.30 (including tax).

A non-member may be a guest of the club no more than six times per membership year (October 1-September 30). Equity members, lessees and non-member residents of Boca West are not eligible to be day guests or house guests.

Please Note: A day guest is the guest of a member for the day and must be accompanied by the member AT ALL TIMES when using any of the Club facilities. However, after checking in a guest in for personal services such as lessons or massages, the member is free to leave the guest and the facility during the performance of the service. It is not necessary to obtain a house guest card for a day guest if accompanied by member. All daily guest fees for use of the facilities will apply.

MEET EMILY GIFFORD: THE WOMAN BEHIND BOCA WEST RETAIL

Gary Berkowitz
Retail Committee Chair

"Boca West was like the Disney World of private clubs. I wanted to be part of it."

That's how our Director of Retail, Emily Gifford, describes her first impression of Boca West nearly 19 years ago.

In this month's Boca West Magazine, I'd like you to meet the woman behind one of the Club's most successful and visible operations. While most members know Emily from one of our retail shoppes, many may not know the remarkable journey that brought her to Boca West and helped shape the retail experience we enjoy today.

Emily's story begins in Canada, where she grew up playing competitive junior golf before earning a degree in Marketing and Professional Golf Management from New Mexico State University. After beginning her career as a golf professional, she quickly discovered that her true passion was merchandising.

Emily Gifford
Director of Retail

That passion took her to some of the country's most prestigious private clubs, including Plainfield Country Club in New Jersey and Liberty National Golf Club overlooking the Manhattan skyline. Along the way, she learned from some of the best minds in the industry and helped build a luxury retail operation from the ground up. Those experiences proved invaluable when Boca West came calling in 2007.

Emily was drawn not only to the opportunity to oversee multiple retail locations, but also to a club that was continually investing in its future and committed to providing an exceptional member experience. Nearly two decades later, she has watched that vision become reality.

During Emily's tenure, Boca West's retail operation has grown dramatically, expanding to include the Golf Shoppe, Tennis Shoppe, Cabana Shop, Logo Shop and and the recently opened Pickleball Shoppe. Along the way, the operation has earned numerous industry awards, but Emily is quick to point out that the real success comes from the people around her.

"I am especially proud of our staff," she says. *"Their dedication to service and creating a great member experience is what makes our operation successful."*

That member experience remains at the heart of everything the retail team does. Emily and her staff constantly monitor trends, attend industry buying shows, and listen closely to member feedback when selecting merchandise.

Many members may not realize the wide range of services available through Boca West retail. From personal shopping appointments to an extensive special-order program, the team works hard to make shopping convenient, enjoyable, and personalized.

What truly makes Boca West retail unique, however, is the relationships that develop over time. Unlike traditional retail stores, Boca West members visit regularly, giving Emily and her team the opportunity to know members personally and provide a level of service that simply can't be replicated elsewhere.

"Our shoppes are really an extension of our members' homes," Emily says. *"Members stop in not only to shop, but also to connect with familiar faces."*

Looking ahead, Emily is excited about the future, including the continued growth of Boca West's retail offerings, the success of the new Pickleball Shoppe, and upcoming enhancements to the Golf Shoppe.

After nearly 19 years, she remains as enthusiastic as ever about Boca West and its future. Now that you've gotten to know Emily better, I hope you'll join me in thanking her and her terrific team for all they do to make our retail operation one of the very best anywhere.

As you review the upcoming sales and promotions in our shoppes, be sure to stop in and take advantage of the great values available throughout the summer and beyond.

And when you do, don't forget to say hello to Emily. She'll be delighted to meet you, if she doesn't already know your name!

WELCOME BACK TO BOCA WEST RACQUET SPORTS!

Steve Roth
Racquet Sports
Committee Chair

What a joy it is to welcome you back to Boca West for another spectacular season! I'm thrilled to share some very exciting news: our facilities have never looked better, and the courts are ready and waiting the moment you arrive this fall.

Your New Pickleball Facility Awaits

After months of eager anticipation, our brand-new Pickleball facility is officially open! The stunning new building and courts are complete and in pristine condition, ready for play the moment you walk through the doors. This world-class facility reflects Boca West's unwavering commitment to offering our members the very best, and we cannot wait for you to experience it firsthand. From the moment you step on the courts, you'll feel the difference that truly state-of-the-art surroundings make.

Tennis Courts in Peak Condition

Our tennis courts are in spectacular shape heading into the season. Our 10 courts on the west side are open now and the 14 brand-new courts on the east side will be open and ready for play by the end of November, offering the superior surfaces you deserve. Whether you're warming up, competing in league play, or enjoying a friendly match, conditions are as good as it gets.

Pro Shoppes Ready to Serve You

Our renovated Tennis Shoppe and brand-new Pickleball Shoppe are fully stocked with the latest equipment, apparel, and accessories to meet all your racquet sports needs. Whether you're looking for the perfect racquet or paddle, fresh strings, or stylish court attire, our pro shop teams are ready to help.

Celebrate the Season: Kickoff Dinner

Mark your calendars our highly anticipated Season Kickoff Racquet Sports Dinner is coming soon, and it promises to be an evening to remember! This beloved tradition brings our entire racquet sports family together to celebrate the start of another great season. The room will be electric as old friends reunite, and new members are welcomed into the fold. It's the perfect way to kick things off, and we look forward to celebrating with all of you. Date to be announced stay tuned!

Play for P.I.N.K. — Tennis & Pickleball

We are proud to once again host our beloved Play for P.I.N.K. tournament, uniting our community for a cause close to so many of our hearts. Our members will compete with passion and generosity to raise vital funds for breast cancer research, every serve, volley and dink making a real difference. The tournament will feature both Pickleball and Tennis on separate days, and we expect the same incredible turnout and spirit that has made this event one of the highlights of our season. Dates are coming soon, so get ready to sign up and show your support. Thank you in advance to everyone who will play, donate, and cheer on their fellow members.

Everything to Look Forward To

This season brings a perfect blend of familiar faces and fresh energy to our racquet sports program. We're excited to welcome new team members while celebrating the return of those who know and love our Boca West community. Together, this team is dedicated to delivering exceptional programming, personal service, and memorable experiences. With a full calendar of tournaments, social mixers, clinics, organized play, and competitive league opportunities, there is something for every skill level. Whether you're a seasoned player or picking up a racquet or paddle for the first time, we look forward to welcoming you and making this season our best yet.

Thank you for making Boca West's racquet sports program the welcoming, spirited community it is. Here's to a wonderful season filled with great play, lasting friendships, and unforgettable memories on our brand-new courts.

See you on the courts!

THERE IS DINNER AFTER 7...

At Boca West, we say Dining is our number 1 sport and everyone wants to dine at the same time! With the help of Veronica Castellano, Food & Beverage Administrative Director, here are a few tips to help you navigate restaurant reservations and make the most of your dining experience.

Veronica Castellano, Food & Beverage Administrative Director

How Do I Make a Reservation?

For reservations **14 days or more in advance**, you may:

- Reserve through the Club App or Website
- Email diningresv@bocawestcc.org
- Submit a request by fax at 488-7824
- Submit a physical reservation card at Club Services

For reservations **13 days or less in advance**, please call F&B Reservations at 483-6300 or email diningresv@bocawestcc.org. If you leave a voicemail, a team member always returns your call.

The Lottery

During busy periods, reservations are assigned through a lottery system approximately two weeks prior to the reservation date (four weeks prior for special events and holidays). Please wait until the business day after the lottery before contacting F&B Reservations, so everyone has a fair opportunity.

When Will I Know My Reservation Status?

Beginning at 5:30pm on the day of the lottery, you can view your reservation through the App or Website. You will also receive an email confirmation, and the reservation will appear on your calendar.

Didn't Receive Your First Choice?

Don't worry, you will be placed on a waitlist and contacted as cancellations become available. The waitlist works! When submitting requests through the App, Website, or email, consider including flexible times or restaurant choices to increase your chances of being accommodated.

Why Aren't Restaurants Always Full?

Boca West dining experiences are designed to be relaxed and enjoyable. Tables turn over fewer times each evening than restaurants outside the Club, so a restaurant may appear less crowded while still managing reservations throughout the night.

Need to Cancel?

If you cannot honor your reservation, please cancel by 9am on the day of your reservation to avoid a $25 no-show or late cancellation fee. This also gives fellow Members, who may be on the waitlist, the opportunity to enjoy the reservation.

Prime Cut Reservations

Prime Cut follows a slightly different process:

- At the start of Season, Members receive instructions for making one "early" Prime Cut reservation.
- This is a great option for entertaining family or special guests.
- Additional Prime Cut reservations become available mid-November through the regular reservation process.

Did You Know?

- Blue Point's private dining room is reserved through Catering. If it is available, Restaurant Managers may be able to assist with larger parties.
- During peak holiday periods, F&B Reservations processes thousands of requests, thank you for your patience!
- Calling later in the week may help, as the team is available seven days a week.
- Walk-ins are welcome at all restaurants based on availability.
- Blue Point does not take reservations for outdoor dining, sushi bar, pizza bar, or communal table seating — these are great options to try!
- Every Member has the opportunity to enjoy Boca West dining venues. Reservations are not based on frequency of visits, but on creating a fair experience for everyone.

The Club's goal is simple: to make sure every Member can enjoy the exceptional dining experiences Boca West has to offer.

BOCA WEST
COUNTRY CLUB

WE ARE BOCA WEST

Where Kindness and Respect Shape our Club & Community

Live the life you love. Love the life you live. Boca West is more than a collection of people and exceptional amenities; it is a very special community, whose culture and lifestyle has been built over 40 years. We pride ourselves on how we interact with one another, enjoy life and the experience we feel.

We Are Boca West reflects a simple truth: the experience and lifestyle we value and enjoy here is created not only by our surroundings, but by our conduct. Kindness, respect, patience, and consideration are part of what make this community feel and be consistently exceptional.

WHAT THIS MEANS

Across the Club — golf, racquet sports, dining, card rooms, fitness, spa, and aquatics — shared spaces work best when everyone feels comfortable and respected.

AT BOCA WEST, THIS MEANS:

- Treating fellow members, offspring, guests, and our staff with courtesy and respect.
- Exercising patience, especially during busy times.
- Showing restraint in moments of anxiety or disagreement.
- Being mindful that individual behavior contributes to atmosphere and culture.

Boca West is a multigenerational community. Thoughtfulness toward different paces, preferences, and styles helps keep the environment calm and enjoyable for all.

HOW WE HANDLE CONCERNS

To support a positive and respectful atmosphere and to resolve matters calmly, privately and constructively:

- Members should not confront other members, offspring or guests directly, concerns are always brought to a Manager to address accordingly.
- Staff concerns are always brought to a Manager so they can be expressed and addressed appropriately.

A SHARED STANDARD

We Are Boca West provides a shared reference point for how we interact and these expectations have always been part of our Boca West Culture. Courtesy sets the tone. Together, we will continue to uphold our shared values and enjoy our community.

INDEPENDENCE DAY AT THE CLUB

LET'S CONNECT

Keeping Boca West Connected: From the App and Website to the Message Board and QR codes, here's how to stay informed about everything happening at the Club.

Teri Cox
Communications & Marketing Committee Chair

If you live here, you already know that there's always something happening at Boca West. From club events and dining specials to golf, racquet sports, fitness, entertainment and member activities, Boca West offers countless opportunities to **Live the Life You Love. Love the Life You Live.**

Helping members stay informed about all those opportunities is exactly what our Communications and Marketing department does every day. As Chair of the Communications & Marketing Committee, I'd like to highlight a few resources that can make it even easier to stay connected and informed about everything Boca West has to offer.

Your Communications Resource Center

Located in the Golf & Activities Center, directly across from The Golf Shoppe, you'll find the Club Services office. This is your go-to destination for assistance with App and Website logins, navigating club technology and getting answers to questions about how to access information and services online. Whether you're setting up a new device, having trouble logging in, or simply want to learn how to take advantage of all the features available, the team is there to help.

Have You Visited the Online Message Board Lately?

Most members use the App regularly, but there's one valuable feature that can only be found on the Website, the Message Board. To access it, log in to the website, click **"My Club,"** and then scroll down to **"Message Board."**

The **Message Board** has become a popular gathering place for members looking to connect with one another. Need a ride to the airport? Looking for a card game? Selling furniture or searching for household items? Chances are you'll find it there. The **Message Board** is informative, useful, and often entertaining. If you haven't visited recently, take a few minutes to check it out. You may be surprised by what you discover.

A New Way to Stay Connected

You may have noticed something new on the logo cups around the Club, a QR code. The QR code is available on the plastic cups throughout the Club (card rooms, etc).

Simply scan it with your phone's camera and you'll be taken directly to a document. It's a quick and convenient way to stay informed about activities, events and announcements around the Club. And because the document may change from time to time, you never know what you'll see when you scan it!

At Boca West, communication is about more than sharing information, it's about helping members make the most of everything our community has to offer. Whether through the App, Website, Message Board, QR codes, or the assistance available from Club Services and Communications, we're always working to keep you informed, connected, and engaged.

I encourage you to take advantage of these resources and explore them if you haven't already. You may discover a feature that makes your Boca West experience even more enjoyable.

After all, when you know what's happening around the Club, it's easier to ***"Live the Life You Love. Love the Life You Live."***

OMBUDSMAN

Contact Bill Berkowitz at ombudsman@bocawestcc.org and include "Ombudsman" in the subject line.

The Ombudsman offers an alternative opportunity to resolve complaints, concerns or problems in a timely and private manner. Ombudsman questions are either directly answered, referred to chairpersons of our committees, or occasionally to management. When they are referred, I encourage the petitioner to get back to me if they are not contacted within a day or two, or if they are not satisfied with the response they receive.

If you have a question, concern or inquiry about which you would like to receive further clarification, please do not hesitate to reach me at ombudsman@bocawestcc.org, and please be sure to enter the word OMBUDSMAN in the subject line.

THE MARKET IS READY.
ARE YOU?

BUYER DEMAND IS HIGH.
YOUR HOME'S VALUE IS, TOO.

With buyer demand continuing to outpace available inventory, this summer may be one of the most advantageous times to sell in Boca West. Buyers are actively looking to secure a home before joining fees increase this October. As the only on-site real estate team, Boca West Realty has a qualified buyer waitlist, a database of more than 13,000 prospects, and national marketing exposure—powerful advantages that help connect sellers with the market's most active buyers.

Schedule a complimentary home evaluation and discover how your home may be worth more than you think.

Pickleball Camp Serves More Than 60 Children

This summer, we hosted two weeks of Pickleball Camp for more than 60 children from the Fuller Center.

Held on Boca West Country Club's new covered pickleball courts, the camp provided far more than sports instruction. Each child received sneakers, socks, a hat, backpack, and water bottle, along with daily lunch, and prizes. Camp culminated with a talent show and medal ceremony.

Campers learned teamwork, sportsmanship, and confidence while creating lasting memories.

Thank you to our volunteers, supporters, and Boca West Country Club staff for making this special program possible.

BOCA WEST MASTER ASSOCIATION

Keeping Boca West Safe and Beautiful

BWMA has a security force of 44 officers led by the Chief of Security. Security officers patrol Boca West and fully staff all three entrance gates 24/7 along with contracted Palm Beach County Sheriff deputies. There is 24-hour access control for all residents and guests at the Glades Road, Jog Road, and Yamato Road gates. Over 2,500,000 vehicles enter our gates each year. All vehicles pass through a camera system so Security knows when cars arrive and leave. Ensuring that only bona fide residents, registered guests and registered service contractors are admitted is a major Security team function and responsibility.

REGISTERING GUESTS:

Residents must register guests in advance of their visit by using the Entrance IQ app or calling Guest Registration, 483-5505.

The phone number is available 24 hours a day and you will speak to a live security operator. This option allows you to make changes to your permanent guest list and add guests for longer than 30 days. Residents must provide their security code.

For your safety and the safety of other residents, guests who are not registered will not be permitted to enter the community. They will be asked to contact their host to obtain permission to enter. Gatehouse personnel are not permitted to make calls to residents on behalf of any guest.

Residents who are frequently visited by the same guests may establish a permanent guest list by calling Security at 483-5505. Additions to this list can only be done by calling Security. Permanent guest lists should be reviewed annually.

GATE ACCESS APPLICATION INSTRUCTIONS

We encourage all residents to use the Entrance IQ app. Once set up, it is easy to allow entrance for both guests and deliveries.

If you have not yet set up the app, please go to the Security office at suite 105 just outside the Glades Road guard house.

Guests must show their photo ID for verification.

A fast access pass can be sent to guests to facilitate future visits after the first use.

Unit owners will be contacted by E IQ text when guests arrive at our gates.

RESIDENT ENTRY – TRANSPONDER

All residents can obtain a permanent transponder for each vehicle from the BWMA Security office. A $59 fee is charged for the transponder every time a new vehicle is purchased or leased. Transponders cannot be transferred to alternate vehicles.

SERVICE PERSON ENTRY

Residents must call for the entrance of delivery persons, vendors and contractors. All commercial vehicles MUST have a company sign adhered to their vehicles on the driver's side.

COMMERCIAL VEHICLES (EXCLUDING EMERGENCY VEHICLES)

Businesses other than companies you have a signed contract with for repetitive services should NOT BE on your permanent guest list:

- Examples of businesses that should NOT BE on your permanent guest list include restaurants, plumbers, roofers and all other businesses that visit your home only on occasion.
- Examples of businesses that are acceptable include pool contractors, gardeners, house cleaning services, pest control, oxygen delivery and house watchers.

Vendor deliveries and handyman access to Boca West is permitted at specific times:

a. Monday – Friday: 7am–6pm
b. Saturday: 8am–5pm
c. Sunday: Emergencies Only
d. After Hours: Emergencies Only

Commercial vehicles have access to Boca West only through the Jog Road entrance.

CHAIRMAN'S LETTER

Dear Members,

As summer begins to wind down, I hope everyone has enjoyed time with family and friends. While many members are away or have been traveling, activity at the Club has remained strong, with significant progress across several important initiatives.

One of the most visible signs of progress is the continued transformation of our campus. The new Racquet Sports Center on the west side of the Club, featuring brand-new tennis and pickleball courts, a new pickleball building, stadium court and event lawn, are now open and already being enjoyed by members. On the east side, demolition of the existing courts has been completed, and construction of the new tennis facilities and expanded parking areas is well underway.

Our golf projects continue to advance exceptionally well. The new nine-hole short course is currently being grassed and based on early feedback, promises to be a wonderful amenity for golfers of all skill levels. We remain hopeful that members will be able to enjoy it as early as October. Construction of our championship golf course is also progressing impressively. The dramatic elevation changes are now becoming visible, creating a layout unlike anything previously seen at our Club or in South Florida. We remain optimistic that the course will be ready for play in December.

I am also pleased to report positive news regarding our Florida sales tax refund initiative. Following extensive work with the Florida Department of Revenue, our refund claim has been formally approved and the Club has received a sales tax refund of $1.71 million for taxes remitted during Florida's Freedom Summer Sales Tax Holidays for the 2023 and 2024 audit periods. Refund credits were issued on the July Member statement to each active and qualifying Member based on their individual activity during the applicable Florida Sales Tax Holiday periods. We appreciate the tremendous efforts of our financial team and the leadership and persistence that helped bring this process to a successful conclusion.

Our annual budgeting process has been completed, and the 2026–2027 Dues Package was mailed in early July. To avoid late fees, all payments must be received by September 30, 2026. This year, we introduced an additional online payment option, that will allow members to pay dues and selected add-on fees. Instructions are included in the Dues Package. Please note to make any subsequent changes to online payments, changes must be made in person through the Membership Office.

Preparing the Club's annual budget is an extensive effort over many months requiring the collaboration of many dedicated individuals. I want to express sincere thanks to Joan Attermann, Chairman of the Budget Committee; Robin Shulman, Vice Chair; the entire Budget Committee; Kathy Campbell, CFO; Anna O'Neil, our new Director of Finance; Kris Nielson, Controller; Matthew Linderman President and COO; our management team; and all our professional staff. Their commitment and countless hours has resulted in a budget that reflects both fiscal responsibility and our commitment to an exceptional member experience, and one that received unanimous approval from the Board of Governors.

Your Board of Governors has remained actively engaged throughout the summer, evaluating strategic initiatives that will help shape the Club's future. Key areas of focus include both short- and long-term parking solutions to accommodate increasing vehicle traffic resulting from membership turnover and growth. We are also evaluating technology and infrastructure improvements designed to enhance operational efficiency, strengthen cybersecurity, and better support member services. In addition, the Board continues to focus on long-range planning that balances the preferences of our evolving demographics with the traditions valued by long-standing members. The positive momentum of recent years continues to be reflected in our Board meetings through thoughtful discussion, collaborative problem-solving, and a shared commitment to serving the best interests of the entire Boca West community.

From a financial perspective, the Club continues to perform well. Through May 31, 2026, operating results excluding timing adjustments and other non-operational savings is $700,000 favorable to budget. As expected, we utilized $12 million in borrowings to support ongoing capital improvement projects. Membership demand also remains exceptionally strong. Through May 31, 2026, completed and pending home sales to new members totaled 167, compared to 130 during the same period last year, and are already approaching the 175 new-member sales achieved during the entire 2024–2025 fiscal year. We are also seeing more inheritors of homes choosing to become Club members, a meaningful reflection of the friendships, traditions, and enduring appeal of our community.

As Labor Day approaches and we look ahead to another exciting season, I want to thank all of our members for their continued support, engagement, and enthusiasm. The energy and sense of community that define Boca West are what make our Club such a special place.

On behalf of the Board of Governors, I wish you and your families a happy, healthy, and safe remainder of the summer. May you enjoy a relaxing Labor Day holiday with family and friends, and know that we look forward to another exceptional peak season at Boca West.

Sincerely,

Arthur Schwartzman
